Changing the Game John O'Sullivan, 2020-12-31 A powerful guide for both parents and coaches who want kids to have fun enjoyable and meaningful youth sporting experiences I highly recommend it John Ballantine president and co founder Kids in the Game The modern day youth sports environment has taken the enjoyment out of athletics for our children Currently 70%

of kids drop out of organized sports by the age of thirteen which has given rise to a generation of overweight unhealthy young adults There is a solution John O Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses scholarships and professional aspirations Changing the Game gives adults a new paradigm and a game plan for raising happy high performing children and provides a national call to action to return youth sports to our kids Changing the Game is well a game changer It explores in both depth and breadth the youth sports experience its blood sweat and tears Any parent who wants their children to gain the physical psychological emotional and social benefits of what sport has to offer and isn't that every parent better read this book It will make you a better sports parent and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports James Taylor Ph D author of Positive Pushing How to Raise a Successful and Happy Child *Warrior Parent Playbook* Javelin M Guidry, 2020-12-15

*Pathway to the Big Picture* John Blankenship,2015-09-10 The Pathway to the Big Picture is a concept encouraging parents to use sports as a means to develop deeper relationships with their children Sports is a microcosm of life that presents many opportunities to help kids develop essential life skills This book challenges parents to consider the end result of parenting their children Without a game plan sports can become divisive to the parent child relationship However following the pathway to the big picture allows you to avoid pitfalls and stumbling blocks that might prevent you from completing that journey with your children Implementing these time tested traits will move you forward along the pathway of the big picture and will allow sports to enhance the family relationship **The Total Sports Experience for Kids** Aubrey H. Fine,Michael L. Sachs,1997-05-01 This book explores the true meaning of achievement in sports having fun developing athletic and social skills and nurturing a healthy positive sense of self esteem Drs Fine and Sachs offer practical research based advice that is bound to enrich the sports experience as well as life outside of sports for both children and adults **A Parent's Guide for Building Winners Through Athletics** Barry Patterson,2019-02-16 Being the parent of an athlete is an extremely important role one that will require many tough decisions As a parent you don t want to make mistakes and learn as you go when your child s experiences are at stake There are more kids participating in youth athletics than ever before but unfortunately the retention rate is not good Statistics show that over 70% of the athletes will quit by the age of 13 As a parent it is very important that you are part of the solution and not the problem There is no doubt parents love their children very much and want what is best for them Unfortunately there are a lot of good parents that are making very poor decisions when it comes to their children s athletic experiences The information in this book is presented in an order from youth athletics through high school This guide will give you some valuable insight on how you can help your children reap the many benefits that athletics has to offer such as confidence teamwork composure goal setting mental toughness and many more The objective of each athletic experience should be to become a winner by being involved in athletics Obviously that doesn t mean each athlete is going to win in all their athletic endeavors but by providing a positive athletic support system it can be an experience that gives them the qualities that enable them to win in life A parent s guide for Building Winners through athletics is designed to help parents aid their young athletes in reaching their full potential on and off the playing field Does your child have a desire to participate in college athletics The book provides valuable information for parents whose athletes have an opportunity and desire to continue their education and athletic career in college The book provides detailed

information on what college coaches are looking for in potential athletes the numbers of scholarships that each sport has to offer and the different kinds of scholarships offered As well as the academic requirements of the student athletes to be accepted by each of the following divisions NCAA Division I NCAA Division II NAIA and NJCAA Obviously by following the advice of this book it will not guarantee your child a college scholarship However I am confident that by following the advice of this this book it will greatly increase the odds of your child having a positive athletic experience learning life lessons along the way and increasing your child s chances of reaching his her full potential      **Coaching the Dream** Deborah H

Johnson,Shannah Hogue,Austin Owens,2013-12-04 Coaching the Dream is a must read for any parent who is supporting and nurturing their child on their journey to becoming a successful athlete at any level Parenting is hard work and often parents are developing their playbook as they go along Unfortunately parents don t know what they don t know and simply loving on your child is not enough to navigate the intricate and sometimes confusing world of athletics This book is written by Deborah Johnson a mom who has raised three successful athletes two with D 1 scholarships and one in the NFL She has this to say about sports In my mind sports provide opportunities to challenge ourselves and achieve great things opportunities that we cannot find in any other arena Most importantly the lessons we learn in the world of athletics are some of the most easily applied to our everyday lives making us not just good athletes but better human beings Deborah helps parents to understand that no one should care more about their children more than they do She is a sports parent advocate and clearly makes a compelling argument why every parent should see themselves as an advocate for their children s dreams and well being Parents have a role to play in whether or not their child will be able to reach their dreams They need to be ready to steer their child through the sand traps detours successes and failures of following their dream Parents will need a plan a dream team priorities and a whole lot of patience In this book Deborah guides parents through her process that led to huge successes for her children and shows parents how to formulate a plan that will work for their children      [Benchwarmer to](#)
