Blackbeard, the Pirate Vs the Outer Banks Boy from Nowhere Gardner Martin Kelley,2011-12 This story happened between 1714 and 1718 In this story of mine I have changed the way that Blackbeard was supposed to be killed and the story I have written just might be the way Blackbeard died I have tried to put together a story from what I have read and what I have learned on the waterways from my adventures and experiences of living and traveling on the water The Outer Banks are filled with the fruits of God s larder One had only to use skill and daring moves to survive in these days on the waterways The story starts as Blackbeard the pirate glared across the campfire The boy hidden in the bushes that could not be seen was scared There would be no mercy for him if he was discovered He learned how to hide and spy on his enemies from the Indian s on the Outer Banks The boy had just turned 14 years old he was looking across the fire at Blackbeard and is motley crew in the background What his eyes focused on was the prettiest thing he had ever seen She was partly dressed in a gown of blue and trimmed with silver Her dark eyes flashed in defiance to what the pirate was saying Her pretty red lips snarled in scorn and how much ransom do you think you will get if you have your way with me and then throw me to your crew The smoke from the fire baffled and the boy took this time to back away and get out of the bushes He made himself a promise he would free this captive for himself or his bones would lie forever in the sands along the shore Now he would try to prove his manhood

The Hi-Jack of the Trump "Princess" Capt. Gardner Martin Kelley,2012-03-23 Synopsis The captain was an author of several sea stories of adventures since his birth at sea He had been born on the two mast schooner the LIZZIE MAE while she was hove to in a bad winter storm around Boon Island Lighthouse Now with recall he was ready to use his experienced for a new caper With so many boats being stolen from Floridas ports going to Cuba and Mexico it seemed that all one had to do was steal a sport fishing boat While after a bribe to officials another charter boat was in business If some person stole a loaf of bread to feed a hungry child he was a thief if someone stole big he was considered to be smart The captain decided he would think big He would use his experience to hi jack a big yacht One he had just read about in the newspaper She lay exposed at her dock site opposite the owners casino The PRINCESS seizure was completed and now was offshore of Atlantic City The problem was to keep her from being seen and the pirates caught The older captain used all of his experiences of a lifetime at sea He confused his pursuers with several divisionary course directions The deal was completed to return the PRINCESS to the owner No A last minute double cross killed the deal Part 2 The PRINCESS was off on a cruise to the Far East to be delivered to an oil rich sheik The captain and his pirate crew were off for another dangerous cruise The transfer of the big yacht was completed The successful pirate crew now no longer identified as pirates was free to return home They had their stashed aboard loot to incriminate them one last cruise to finalize the venture **The Search for the "Molly Brown"** Capt. Gardner Martin Kelley,2011-09-22 Fred did not die on his island another heart attack did not happen He had plenty of money and maybe even some life time left Fred made up his mind he would go up and down the

waterway searching for his lost boat the MOLLY BROWN She had to be hidden very well no one has seen her With his old skiff he uses the current to drift south to a town He rides a bus to Charleston has a shootout with a black dope peddler that leaves him with drugs and a lot of cash He buys a boat that he can maneuver by himself yet big enough to live comfortable aboard With a new young boat bum and her little boy he is again having boating enjoyment Terry tells him of a catamaran sail boat that is peddling drugs and is about to come into port to unload Fred boards the drug boat to get rid of the drugs he had on his boat The deal misfires and Fred ends up with more drugs and cash aboard his boat He finds that he has incurred the wrath of a crooked Custom Officer and his partner They had planned a drug bust of their own Fred and his new boat the MOLLY TWO escapes to go north to find his old hidden dope burial ground to hide this dope He had plans to clear his boat of any incriminating evidence Fred is almost buried alive in the new sand silt that has been pumped to over fill his islands hiding place His stubborn insistence not to quit sustained him He lived to find his stash and offloads the dope With only the money aboard he resumes his searching for the MOLLY BROWN Stopped by the crooked Custom Officers he is physically abused in their anger To save his own life he has another shoot out and is victorious This is the story of Freds new adventures

Cruising with Fred and His Unsinkable "Molly Brown" Capt. Gardner Martin Kelley,2011-09-12 Fred has led a mediocre life for over sixty years He wants some adventure in his life He bought a boat to cruise around and down the waterway His wife will not join him He has to get away or in his frustration he will do his first acting of violence He loves the boat and his freedom He finds exciting sex with a pretty boat bum Later he is mugged and thrown off a bridge by a salt and pepper team of robbers and loses his boat and memory He rescues a woman in dire distress and becomes judge and jury of her tormentor The mugger team crosses his path and restores his memory He kills the pair before they kill him and the woman Dope smugglers tradeoffs make Fred well to do He finds a home for the mental injured woman He decides to buy another boat and search for his lost craft Another woman with a young son enters his life and boat He searches all the way to Florida and gets involved with two crooked custom agents Violence and death occurs He discovers his lost boat after a cruise up the waterway Freds heart worried him as he cruises back to Fort Lauderdale for his woman there He plans to take it real easy and share her with her young husband The young wife wants another child Fred enjoys his lifestyle and his new bigger yacht moored under the overhead roof up the New River His sex life is complicated by the inclusion of the little boys grandmother She brings the boy to visit Fred She also announces that a new baby is on the way and she knows who the father is She is not hoggish and will share Long live Fred long will he enjoy his two women The End

The Sprightly Lady and Her Hurricane and Short Stories from Capt. Gardner M. Kelley Capt. Gardner Martin Kelley,2015-08-20 The SPRIGHTLY LADY and her Hurricane and Short Stories from Capt Gardner M Kelley Thelma a rich SPRIGHTLY LADY with a nice yacht named for herself She was very disappointed She had been planning for a cruise to the Abacos in the Bahamas before going north for the summer She was looking at a picture of a body in a dingy behind a sailing yacht The body was not mentioned in

the news Probably was dumped overboard to save trouble for the officials just another Bermuda Triangle mystery The lady decided that she would have to put off going there until she had some protection devises installed aboard This would be done at City Island New York Yacht Yard on the cruise north She had no intentions of letting her world her precious floating home be hi jacked The furthest we would go this winter would be Miami Florida The New River Yacht Yard is where the SPRIGHTLY LADY would soon be hauled out This was for anti fouling paint to be put on her bottom She had a long cruise ahead Thelma had spent much of her time at the lovely beach It was not as nice as she remembered it from the past The owner of the SPRIGHTLY LADY had enjoyed the winter months in Florida the lavish parties aboard the yacht and her visits ashore to see her friends Threats from the cold northerly winds were over for now She sat with her husband Dennis and two other couples at Patricia Murphys elegant restaurant She made the announcement We will be off for New York tomorrow Dennis protested I have a golf date tomorrow She said You have had enough golf for a while now you can keep me company The foliage along the banks is already changing I am anxious to see it all Photo by Jeremy DEntremont

Escape from the Atomic Fallout Gardner Martin Kelley,2013-07 The author along with his wife and two young grandsons are stranded at his almost bomb proof hunting camp in Marion Maine after a severe snow storm blocks the roads Unknown to the fact that there has been a disaster and all are dead the captain travels by snowshoes to investigate Rather than join his neighbors in death he must get himself his wife and the two boys on a long and dangerous cruise The spindrift spray slashed across the windows of the pilot house The rugged boat built for such weather dove into the waves and up she rose higher and higher then down to stop with a crash and shudder Captain Kelley at the wheel watched the compass heading like a hawk keeping the vessel headed into the waves was a must If the boat rolled off course and got hit on the side by a wave it could be the end The heavy ice coating aloft in the rigging would not allow a quick rise His tired eyes peered again at the compass and then looked ahead into the darkness How anxiously he awaited daylight and the sun to melt off the ice from the rigging What was he doing out here on the ocean in the winter storm The answer to that question of course is the following interesting sea story The Escape from the Atomic Fallout The rugged sea captain with his wife and two young grandsons went on a visit to his Maine hunting camp in late November and are stranded by atomic bomb fallout They must get from the frigid cold weather to the warmer climate further down south The preparations and start in a boat must be made from Lubec Maine to the east coast of North Carolina near Cape Lookout Lighthouse
