The Pain Tree And Other Stories:

The Pain Tree, and Other Stories Charles Wilkinson, 2000 *The Sandal Trees and Other Stories* Kamalā Surayya, 1995 This is the first collection of translations in English of stories originally written in Malayalam by Kamala Das under the pen name Madhavi Kutty. They amply demonstrate Kamala Das's special contribution to the short story in Malayalam. All the major attributes of her writing are evident: her subtlety and power in dealing with human relationships and intrigues of love, life and death, and her earthiness, sensuousness and sensuality.

The Jamun Tree and other Stories on the Environment Pamela Chatterjee, 2012-01-01 The Jamun Tree and other stories on the environment provides an insider's view from the villages of work related to natural resource management. It describes the process by which farmers were motivated and involved to regard the work to be done as their own. It is a narration of the personal experience of people in those village areas where the author worked. Starting the endeavour with just 95 farmers on a mere 18 hectares of land, the programme has benefitted over 10,000 farmers by reclaiming over 4,600 hectares in just two years. Till date, with the intervention of the World Bank, a total of 6.25 lakh hectares has been reclaimed, and the work is still on. The action taken found an echo with local people as it followed the need of the hour right there in the field with innovative techniques and new ideas.

The Apple-tree and Other Stories John Galsworthy, 1928 *The Catalpa Tree Fairy and Other Stories* Jennifer P. Tanabe, 2016-11 The Catalpa Tree Fairy and Other Stories is a collection of short stories inspired by the author's own life with a healthy dose of fantasy. Paul enjoys the company of a beautiful songbird and Zoe has a favorite professor who turns out to be even more unusual than she first thought. Maria meets an interesting old woman and her cat living in the forest. Over the course of the summer, Maria learns all about the different birds that come to eat at her table. Joey always wanted a pet and is delighted when a special cat chooses to live with him. Astrid is a young mermaid whose love of dolphins helps her learn to sing. Naida and her little group of young tree fairies learn how to take care of their newly assigned trees and each other.

The Tree in the Garden and Other Stories Brooks Horsley, 2014-04 These stories are at right angles to things usual and familiar. What would happen if rainbows suddenly disappeared? How might the fallen angel tell the story of Adam and Eve? A walk in beautiful mountain country as a thing piercing and bleak beyond measure. A young terrorist dreams the impossible dream, and a young Harvard professor finds his weekend strangely frustrated, and what comes of it. The reader will return from these and other stories to find his own world richer, stranger, and more beautiful.
