The Path to Freedom Garry Desmarais, Healing: the Path to Freedom Dr. Michael D. Winer, 2014-08-20 Praise for Healing The Path to Freedom What Michael has apparently discovered and teaches is that how we interact with

life moment by moment particularly our feeling experience is visibly at the core of everything From the broken things to the extraordinary things it is nowhere else but the place that no one thinks to look literally in ourselves The remarkable almost unique aspect of Michaels work is that everything he does and teaches points you back to the truth of your own tangible experience If you want to entertain the possibility of real change this can be an excellent place to do it If you seek to preserve your status quo well this may not be the place The work is not easy though it is simple and clear Its also not necessarily a quick fix though some experience rapid results Expect change and be prepared to see that life is not only what you thought it was In todays increasingly small world sticking ones head in the sand is becoming a less and less viable option as hiding places become hard to find Michaels work is all about strongly engaging life and finding the only reliable refuge your true self Marc Glassgold
