Illustrated Guide to the Packhorse Bridges of the Lake District Michael Hartwell, 1994-03-01 An Encyclopaedia of British Bridges David McFetrich, 2019-04-30 An already impressive reference work has been made significantly more valuable a well illustrated alphabetized compendium of notable bridges The Happy Pontist Bridges have a universal appeal as examples of man's mastery of nature from picturesque packhorse bridges to great spans stretching across broad estuaries and the development of the technology that allows ever more audacious constructions is never ending Of the million or more bridges throughout Great Britain David McFetrich has selected those that are significant in terms of their design construction or location or of their connections with people or events of history His definitive book contains 1 600 separate entries for individual bridge sites or related groups of bridges covering more than 2 000 different structures 165 general entries about different types of bridge and such topics as collapses and failures and a summary of about 200 record holding bridges in 50 different categories. The concise text is supported by more than 900 illustrations and diagrams. The result is a fascinating and readily accessible compendium The Institute of Civil Engineers ICA is also on board A valuable resource to use if you plan to visit some of these structures while on holiday or are merely planning a day out East Yorkshire Family History Society Well written and researched and eminently readable Because of the ubiquity of bridges throughout Great Britain this volume should have wide appeal NZ Crown Mines Full of details covering the many bridges around the UK I found it fascinating to see the variety of bridges around Britain even the ones not railway related Rail Advent Whitaker's **Books in Print** .1998 A. A. Illustrated Guide to Britain Drive Publications Limited, Automobile Association (Great The British National Bibliography Arthur James Wells, 1994 Britain),1974 The "Lloyd" Guide to Australasia, **Illustrated** Norddeutscher Lloyd, 1906 A Welsh Coast to Coast Walk John Gillham, 1996 Wales mountains with their intricate network of valleys and passes provide the walker with ideal terrain for a coast to coast walk The routes in this guide from Snowdonia to the Gower Peninsular are designed for experienced walkers looking for new routes rather than following the marked ways Navy and Army Illustrated ,1905 A History of Man in the Lake District William Rollinson, 1967

Rural England Joan Thirsk,2002 From prehistory to the present day our landscape has been transformed by successive periods of human activity triggered by the rise and fall of populations and their need to be fed housed and employed These changes have built up layers of evidence which offer historians exciting insightsinto land use through the centuries and how rural communities of the past lived their lives In this ground breaking study published in hardback as The English Rural Landscape and now available in paperback Joan Thirsk and her team of distinguished contributors many of whom live in the places they describe invite us to explore the historical richness of the English landscape Eachchapter synthesizes the latest thinking and provides fresh perspectives on its subject It is the first book since W G Hoskins definitive study The Making of the English Landscape published nearly 50 years ago to do so The first ten chapters describe the characteristic features of

the main landscape types including fenland downland woodland marshland and moorland However geographically scattered areas of a particular landscape type are they have often been moulded by successive generations in ways that have produced strong physical similarities. The second part of the book is made up of five cameo features each exploring an individual place in detail the people and the distinctive histories that shaped them These include the Land Settlement experimental village of Fen Drayton set up during the Great Depression in the 1930s and surveysof the very different settlements of Hook Norton in North Oxfordshire and Staintondale in North Yorkshire Rural England A History of the Landscape shows us how much of the rural past is still visible if we choose to dig for it It illustrates how we might go about exploring it for ourselves It is the definitive work on the history of the English landscape for all would be landscape and local historydetectives professional and amateur alike The Western Fells Alfred Wainwright, 2020-03-03 A Wainwright's definitive guide to walking in the Lake District comprehensively revised and updated Car Illustrated ,1902 Includes section Royal Automobile Club news from Mar 1915 Dec 1928 Walking on Bridges Robin Bray, 2009-01-01 This book takes the reader on walks along the packhorse routes and bridges of the English Lake District Walking on Bridges lists and describes the old packhorse bridges It also contains descriptions of 24 walks over passes used by the packhorses ten short walks each with a bridge and twelve longer circular walks mainly on packhorse routes Official Guide to Hotels and Restaurants in Great Britain, **Ireland and Overseas** ,1973 A Bibliography of the History and Topography of Cumberland & Westmorland ,1968 **Britain** Bryn Thomas, 1997 Providing comprehensive coverage of England Scotland and Wales this guide includes 160 maps 12 of London in colour and information on shopping nightlife architecture film theatre eating out and accommodation Public transport and self drive options are also detailed **The Illustrated London News** ,1865 **History and Landscape** Lydia Greeves, 2004 This is a guide to all the National Trust properties It showcases recent acquisitions by the Trust such as the Gothic wonder of Tyntesfield John Lennon's childhood home Mendips and William Morris Arts and Crafts Red House The properties are arranged alphabetically for easy reference **Britain** Richard Everist.1996 **Country Life** Illustrated ,1950-07
