The Other Side Of The Sky:

The Other Side of the Sky Farah Ahmedi, Tamim Ansary, 2006-07 Rev ed of Story of my life Farah Ahmedi c2005

Find me on the other side of the sky. Life is a Story - story.one Leksandra Khreshchenko, 2024-06-13 I found you Just don't be afraid and let me take your hand I saw the light of your soul and I believe that others see it too Don't be afraid to be yourself It is unspeakably difficult nowadays but there is nothing wrong with having white feathers instead of black ones The heroes of my stories are the same as you They go through difficult situations struggle with their imperfections are lost and found The only thing in which they are better than others is in the ability to love unconditionally and they are brave enough to fight for their happiness Moreover they like me know that the greatest love is hidden in the smallest things Sometimes we have questions that cannot be answered Therefore instead of wandering around in the dark it is better to focus on something small and move on Give me the opportunity to show you the true power of love in action through quiet conversations and hugs Allow your heart to feel
