The Paris Sketch Book by William Makepeace Thackeray SIR It becomes every man in his station to acknowledge and praise virtue wheresoever he may find it and to point it out for the admiration and example of his fellow men Some months since when you presented to the writer of these pages a small account for coats and pantaloons manufactured by you and when you were met by a statement from your creditor that an immediate settlement of your bill would be extremely inconvenient to him your reply was Mon Dieu Sir let not that annoy you if you want money as a gentleman often does in a strange country I have a thousand franc note at my house which is quite at your service We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience      **The Paris Sketch**
