The Passionate Enemies:

The Passionate Enemies Jean Plaidy, 1976 Based on the lives of Stephen and Matilda *Passionate Enemies* Kathryn Cranmer, 1982-01-01 The Passionate Jesus Peter Wallace, Peter M. Wallace, 2012 A fresh and moving portrait of Jesus as a model for how to live more authentic honest and meaningful lives by fully experiencing our emotions in the love of God Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved present connected honest and direct with others He was one who was deeply moved as the writer of John's gospel put it one who knew and embodied the emotions he felt and expressed them in honest clear and life giving ways Through Wallace's deeply personal insights and compelling stories and examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God *Passionate Enemies* Sonia Deane, 1994-01-01 The Passionate Journey Marty A. Bullis, 2011-08-31 Society tells us we have the power and where with all to make it on our own The Passionate Journey runs counter to these voices of self sufficiency with a thoughtful collection of 47 Lenten devotions leading up to the most sacred time of the year Easter Through guided reflection Scripture reading journaling silence and prayer we are drawn into the peace that is generated by solitude and prompted to reorganize our priorities slow down and appreciate the ultimate sacrifice made by Christ on our behalf These well crafted devotional readings are divided into four 10 day sections with a special portion for Holy Week especially designed to help readers attend to Jesus's sacrifice and apply the message of the Passion to their life Additional helps are included in the appendix to help adapt the readings for small group or family devotions Even Christians whose faith traditions don't ordinarily include Lenten devotions will find these reflections a welcome retreat and will help connect their lives to Jesus's sacrificial story **Premodern Rulers and Postmodern Viewers** Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we

navigate today *Virtuous or Villainess? The Image of the Royal Mother from the Early Medieval to the Early Modern Era* Carey Fleiner, Elena Woodacre, 2016-07-14 This collection addresses royal motherhood across Europe from both the medieval and Early Modern periods including in famous and not so famous royal mothers The essays in this collection reveal the complexities and the subtleties inherent in the role of royal mothers and challenges these traditional stereotypes The volume provides a fresh re evaluation of these women from those who have been given an almost saintly status to those who struggled against contemporary chronicles and propaganda that perpetuated the stereotypes associated with bad mothers these particular images of saintliness and wickedness have persisted right into the modern era This series of intriguing case studies reveals how royal mothers were perceived by their contemporaries and explores the motivation for the ways in which they are depicted in modern popular culture Taken together with the companion volume *Royal Mothers and their Ruling Children* this collection sheds new light on the important and challenging role of mothers within the framework of monarchy and at the epicenter of power

The One Year Experiencing God's Presence Devotional Chris Tiegreen, 2022-10 This year experience a closer relationship with God than ever before All of us long for God s presence and we sense it occasionally But there are times when it seems like something s missing deep encounters with him certainty that we have heard his voice and a palpable experience of his presence every day Like no other writer can Chris Tiegreen draws us deeper into real intimacy with our intensely relational God This deluxe LeatherLike edition of *The One Year Experiencing God s Presence Devotional* will cultivate your sense of God s presence in your life help you learn to recognize his voice and deepen your trust that he is always ready to help Psalm 46 1 NLT in every situation

The Sixth Wife Jean Plaidy, 2009-02-04 Dangerous court intrigue and affairs of the heart collide as renowned novelist Jean Plaidy tells the story of Katherine Parr the last of Henry VIII s six queens Henry VIII s fifth wife Katherine Howard was both foolish and unfaithful and she paid for it with her life Henry vowed that his sixth wife would be different and she was Katherine Parr was twice widowed and thirty one years old A thoughtful well read lady she was known at court for her unblemished reputation and her kind heart She had hoped to marry for love and had set her heart on Thomas Seymour the dashing brother of Henry s third queen But the aging king more in need of a nurse than a wife was drawn to her and Katherine could not refuse his proposal of marriage Queen Katherine was able to soothe the King s notorious temper and his three children grew fond of her the only mother they had ever really known Trapped in a loveless marriage to a volatile tyrant books were Katherine s consolation But among her intellectual pursuits was an interest in Lutheranism a religion that the king saw as a threat to his supremacy as head of the new Church of England Courtiers envious of the Queen s influence over Henry sought to destroy her by linking her with the radical religious reformers Henry raged that Katherine had betrayed him and had a warrant drawn up for her arrest and imprisonment At court it was whispered that the king would soon execute yet another wife Henry s sixth wife would have to

rely on her wits to survive where two other women had perished
