The Oval Portrait And Other Poems:

The Oval Portrait, and Other Poems Kathleen Raine, 1977 *The Oval Portrait* Edgar Allan Poe, 2017-05-17 The Oval Portrait By Edgar Allan Poe The Oval Portrait Edgar Allan Poe, 2021-09-06 Perhaps fitting for a horror short story the devil is in the details in Poe's *The Oval Portrait* 1842 A benighted traveller finds shelter in an abandoned mansion in the Apennine Mountains of Italy Inside he gets absorbed by a stunning painting and decides to delve into its origins with the help from a book he finds on a pillow The story revolves around the complex and often tragic relationship between life and art As per usual Poe can't help himself to play with layers and most of the story is told as an embedded narrative The intense emotional and psychological depths of the narrator's infatuation with the portrait and the enticing volume that helps to shed a light on the painting make this short story another fascinating and haunting and Poesque tale which succinctly glorifies the immortality of art Edgar Allan Poe 1809-1849 was an American poet author and literary critic Most famous for his poetry short stories and tales of the supernatural mysterious and macabre he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction dark romanticism and weird fiction His most famous works include *The Raven* 1845 *The Black Cat* 1843 and *The Gold Bug* 1843 **Women's Poetry of the 1930s: A Critical Anthology** Jane Dowson, 2008-02-21 Where were the women of the so-called Auden Generation During this era of rapidly changing gender roles social values and world politics women produced a rich variety of poetry But until now their work has largely been lost or ignored in *Women's Poetry of the 1930s* Jane Dowson finally redresses the balance and recovers women's place in the literary history of the interwar years This comprehensive and beautifully edited collection includes Previously uncollected poems by authors such as Winifred Holtby and Naomi Mitchison Poems which are now out of print such as those by Vita Sackville West and Frances Cornford Poems previously neglected by poets including Ann Ridler and Sylvia Townsend Warner An extensive critical introduction and individual biographies of each poet Poetry lovers students and scholars alike will find *Women's Poetry of the 1930s* an invaluable resource and a collection to treasure *A Companion to Literary Evaluation* Richard Bradford, Madelena Gonzalez, Kevin De Ornellas, 2024-03-21 The first critical survey of its kind devoted solely to literary evaluation *Companion to Literary Evaluation* bridges the gap between the non-academic literary world where evaluation is deeply ingrained and the world of academia where evaluation is rarely considered Encouraging readers to formulate and articulate arguments that balance instinctive judgment and reasoned assessment this unique volume addresses key issues regarding literary values from the perspective of analytical aesthetics and the philosophy of literature Bringing together a diverse panel of contributors the *Companion* explores competing theories of literary evaluation the reasons for evaluating theater and lyric poetry in performance the question of value in literary theory debates over Modernism's negative impact on literature the possibility of evaluating aesthetic beauty through scientific and formalist methods the nature and status of literary evaluation as a branch of criticism aesthetics in applied and community theater

evaluation outside academia the perils of extreme relativism and subjectivism in literary evaluation evaluation in schools and much more Contributors question and reassess the reputations of authors across the canon from Shakespeare and James Shirley to T S Eliot Kathleen Raine Virginia Woolf Joyce and Beckett amongst others The Companion Illustrates how seemingly divergent perspectives on the artistic qualities and value of literature can sometimes overlap Covers the standard range of literary genres while including others such as unfinished novels freelance journalism and lyric poetry in performance Offers methodologies that demonstrate why literature can be treated as something different from other forms of language and therefore assessed as art Explores the importance of maintaining clarity and specificity in the evaluation of literary works Companion to Literary Evaluation is a must read for undergraduates research students lecturers and academics in search of fresh perspectives on standard literary critical issues
