neighbors for Christ you would then have treasures and eternal gratefulness from all those who came to Christ because of your witness You have a choice Live for and amass a little money here on the earth which evaporates when you die Or live for and seek to get others saved and safe in Christ and see them for an eternity in heaven when you die an eternally precious desire that God seeks and desires

The Passion for Souls (Classic Reprint) John Henry Jowett, 2015-07-09 Excerpt from The Passion for Souls Unto me who am less than the least of all saints was this grace given to preach unto the Gentiles the unsearchable riches of Christ Eph 3 8 Mark how the apostle describes the evangel the unsearchable riches of Christ It suggests the figure of a man standing with uplifted hands in a posture of great amazement before continuous revelations of immeasurable and unspeakable glory In whatever way he turns the splendour confronts him It is not a single highway of enrichment There are side ways byways turnings here and there labyrinthine paths and recesses and all of them abounding in unsuspected jewels of grace It is as if a miner working away at the primary vein of ore should continually discover equally precious veins stretching out on every side and overwhelming him in rich embarrassment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Passion for Souls John Henry Jowett, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1905 edition Excerpt VI THE DISCIPLE S REST Come unto Me all ye that labour and are heavy laden and I will give you rest Take My yoke upon you and learn of Me for I am meek and lowly in heart and ye shall find rest unto your souls Matt I I 28 29 I Will give you rest Give This kind of rest is always a gift it is never earned It is not the emolument of toil it is the dowry of grace It is not the prize of endeavour its birth precedes endeavour and is indeed the spring and secret of it It is not the perquisite of culture for between it and culture there is no necessary and inevitable communion It broods in strange and illiterate places untouched by scholastic and academic refinement but it abides also in cultured souls which have been chastened by the manifold ministry of the schools It is not a work but a fruit 94 not the product of organization but the sure and silent issue of a relationship Come unto Me and I will give you rest But even the gift of rest does not disclose its unutterable contents in a day It is an immediate gift but it is also a continuous discovery Learn of Me and ye shall find rest Part of the things which God hath prepared for them that love Him lie in this wealthy gift of rest and it is one of the frequent and delightful surprises of grace that we should repeatedly come upon new and unexpected veins of ore in this deep mine of the peace of God which passeth all understanding I say that the rest of the Lord is an immediate gift and a perpetual

discovery Come unto Me and I will give you rest Learn of Me and ye shall find rest unto your souls And so I am to speak to you of the riches of the Christian rest Do you feel it to be an irrelevant note an inappropriate **The Watchword** ,1909

The Passion of Infinity Daniel Greenspan,2008-11-03 The Passion of Infinity generates a historical narrative surrounding the concept of the irrational as a threat which rational culture has made a series of attempts to understand and relieve It begins with a reading of Sophocles Oedipus as the paradigmatic figure of a reason that having transgressed its mortal limit becomes catastrophically reversed It then moves through Aristotle s ethics psychology and theory of tragedy which redefine reason s collapses in moral psychological rather than religious terms By changing the way in which the irrational is conceived and the nature of its relation to reason Aristotle eliminates the concept of an irrationality which reason cannot in principle dissolve The book culminates in an extensive reading of Kierkegaard s pseudonyms who in a critical retrieval of both Greek tragedy and Aristotle prescribe their apparently pathological age a paradoxical task develop a finite form of subjectivity willing to undergo an unthinkable thought allow the transcendence of a god to enter into the mind as well as the marrow to make a tragic appearance in which a limit to the immanence of human reason can again be established
