The Passionate God:

The Passionate God Rosemary Haughton, 1981 **The Passionate Jesus** Peter Wallace, Peter M. Wallace, 2012 A fresh and moving portrait of Jesus as a model for how to live more authentic honest and meaningful lives by fully experiencing our emotions in the love of God Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved present connected honest and direct with others He was one who was deeply moved as the writer of John's gospel put it one who knew and embodied the emotions he felt and expressed them in honest clear and life giving ways Through Wallace's deeply personal insights and compelling stories and examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God **Rosemary Haughton** Eilish Ryan, 1997 Familiar with the ordinary stuff of life teething babies family crises and elderly parents Haughton applied her understanding of the Gospel to her life in the Church and the world unique spirituality for everyone *The Christology of "The Passionate God"* by Rosemary Haughton Barbara Hutchinson (F.M.M.), 1991 **Spiritual Adultery and the Passionate Love of God** Shirley Ewing, 2013-09-03 Spiritual Adultery leading Bible Studies Support Groups and Prayer Groups Financial Aid Counselor for a western Colorado college Owned and operated Welcome House a Christian Bookstore Ewing has a B.S. Degree in Child Development and an M.S. Degree in Guidance and Counseling She lives on the Western Slope of Colorado with her husband of more than 20 years **The Passionate Bride** Alan Davey, Elizabeth Davey, 2019-03-25 St Paul's Letter to the Ephesians is a bold declaration of love We were in the ruminations of Abba before the stardust formed into galaxies and the earth coalesced into its present shape Indeed Abba's dream for his people already existed in those primordial days Today we have the opportunity to wake up and embrace his dream with enthusiasm and intentionality As members of his church individually and collectively we want to embrace God's desire for a dynamic people infused with his passionate love The church as the bride of Christ is a powerful metaphor engaging the apostle as he writes his letter Paul's passion becomes ours as we meditate on his words which evoke spiritual desire It is in this relationship of love that the central purpose of our lives is found As we gratefully receive Christ's amity and as his bride returns it so the entire earth is enflamed with the fires of his love At the same time we recognize it is a mystery this love between Abba and his church When we receive and reflect Christ's overtures of love as a community of faith a synergy is created and released through the interconnectedness of our gifts talents and zeal The church contains the spiritual energy of a nuclear explosion and when it detonates it releases a fallout of love mercy and compassion bringing healing to the world and drawing others to

the divine presence **Passionate Spirituality** Elizabeth Dreyer, 2005 *Passionate Spirituality* explores the roots and meanings of passion in Western culture and then examines how passion is expressed in the works of two medieval women mystics Hildegard of Bingen and Hadewijch of Brabant and in the lives of contemporary Christians seeking to deepen their own spiritual journeys Too often the term passion is associated only with steamy films sexual sin and emotional excess cutting off the breadth of its meaning and expression for positive good But the great mystics succeed precisely because they hold together both the affective and the intellectual aspects of the spiritual life in creative and convincing ways Their accounts of their mystical experience are important resources for information and understanding about how to talk about God more formally and for what it means to be passionately in love with God and the world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Passionate Armor** Vincent Wisniewski, 2012-05-22 *Paul, the Passionate Scholar* John D. original book focusing on the individual is now extended to social and philosophical spheres and global challenges exploring how the world's life threatening dramas are largely a function of people's genetic and cultural conditioning worldviews beliefs and values Kramer and Alstad assert that humanity is on an evolutionary cusp requiring further awareness and conscious social evolution Worldviews can create rigid beliefs and narrow identities that are destructive in a world of global impact While acknowledging the fallibility of any mental construction the book offers an evolutionary worldview deemed more likely than traditional worldviews or scientific materialism In exploring what it is to be a human social animal *The Passionate Mind Revisited* offers fresh vantage points on life's core issues the nature of thought authority and belief pleasure and pain desire and fear identity love and care freedom power gender time meditation violence and evolution By demonstrating how to inwardly see and break through one's conditioning the authors delve deeply into the nature and processes of the mind including how subjectivity filters perception This approach to self inquiry can help free people from mechanical responses that develop from unexamined beliefs and habits Dysfunctional worldviews and their values inhibit the creative solutions much needed in a perilous world of runaway change This book through its discussion and methodology fosters curiosity and truth seeking Kramer and Alstad offer new insights on personal and global issues that can facilitate a necessary shift to conscious social evolution

PhD Ulmer, 2013-02-22 Many people envision God as a strict father figure stern detached exacting and vengeful lacking feelings and emotions Yet once we come to understand that God actually expresses a wide range of passion we will relate to Him on a much more human level and start seeing Him for who He really is In *Passionate God* Kenneth Ulmer helps us understand and appreciate the humanity of God as expressed through His emotions joy sympathy grief care laughter jealousy humor anger and of course love This book will change the way people view and relate to God because it reveals a Creator intimately involved with His beloved creation and is more like us than we ever imagined **The Passionate Heart** Dame Mary Cameron Gilmore, Mary Gilmore, 1918 *Suspended God* Maeve Louise Heaney, 2022-03-24 Heaney traces the hidden history of music s presence in Christian thought including its often unrecognized influence on key figures such as von Balthasar Barth and Bonhoeffer She uses Lonergan s theological framework to explore musical composition as a theological act showing why when and how music is a useful symbolic form The book introduces eleven ground breaking theologians and each chapter offers an entry point into the thought of the theologian being presented through an original piece of music which can be found on the companion website <https://bloomsbury.pub/suspendedgod> Heaney argues that music is a universally important means of making sense of life with which theology needs to engage as a means of expression and of development Musical composition is presented as an

appropriate and even necessary form of doing theology in its quest to engage with the past mediate truth to the present and tradition it into the future **The Passionate Friends** Herbert George Wells, 1913 *Forgiveness, the Passionate Journey* Flora Slosson Wuellner, 2001-08-01 Why does forgiveness so central in Jesus life and teaching seem much more difficult today Why are we so often told we should forgive but so seldom shown the steps toward forgiveness Forgiveness is a perilous and volatile subject because it is so deeply intertwined with our communal and individual wounds Flora Wuellner writes in the introduction She explores how Jesus Beatitudes promise us release from these wounds You are invited to begin your journey to forgiveness with these hope filled meditations on each of the Beatitudes Whether you have deep wounds or are worn down by a multitude of seemingly small grievances let Wuellner s unique insights into the Beatitudes introduce you to the renewed and healed life Jesus offers Each of the 11 chapters includes a guided meditation to help you bring the truth of Jesus words into your own life Discover an open door to new healed ways of relating to God others yourself the communities around you and future generations
