Washington Paul Vickery, 2023-12-19 His name is carved in granite his likeness cast in bronze his legend as large as the role he played as America's first president But before he was a commander in chief George Washington was a general in a revolution that would decide the future of the people and land he called his own If victorious he would gain immortality If defeated he would find his neck in a hangman's noose Washington knew the sting of defeat at Brandywine at Germantown yet this unwavering leadership and his vision for a new and independent nation emboldened an army prepared to fight barefoot if necessary to win that independence Wrote an officer after the Battle of Princeton I saw him brave all the dangers of the field and his important life hanging as it were by a single hair with a thousand deaths flying around him Among America's pantheon of Founding Fathers one man to this day stands out Author Paul Vickery tracks the unlikely rise of Washington a man whose stature in command of a young army became prelude to a presidency As Vickery writes He learned to become the father of our country by first being the father of our military
