The Soviet Partisan Movement, 1941-1944 Leonid D. Grenkevich, 2013-01-11 Partisans and terrorists have dominated military history during the second half of the 20th century Leonid Grenkevich offers an account of the shadowy partisan struggle that accompanied the Soviet Union s Great Patriotic War 1941 1945

The Partisans of Europe in the Second World War Kenneth Macksey, 1975 **Jewish Partisans of the Soviet Union during World War II** Jack Nusan

Porter, 2021-08-31 Jewish Partisans of the Soviet Union is a classic compilation of original Russian and Jewish sources on the anti Nazi resistance in Eastern Europe It is rooted in decades of research motivated by a desire to set the record straight on Jewish participation in resistance movements a phenomenon often overlooked when not actively concealed As the son of Jewish partisans in Nazi occupied Eastern Europe Jack Porter presents here the result of his decades long research first hand accounts and interviews with survivors and partisans as well as some of their original work and a seminal English translation of Partisan Brotherhood a historical document gathered by Russian Jewish intellectuals in 1948 at the height of anti Semitic hysteria written mainly by non Jewish Soviet partisan commanders recounting the deeds of the Jewish fighters in their units

Hitler's War Against the Partisans During Operation Barbarossa Antonio J Muñoz, 2025-04-28 From the start of the war on the Eastern Front Hitler s Ostheer his Eastern Army would wage a vernichtungskrieg or war of annihilation in the East Never before had such a wide reaching campaign been fought Preparations for Germany s invasion of the Soviet Union had included the drawing up of plans and allocation of resources to secure the newly conquered territories These plans included the premeditated murder of many innocent civilians Adolf Hitler said as much when in July 1941 shortly after Stalin ordered

the formation of partisans he told his Army High Command This partisan war has some advantage for us it enables us to eradicate everyone who opposes us Anticipating resistance to Nazi occupation and rule Hitler instructed the Ostheer to act ruthlessly not only on the front lines but in the rear areas as well When in July 1941 Stalin ordered partisan forces to be created the stage was therefore set for the largest and most savage conflict ever waged between a modern military force and a guerrilla army The scale of the partisan and anti partisan war on the Eastern Front was as costly and bitterly fought as the struggle on the front lines themselves Employing thousands of primary source documents and scouring eight separate state archives in six countries over a twenty two year period Antonio J Mu oz has produced what can be described as a definitive account of this part of the war behind the front lines in the East during the invasion of the Soviet Union From the very beginning the Nazis fought this war ruthlessly by eliminating not only actual guerrillas but a good portion of the civilian population Employing dozens of wartime anti partisan operational instructions plus newly created detailed battle maps and full orders of battle Dr Mu oz brings this little known conflict behind the lines into focus for the very first time The war behind the lines is detailed by district This includes the Reichskommissariat Ostland region which comprised the Generalbezirk Estland Estonia Generalbezirk Lettland Latvia Generalbezirk Litauen Lithuania Generalbezirk Bialystok Northeastern Poland and Generalbezirk Wei ruthenien Belarus The book also covers the guerrilla and anti partisan war in the Reichskommissariat Ukraine Ukraine region as well as in north central and southern Russia For Russia proper anti partisan operations against the guerrillas are broken down by army group area Not only are the operations described but the reader will also learn about guerrilla attacks and how the entire partisan movement grew from year to year and region to region Hitler s War Against the Partisans During Operation Barbarossa documents the whole of the beginning of the savage partisan war between June 1941 and the spring of 1942 Never before has every major and some minor anti guerrilla operation been described in such detail

Jewish Child Soldiers in the Bloodlands of Europe David M. Rosen, 2022-03-03 This book is about the experiences of Jewish children who were members of armed partisan groups in Eastern Europe during World War II and the Holocaust It describes and analyze the role of children as activists agents and decision makers in a situation of extraordinary danger and stress The children in this book were hunted like prey and ran for their lives They survived by fleeing into the forest and swamps of Eastern Europe and joining anti German partisan groups The vast majority of these children were teenagers between ages 11 and 18 although some were younger They were by any definition child soldiers and that is the reason they lived to tell their tales The book will be of interest to general and academic audiences There is also great interest in children and childhood across disciplines of history and the social sciences It is likely to spark considerable debate and interest since its argument runs counter to the generally accepted wisdom that child soldiers must first and foremost be seen as victims of their recruiters The argument of this book is that time place and context play a key role in our understanding of children s involvement in war and that in some contexts children under arms must be seen as exercising an

inherent right of self defense *Civil War in Europe, 1905-1949* Stanley G. Payne, 2011-09-19 This is the first account in any language of the civil wars in Europe during the era of the world wars from 1905 to 1949 It treats the initial confrontations in the decade before World War I the confusing concept of European civil war the impact of the world wars the relation between revolution and civil war and all the individual cases of civil war with special attention to Russia and Spain The civil wars of this era are compared and contrasted with earlier internal conflicts with particular attention to the factors that made this era a time of unusually violent domestic contests as well as those that brought it to an end The major political ideological and social influences are all treated with a special focus on violence against civilians **Britain and European**

Resistance, 1940-45 David Stafford, 1983-06-18 **The Legacies of the Romani Genocide in Europe since 1945** Celia Donert, Eve Rosenhaft, 2021-12-27 This book explores the legacies of the genocide of Roma in Europe after the end of the Second World War Hundreds of thousands of people labelled as Gypsies were persecuted or killed in Nazi Germany and across occupied Europe between 1933 and 1945 In many places discrimination continued after the war was over The chapters in this volume ask how these experiences shaped the lives of Romani survivors and their families in eastern and western Europe since 1945 This book will appeal to researchers and students in Modern European History Romani Studies and the history of genocide and the Holocaust **Justice and Memory After Dictatorship** Raluca Groseanu, 2024 Justice

While the Big Three and their continental Allies fought against Nazi Germany another war was under way on the continent the war to shape the political landscape of post war Europe In the Balkans the war overlapped with political and ethnic conflicts engulfing the region in bloody civil wars In Central and Eastern Europe partisan movements engaged the Germans without losing sight of the danger posed by the arrival of the Red Army In France and in Italy the adoption of the slogans of national liberation provided the communist parties with a formidable democratic legitimacy which established them as key players in the political lives of their countries The British and the Americans worked to stir up support control and direct these resistance groups London created the Special Operations Executive SOE and Washington the Office of Strategic Services OSS both of whom sent agents into occupied Europe to liaise directly with the guerilla groups Through the Comintern Moscow carefully coordinated the actions of the European communist parties with the foreign policy of the Soviet Union which was acting for the first time as a key player in the arena of international relations The forests and the mountains where the partisans were fighting the Germans soon became a major part of the proxy war that the Big Three waged to shift the post war geopolitical balance in their favour Looking for the first time at the Big Three in a comparative study and spanning Europe from Yugoslavia to Poland from Greece to France and Italy this book vividly depicts and sharply analyses how this proxy war shaped the history of the post war settlement In so doing Piffer deftly connects high political histories with history from below making the book important reading for all those interested in the history of the war and cold war communism and Resistance and diplomacy and intelligence Women and Partisan Art Elena Messner, Cristina

Beretta, Goran Lazić, Markus Gönitzer, 2025-10-31 The resistance by partisan women in Yugoslavia and Carinthia Austria and particularly their artistic production have not been acknowledged in the historical accounts of World War II Their art was both a form of resistance and a culturally subversive practice ranging from avant garde aesthetics to traditional forms of folk

art and handicraft The cultural production by and subsequently about the Yugoslav and Carinthian women partisans includes literature visual arts film photography comics textiles press theater dance and monument architecture The contributors to this volume present this groundbreaking research to mark eighty years since the victory over Nazism and fascism in Europe

Special Bibliographic Series US Army Military History Research Collection,1978 **Reader's Guide to Military**

History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations A Fascist Decade of War Marco Maria Aterrano,Karine Varley,2020-05-04 From the invasion of Ethiopia in 1935 through to the waning months of the World War II in 1945 Fascist Italy was at war This Fascist decade of war comprised an uninterrupted stretch of military and political engagements in which Italian military forces were involved in Abyssinia Spain Albania France Greece the Soviet Union North Africa and the Middle East As a junior partner to Nazi Germany only entering the war in June 1940 Italy is often seen as a relatively minor player in World War II However this book challenges much of the existing scholarship by arguing that Fascist Italy played a significant and distinct role in shaping international relations between 1935 and 1945 creating a Fascist decade of war *Croatia and the European Union* Pero Maldini,Davor Paukovi?,2016-03-09 The accession of Croatia to the EU marked the end of a long and arduous period of transition Croatia had to meet significantly higher criteria than previous states with suspicion and concerns among existing members about further enlargement increasing Meanwhile initially strong public support in Croatia declined as inconsistencies in EU policy entry criteria and problems caused by the economic crisis all combined with fears about the loss of national identity and the ability to realize national interests The successful Croatian accession to the EU in 2013 shows that despite concerns on both sides the EU continues to have meaning and significance and that membership remains highly desirable Through nine mutually interrelated chapters the contributors speak not only about the political and social situation in Croatia but also prospects for the European Union itself Partisans in Yugoslavia Miranda Jakisa,Nikica Gilic,2015-03-15 The ubiquitous Partisan narrative in Yugoslavia served well as founding myth of its newly united people Its retrospective deconstruction has absorbed most of the academic attention for the Yugoslav Partisans since the break up This edition in contrast looks into the hybrid nature of partisanship itself as it appears in film art and literature It explores the Partisans in Yugoslavia in Partisan novels films and songs analyzes the still ongoing transformation process of the Partisan narrative and reviews its transitions into popular visual culture
