An inspiring keepsake that honors the heroic sacrifice of today's martyrs for the Christian faith and shows how their actions mirror the courage of a long line of brave Christians. In the twenty-first century we are witnessing an escalation in Christian persecution like we have rarely seen since the first century. Many people don't realize that today thousands of Christians are dying cruel deaths throughout much of the world. There were in fact more martyrs in the last century than in all the previous Christian centuries combined. Millions have given their lives since the fall of Rome and today tens of thousands die annually for their faith in Jesus. Most of these modern stories are not legendary; in fact many are unknown. The New Book of Christian Martyrs commemorates those modern-day heroes. In this update to Foxe's Book of Martyrs, Johnnie Moore and Jerry Pattengale highlight key martyrs of past centuries and feature stories of contemporary martyrs around the world. Through tears, Johnnie and Jerry offer this compendium of heroes from the first century to the twenty-first century from Europe to Africa and from Asia to the Americas to inspire Christians around the globe. Today we live in solidarity with them and in the next life we will rejoice by their side. We will never forget their sacrifice for the truth.

Oxford's Protestant Spy Andrew Atherstone, 2007-12-01

Charles Golightly 1807-1885 was a notorious Protestant polemicist. His life was dedicated to resisting the spread of ritualism and liberalism within the Church of England and the University of England. For half of a century he led many memorable campaigns such as building a martyrs memorial and attempting to close a theological college. John Henry Newman, Samuel Wilberforce, and Benjamin Jowett were amongst his adversaries. This is the first study of Golightly's controversial career.

Sacred and Secular Martyrdom in Britain and Ireland since 1914 John Wolffe, 2019-11-28

During and immediately after the First World War, there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920. John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom, analysing the ways in which they operated, sometimes in parallel, sometimes merged together, and sometimes in conflict with each other. Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England. Secular martyrdom is discussed in relation to military conflicts, especially the Second World War and the Falklands. In Ireland, there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916, although by the time of the Northern Ireland Troubles in the later twentieth century, these traditions diverged. In covering these themes, the book also offers historical and comparative context for understanding present-day acts of
