The Pastor In A Teaching Church:

The Pastor in a Teaching Church David M. Evans, 1983 The Teaching Ministry of the Church William Yount, 2008-08-15 Updated and expanded the second edition of *The Teaching Ministry of the Church* offers churches a step by step plan for establishing and maintaining effective teaching methods for every age *Jesus the Pastor* John W. Frye, 2010-08-03 A personal and practical guide to help pastors find Jesus as their mentor For decades Paul has been the model for today's pastors But Pastor John Frye says we must instead look to Jesus as our model While we may lift Christ up as Savior as we bow down to him as Lord as we marvel at his offices of Prophet Priest and King as we walk with him as Friend we seem to ignore him as the supreme Senior Pastor Sharing thought provoking biblical insights and personal experiences Frye calls other pastors to become apprentices to Jesus himself He is the One who invites pastors to watch him in action and draw close so he can shape who they are and how they fulfill their ministry Why have pastors and churches not been driven to Jesus as the central and controlling focus for the pastoral vocation and ministry in the local church He's been relegated to other dimensions of Christian and local church experience Jesus is shoved into our shadows as we read our management books do our cultural surveys attend our leadership seminars and applaud or criticize one another's endeavors John Frye in *Jesus the Pastor* *The Pastor in a Changing Society* Zawadi Job Kinyamagoha, 2014-10-07 This book examines how social change affects the role of the pastor in an African context Through field study in African churches author Zawadi Job Kinyamagoha explores how pastors work amid the tensions of rapid social change and suggests how pastors can constructively respond to social change by using it as an opportunity in their pastoral ministry Contemporary society is characterized by three cultural spheres the economic sphere the public sphere and the democratic or self governance rule the realities of which many pastors seem to overlook Church authorities seem to adhere rigidly to strict principles and rules without accommodating the realities of society Conversely a changing society demands that pastors work with the reality at hand leaving pastors caught between two conflicting tensions the pressure from church authorities and from a changing social reality *The Pastor in a Changing Society* seeks to help Tanzanian and African pastors rethink existing doctrines and practices in order to better respond to the reality of a changing society Preaching and Teaching with Imagination Warren W. Wiersbe, 1997-02-01 No more dreary three point sermon outlines Wiersbe coaches preachers to creatively proclaim the living Word so hearers experience God's truth changing their lives **The Pastor As Church Leader and Educator** Herbert W. Byrne, 2006-10 On Pastoring H B Charles Jr, 2016-05-13 Ministry is harder than I thought it would be No pastor is ever fully prepared for the ministry For pastors just starting out those needing a little rebalancing or those growing tired in the trenches a handbook on the basics is a welcome relief In *On Pastoring* veteran pastor H B Charles gives 40 quick chapters on the practical aspects of pastoral ministry Covering the devotional life spiritual leadership and public ministry of the pastor he provides advice on topics like Avoiding pastoral risk factors Prioritizing your family Equipping and leading

leaders Caring for the sick and grieving Guarding your heart in the pulpit Conducting funerals and weddings Being a pastor means wearing many hats weathering lots of pressure and bearing great responsibility Let H B Charles be a trusted advisor as you do the hard work of shepherding a flock of God **Upstream Teaching in the Church** Thomas T. Shields Sr. D Min,2019-11-19 During my subsequent years as a pastor I discovered I was not alone in my awareness that teaching in the church can and should be proactive as well as a transformative aid The question is why are we so reluctant to acknowledge and employ it to help our hurting learners with this or some other equally effective method *The Pastor as Public Theologian* Kevin J. Vanhoozer,Owen Strachan,2015-08-11 Top Ministry Book of 2015 The Gospel Coalition TGC Editors Picks Many pastors today see themselves primarily as counselors leaders and motivators Yet this often comes at the expense of the fundamental reality of the pastorate as a theological office The most important role is to be a theologian mediating God to the people The church needs pastors who can contextualize biblical wisdom in Christian living to help their congregations think theologically about all aspects of their lives such as work end of life decisions political involvement and entertainment choices Drawing on the Bible key figures from church history and Christian theology this book offers a clarion call for pastors to serve as public theologians in their congregations and communities It is designed to be engaging reading for busy pastors and includes pastoral reflections on the theological task from twelve working pastors including Kevin DeYoung and Cornelius Plantinga *The Pastor-Evangelist in the Parish* Richard Stoll Armstrong,1990-01-01 Accomplished author Richard Stoll Armstrong speaks openly and honestly about how a pastor functions with evangelical sensitivity in the roles of visitor counselor teacher discipler administrator and public figure He describes the specific opportunities for evangelism in each of these functions Ways are suggested in which pastors can lead conversations and group or class meetings that open up opportunities for discussion of faith questions *The Christian Pastor and the Working Church* Washington Gladden,1902
