The Paintings Of Yun Gee:

The Paintings of Yun Gee Hildegard Cummings, Stephanie Terenzio, 1979 **The Paintings of Yun Gee** Hildegard Cummings, Stephanie Terenzio, 1979 **Experiences of Passage** Joyce Brodsky, 2008 Brodsky brings together works by the expatriate Chinese painter Yun Gee 1906 1963 and his Chinese American daughter Li lan exploring connections between each artist's life and paintings As artists who have embraced multinational multicultural and multiracial experiences Yun Gee and Li lan have combined those experiences intrinsically sometimes in spite of the pain that such a complex passage may entail Joyce Brodsky is professor emeritus of art and theory at the University of California Santa Cruz **Yun Gee** Anthony W. Lee, 2003 As a unique collection of materials documenting the expressions of an Asian American artist of the first half of the 20th century this book illuminates not only the life and work of the multifaceted Yun Gee but also the experiences of Chinese immigrants who came of age in America during the Exclusion Era Anthony Lee's essays and the materials he has gathered here reveal the utopianism anger and anxiety that were the traces of an entire generation's racialized existence

Yun Gee Yun Gee, 2005 Yun Gee Yun Gee, Vanderwoude Tanabaum Gallery, 1983 **Paintings by Yun Gee** Montross Gallery, 1940 **Paintings by Yun Gee** Lilienfeld Galleries, 1945 *Paintings by Yun Gee* Milch Galleries, 1943 **The Not-So-Still Life** Susan Landauer, William H. Gerds, Patricia Trenton, 2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET **Exhibition of Paintings by Yun Gee** China Institute in America, 1947 Yun Gee. Early Modernist Paintings 1926-1932 Ronny Cohen, 1983 *Yun Gee* Yun Gee, 1968

Painting on the Left Anthony W. Lee, 1999-04-15 During the 1930s San Francisco's most ambitious public murals were painted by artists on the left In this study Anthony Lee shows how these painters led by Diego Rivera sought to transform murals into a vehicle for their rejection of the economic and political status quo and their support of labor and radical ideologies including Communism In addressing these subjects the mural painters developed a new imagery based on the activities of the city's laboring population its efforts to organize its protests its strikes **The Brooklyn Bridge** Richard Haw, 2005 Bringing together more than sixty images of the bridge that over the years have graced postcards magazine covers and book jackets and appeared in advertisements cartoons films and photographs Haw traces the diverse and sometimes jarring ways in which this majestic structure has been received adopted and interpreted as an American idea Haw's account is not a history of how the bridge was made but rather of what people have made of the Brooklyn Bridge in film music literature art and politics from its opening ceremonies to the blackout of 2003 BOOK JACKET **Art Without Borders** Tina Keng Gallery, 2017 To view works by Yun Gee and Li lan side by side allows the viewer to imagine a fervent dialogue between two immensely skilled artists two differing perspectives as well as father and daughter This complexity makes for a discovery

of multiple layers ranging from formal expression and diverse content to embedded biographical references Li lan s oeuvre was never conceived as a response to Gee s work which stemmed from and remains rooted in a different period In fact it is an impressive achievement that her vocabulary reflects a sense of generational progression Though not without reverence for her father we find in her work the ambition of a younger artist striving for and ultimately finding her independent voice one that is more attune to her own time influences and concerns Despite a vibrant rapport with many of the artists and intellectuals of their respective context neither Gee nor Li lan ever longed to attach themselves to a particular group or to belong exclusively to a movement It is testament to their strength that both succeeded in carving out a place of their own formulating positions that are free of the psychological and physical borders established by the expectations and demands of others
