Benson, 2006-07-27 Walter Van Tilburg Clark, author of the classic novel *The Ox Bow Incident*, was one of the West's most important literary figures: a writer who contributed mightily to the tradition of viewing the West realistically and not through the veil of myth and romance. As a comparatively young man, he published three novels and a collection of short stories, then remained almost silent for the rest of his life, the victim of a paralyzing case of writer's block. Now Jackson J. Benson, one of the country's foremost literary biographers, has produced the first full-length biography of this brilliant, enigmatic, and ultimately tragic figure. Based on widely scattered sources, personal papers, and correspondence, interviews with family members, friends, and others, and Clark's unpublished stories and poems, Benson's biography focuses on Clark's intellectual and literary life as a writer, teacher, and westerner. Benson masterfully balances his engaging account of the experiences, people, and settings of Clark's life with a penetrating examination of his complex psyche and the crippling perfectionism that virtually ended Clark's career, as well as offering up a thoughtful assessment of Clark's place in Western writing. In these pages, Clark lives again: a warm, complex, and ultimately anguished human being. Benson's remarkably astute and sensitive biography is destined to be the book that readers and researchers consult first for information about this major Western writer. *Character Development in The Ox-Bow Incident* James Leo Kleinschultz, 1962
