rocked the film industry in 1922 movie moguls hired Will Hays to clear the image of movies Hays tried a variety of ways to regulate movies before adopting what became known as the production code Written in 1930 by a St Louis priest the code stipulated that movies stress proper behaviour respect for government and Christian values The Catholic Church reinforced these efforts by launching its Legion of Decency in 1934 Intended to force Hays and Hollywood to censor films the Legion of Decency engineered the appointment of Joseph Breen as head of the Production Code Administration For the next three decades Breen Hays and the Catholic Legion of Decency virtually controlled the content of all Hollywood films

Gunmen and Gangsters Michael Schlossheimer,2018-08-03 Gangsters such as Al Capone and Lucky Luciano were considered by many people to be the most exciting personalities of the 1920s and 1930s The public was hungry for press coverage about these mysterious and dangerous men Most reports about them were sketchy as the reporters did not want to get on the bad side of the racket bosses Hollywood s response to the public s fascination was to portray the lives of gangsters on the movie screen using actors such as Humphrey Bogart James Cagney and Edward G Robinson Perhaps surprisingly these men received not so favorable reviews from the Academy Award voters and as their popularity grew with the public censorship dictated other actors be brought in to play the roles That s what this book is about the personal and professional lives of William Bendix Charles Bickford Ward Bond Broderick Crawford Brian Donlevy Paul Douglas William Gargan Barton MacLane and Lloyd Nolan second string actors who replaced the big names and did a memorable job A filmography is supplied for each actor

Gloria Swanson Stephen Michael Shearer,2013-08-27 The first in depth biography of film legend Gloria Swanson whose unforgettable role in *Sunset Boulevard* overshadowed her true life Swanson

was Hollywood's first successful glamour queen and took control of her own career while tantalizing many men along the way **Bing Crosby** Gary Giddins, 2009-11-11 From Bing Crosby's early days in college minstrel shows and vaudeville to his first hit recordings from his 11 year triumph as star of America's most popular radio show to his first success in Hollywood Gary Giddins provides a detailed study of the rise of this American star **Close-up on Sunset Boulevard** Sam Staggs, 2003-02-04 Billy Wilder's *Sunset Boulevard* a classic film noir and also a damning dissection of the Hollywood dream factory evokes the glamour and ruin of the stars who subsist on that dream It's also one long in joke about the movie industry and those who made it great and who were in turn destroyed by it One of the most critically admired films of the twentieth century *Sunset Boulevard* is also famous as silent star Gloria Swanson's comeback picture Sam Staggs's *Close Up On Sunset Boulevard* tells the story of this extravagant work from the writing casting and filming to the disastrous previews that made Paramount consider shelving it It's about the writing team of Billy Wilder and Charles Brackett sardonically called the happiest couple in Hollywood and their raucous professional relationship It's about the art direction and the sets the costumes the props the lights and the cameras and the personalities who used those tools to create a cinematic work of art Staggs goes behind the scenes to reveal William Holden endlessly attacked by his bitter wife and already drinking too much Nancy Olson the cheerful ingenue who had never heard of the great Gloria Swanson the dark genius Erich von Stroheim the once famous but long forgotten Waxworks and of course Swanson herself who just like Norma Desmond had once been the greatest star of them all But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950 There's much more and Staggs layers this stylish book with fascinating detail following the actors and Wilder into their post *Sunset* careers and revealing Gloria Swanson's never ending struggle to free herself from the clutches of Norma Desmond *Close Up On Sunset Boulevard* also chronicles the making of Andrew Lloyd Webber's musical production of *Sunset Boulevard* and the explosive diva controversies that dogged it The book ends with a shocking example of Hollywood life imitating Hollywood art By the last page of this rich narrative readers will conclude We are those wonderful people out there in the dark ***The Classical Hollywood Cinema*** David Bordwell, Janet Staiger, Kristin Thompson, 2003-09-02 A dense challenging and important book Philip French Observer At the very least this blockbuster is probably the best single volume history of Hollywood we're likely to get for a very long time Paul Kerr City Limits Persuasively argued the book is also packed with facts figures and photographs Nigel Andrews Financial Times Acclaimed for their breakthrough approach Bordwell Staiger and Thompson analyze the basic conditions of American film making as a historical institution and consider to what extent Hollywood film production constitutes a systematic enterprise in both its style and its business operations Despite differences of director genre or studio most Hollywood films operate within a set of shared assumptions about how a film should look and sound Such assumptions are neither natural nor inevitable but because classical style films have been the type most widely seen they have come to be accepted as the norm of film making and viewing The authors show how these

classical conventions were formulated and standardized and how they responded to the arrival of sound colour widescreen ratios and stereophonic sound They argue that each new technological development has served a function within an existing narrational system The authors also examine how the Hollywood cinema standardized the film making process itself They describe how over the course of its history Hollywood developed distinct modes of production in a constant search for maximum efficiency predictability and novelty Set apart by its combination of theoretical analysis and empirical evidence this book is the standard work on the classical Hollywood cinema style of film making from the silent era to the 1960s Now available in paperback it is a must for film students lecturers and all those seriously interested in the development of the film industry

In a Lonely Street Frank Krutnik,2006-10-19 Taking issue with many orthodox views of Film Noir Frank Krutnik argues for a reorientation of this compulsively engaging area of Hollywood cultural production Krutnik recasts the films within a generic framework and draws on recent historical and theoretical research to examine both the diversity of film noir and its significance within American popular culture of the 1940s He considers classical Hollywood cinema debates on genre and the history of the emergence of character in film noir focusing on the hard boiled crime fiction of Dashiell Hammett Raymond Chandler and James M Cain as well as the popularisation of Freudian psychoanalysis and the social and cultural upheavals of the 1940s The core of this book however concerns the complex representation of masculinity in the noir tough thriller and where and how gender interlocks with questions of genre Analysing in detail major thrillers like *The Maltese Falcon* *Double Indemnity* *Out of the Past* and *The Killers* alongside lesser known but nonetheless crucial films as *Stranger on the Third Floor* *Pitfall* and *Dead Reckoning* Krutnik has produced a provocative and highly readable study of one of Hollywood most perennially fascinating groups of films
