## **The Palaung In Northern Thailand:**

The Palaung in Northern Thailand Michael C. Howard, Wattana Wattanapun, 2001 Today over 2000 Palaung a group of mountain peoples speaking Mon Khmer live in a handful of villages north of Chiang Mai in Thailand They fled from Burma in the 1980s to escape the fighting between communist insurgents and Burmese army troops Though granted sanctuary in the late 1990s many of the Palaung in Thailand found themselves involved in a new conflict over land use in northern Thailand s environmentally degraded highlands This is the first book written on the Palaung in Thailand a compelling collaborative effort by anthropologist Michael Howard and Thai artist Wattana Wattanapun They introduce the Palaung culture and way of life telling the story of the Palaung s flight from Burma and settlement in Thailand Howard s photographs and Wattana s drawings enliven the account

**Punks, Monks and Politics** Julian C H Lee, Marco Ferrarese, 2016-11-23 Authenticity is much sought after being described as inauthentic is an insult or an embarrassment Being authentic suggests that a given behaviour or performance is reflective of a trueness or genuineness to one s identity From a social science perspective there is sometimes scepticism expressed about the historical faithfulness of purported behaviours such as when something is referred to as an invented tradition However what can be overlooked in such criticisms is an array of sociological and existential dynamics that are at play when authenticity is striven for Likewise able to be overlooked is where the location of that authenticity is ostensibly

founded sometimes the trueness of the behaviour is located in local traditions that reach back into time immemorial sometimes in a universal human and shared sameness and sometimes with regard to a global phenomenon Punks Monks and Politics explores the idea of authenticity as enacted in Thailand Indonesia and Malaysia The collective contributions reveal the sometimes contradictory ways in which the dynamics of authenticity its pursuit its deployment its politics play out in very different contexts Whether authenticity inheres in the local or the global amongst the majority or within a subculture on the outside of or within people or in the past or the present authenticity is nevertheless valued

**Encyclopedia of Stateless Nations** James B. Minahan, 2016-08-01 This book addresses the numerous national movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the 21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood's Encyclopedia of the Stateless Nations Ethnic and National Groups around the World that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons

**Mon-Khmer: Peoples of the Mekong Region** Ronald D. Renard, Kr. Anchalee Singhanetra Renard, 2015-03-01 The Mon Khmer project took a long journey before it was turned into a final product the first comprehensive collection of articles on Mon Khmer peoples of the Mekong Region The project was started in 2001 by the first editor of the book Dr Ronald D Renard who unfortunately did not see the final product of his valuable work During 1995 1996 Dr Ron Renard as the manager of the UNDP Highland People project and I travelled to Northeast Cambodia Vietnam and Laos to explain to representatives of ethnic communities the aim of the project and how the ethnic minorities many of whom are Mon Khmer could be involved and benefit from it It may well be that this encounter with these ethnic groups made him expand his intellectual interest to study them in addition to the Karen in Thailand whose history of integration into the Siamese state he had studied for his dissertation completed in 1980 According to my last conversation with Ron it was during the time when he worked for the Journal of Siam Society in the late 1990s that he decided to embark upon the Mon Khmer project which preoccupied the last part of his academic life

Handbook Of

Terrorism In The Asia-Pacific Rohan Gunaratna, Stefanie Li Yee Kam, 2016-06-22 The Handbook of Terrorism in the Asia Pacific provides a historical overview of terrorism in the Asia Pacific the evolution of threat and the present threat faced by countries with the rise of the Islamic State IS This is a concise and readable handbook which examines the origins of the current wave of terrorism across countries in Southeast Asia South Asia Northeast Asia and the Pacific and identifies emerging trends and new forms of terror that have altered the landscape and rendered the region increasingly vulnerable to asymmetric attacks Comprising of more than 20 chapters this handbook will be a useful source of reference for undergraduate and graduate students focused on understanding the causes of terrorism and insurgency in the Asia Pacific

**Religious Tourism in Northern Thailand** Brooke Schedneck, 2021-06-18 Cross cultural dialogues in sacred space cultivate awareness of self and others Temples are everywhere in Chiang Mai filled with tourists as well as saffron robed monks of all ages The monks participate in daily urban life here as elsewhere in Thailand where Buddhism is promoted protected and valued as a tourist attraction Yet this mountain city offers more than a fleeting commodified tourist experience as the encounters between foreign visitors and Buddhist monks can have long lasting effects on both parties These religious contacts take place where economic motives missionary zeal and opportunities for cultural exchange coincide Brooke Schedneck incorporates fieldwork and interviews with student monks and tourists to examine the innovative ways that Thai Buddhist temples offer foreign visitors spaces for religious instruction and popular in person Monk Chat sessions in which tourists ask questions about Buddhism Religious Tourism in Northern Thailand also considers how Thai monks perceive other religions and cultures and how they represent their own religion when interacting with tourists resulting in a revealing study of how religious traditions adapt to an era of globalization

**Living with Transition in Laos** Jonathan Rigg, 2012-10-12 Laos the Lao People s Democratic Republic is one of the least understood and studied countries of Asia Its development trajectory is also one of the most interesting as it moves from state or perhaps more appropriately subsistence to market Based on extensive original research this book assesses how economic transition and marketisation are being translated into progress or not at the local level and at the resulting impact on poverty inequality and livelihoods It concludes that the process of transition in fact contributes to the growth of poverty for some people and shows how people manage to cope in very unfavourable circumstances

**Central-Local Relations in Asian Constitutional Systems** Andrew Harding, Mark Sidel, 2015-12-17 This book examines territorial governance in Asia in the context of central local relations In an era of attempts to deal with issues such as decentralisation conflict involving ethnic and religious enclaves and demands for regional autonomy it is timely to examine central local relations in a pan Asian perspective assessing the attempts in a range of different constitutional systems from Japan to Myanmar to re order constitutional structures for local government The book looks at the constitutional systems for organising central local relations in Asia and attempts to draw conclusions from contemporary experiences

**Southeast Asia** Jonathan Rigg, 2004-08-02 The growth economies of Southeast Asia are presented by the World Bank and others as exemplars of development miracle economies to be emulated How did the region attain such status Are the other countries of Southeast Asia able to achieve such a rapid growth This book charts the development of Southeast Asia examining the economies of Vietnam Laos Cambodia and Burma alongside the established Asian market economies Drawing on case studies from across the region the author assesses poverty and ways in which the poor are identified and viewed Process and change in the rural and urban worlds are examined in detail focusing on the strengthening rural urban interaction as farmers make a living in the urban industrial sector and factories relocate into agricultural areas Giving prominence to indigenous notions of development based on Buddhism Islam and the so called Asian Way the author critically assesses the conceptual foundations of development ideas of post developmentalism and the miracle thesis In the light of the experience of one of the most vibrant regions in the world the book places emphasis on the process of modernization within wider debates of development and challenges the notion that development has been a mirage for many and a tragedy for some

The Art of Not Being Governed James C. Scott, 2009-01-01 From the acclaimed author and scholar James C Scott the compelling tale of Asian peoples who until recently have stemmed the vast tide of state making to live at arm s length from any organized state society For two thousand years the disparate groups that now reside in Zomia a mountainous region the size of Europe that consists of portions of seven Asian countries have fled the projects of the organized state societies that surround them slavery conscription taxes corv e labor epidemics and warfare This book essentially an anarchist history is the first ever examination of the huge literature on state making whose author evaluates why people would deliberately and reactively remain stateless Among the strategies employed by the people of Zomia to remain stateless are physical dispersion in rugged terrain agricultural practices that enhance mobility pliable ethnic identities devotion to prophetic millenarian leaders and maintenance of a largely oral culture that allows them to reinvent their histories and genealogies as they move between and around states In accessible language James Scott recognized worldwide as an eminent authority in Southeast Asian peasant and agrarian studies tells the story of the peoples of Zomia and their unlikely odyssey in search of self determination He redefines our views on Asian politics history demographics and even our fundamental ideas about what constitutes civilization and challenges us with a radically different approach to history that presents events from the perspective of stateless peoples and redefines state making as a form of internal colonialism This new perspective requires a radical reevaluation of the civilizational narratives of the lowland states Scott s work on Zomia represents a new way to think of area studies that will be applicable to other runaway fugitive and marooned communities be they Gypsies Cossacks tribes fleeing slave raiders Marsh Arabs or San Bushmen

**Culture and Development in Southeast Asia** David B. Wangsgard, 2008

*Magical Myanmar* Chan Joon Yee, 2025-10-03 It has been almost 6 years since Chan Joon Yee s most memorable trip to Myanmar in 2019 It s a highly treasured trip as it took place at a time when there

was relative calm in this tragically restive country A little more than a year after this trip political upheaval rocked Myanmar once more A coup d tat began on the morning of 1 February 2021 when democratically elected members of the country s ruling party the National League for Democracy NLD were deposed by the Tatmadaw Myanmar s military A military junta took over Myanmar s iconic hero Aung San Suu Kyi was held incommunicado until now A protracted civil war would follow till this day This travelogue records the author s travel to Rakhine state to visit the enigmatic ruins of Mrauk U a trek into the Shan Hills around Hsipaw and the beautiful hill station of Pyin Oo Lwin Myanmar is a beautiful place that draws adventurers and charms romantics If you enjoy Chan Joon Yee s writing style you ll love this book      **Social Dynamics in the**

**Highlands of Southeast Asia** François Robinne, Mandy Sadan, 2007 Drawing on long term fieldwork and research in communities from Assam through to Laos this book offers a unique level of reappraisal of the work of Edmund Leach and is a significant contribution to the development of a new regional anthropology of Southeast Asia      Changes in Northern Thailand and the Shan States, 1886-1940 Prakai Nontawasee, 1988      **Eternity in Their Hearts** Don Richardson, 2010-10 Startling Evidence of Belief in the One True God in Hundreds of Cultures Throughout the World Has the God who prepared the gospel for all people groups also prepared all people groups for the gospel Don Richardson author of the best selling book Peace Child has studied cultures throughout the world and found within hundreds of them startling evidence of belief in the one true God In Eternity in Their Hearts Richardson gives fascinating real life examples of ways people have exhibited in their histories terms and concepts that have prepared them for the gospel Read how Pachacuti the Inca king who founded Machu Picchu the majestic fortress in Peru accomplished something far more significant than merely building fortresses temples or monuments He sought reached out and found a God far greater than any popular god of his own culture And there have been others throughout the world like him who 2ved to receive the blessing of the gospel Get ready to be amazed at these intriguing examples of how God uses redemptive analogies to bring all men to Himself bearing out the truth from Ecclesiastes that God has also set eternity in the hearts of men      Minority Groups in Thailand American Institutes for Research.
