The Pbi Memoirs Of An Infantryman

Bertram Armitage

The Pbi Memoirs Of An Infantryman:

The Pbi (Memoirs of an Infantryman Charles Hanaway,2002-09-01

Schoolboy Soldier - 1914-1918 Memoir

Bertram Armitage,2018 An autobiographical account of an under age lad who managed to enlist in the British Army and fought in the First World War The book was developed later from the author s own contemporary field diaries and is ably illustrated with his own paintings His story is related candidly and with humour A good read

Monty's Men

John Buckley,2013-10-15 Historian John Buckley offers a radical reappraisal of Great Britain s fighting forces during World War Two challenging the common belief that the British Army was no match for the forces of Hitler s Germany Following Britain s military commanders and troops across the battlefields of Europe from D Day to VE Day from the Normandy beaches to Arnhem and the Rhine and ultimately to the Baltic Buckley s provocative history demonstrates that the British Army was more than a match for the vaunted Nazi war machine div DIVdivThis fascinating revisionist study of the campaign to liberate Northern Europe in the war s final years features a large cast of colorful unknowns and grand historical personages alike including Field Marshal Sir Bernard Montgomery and the prime minister Sir Winston Churchill By integrating detailed military history with personal accounts it evokes the vivid reality of men at war while putting long held misconceptions finally to rest DIV

The World War I Memoirs of Robert P. Patterson Gary J. Clifford,2012-02-07 This memoir illuminates key aspects of the war experience the enthusiasm for fighting tensions with officers tedium with regard to noncombatant work the variety of trench experiences the sharp learning curve that the army underwent on the ground and the confusing nature of combat for ground troops As the centennial of the war approaches this well annotated memoir that connects Patterson s individual experiences to the larger U S experience of the war will appeal to general readers and specialists alike Jennifer D Keene author of World War I The American Soldier Experience A journalist once called Under Secretary of War Robert P Patterson the toughest man in Washington for his fervid efforts in managing U S mobilization in World War II The World War I Memoirs of Robert P Patterson A Captain in the Great War recounts Patterson s own formative military experiences in the First World War Written in the years following the conflict this is a remarkable rendering of what it was like to be an infantry line officer during the so called Great War Patterson started his military career as a twenty seven year old barely trained captain in the American Expeditionary Forces A E F He was part of the 306th Infantry Regiment of New York s famous 77th Statue of Liberty Division from July to November 1918 In this detailed account Patterson describes in understated yet vivid prose just how raw and unprepared American soldiers were for the titanic battles on the Western Front Patterson downplays his near death experience in a fierce firefight that earned him and several of his men from Company F the Distinguished Service Cross His depiction of the brutal Meuse Argonne battle is haunting the drenching cold rains the omnipresent barbed wire deep fog filled ravines the sweet stench of mustard gas chattering German machine guns crashing artillery shells and even a rare hot meal to be savored Dealing with more than just combat Patterson writes of the friendships and camaraderie

among the officers and soldiers of different ethnic and class backgrounds who made up the melting pot division of the 77th He betrays little of the postwar disillusionment that afflicted some members of the Lost Generation Editor J Garry Clifford's introduction places Patterson and his actions in historical context and illuminates how Patterson applied lessons learned from the Great War to his later service as assistant secretary under secretary and secretary of war from 1940 to 1947 J Garry Clifford a professor of political science at the University of Connecticut is the coauthor of *America Ascendant American Foreign Relations since 1939* and *The First Peacetime Draft* as well as the coeditor of *Presidents Diplomats and Other Mortals* Edgar Wallace - Ultimate Collection: Crime Novels, Detective Stories, Historical Works & Memoirs Edgar

Wallace, 2023-12-29 Edgar Wallace Ultimate Collection Crime Novels Detective Stories Historical Works Memoirs is an indispensable compendium that showcases the prolific range of Wallace's literary prowess This collection encapsulates the essence of early 20th century crime fiction weaving intricate plots with richly drawn characters Wallace's signature blend of gripping suspense and sharp dialogue not only entertains but also reflects the social mores and anxieties of his time offering a nuanced exploration of morality justice and the human condition within the context of his varied narratives from detective thrillers to memoirs steeped in personal reflection Edgar Wallace 1875-1932 was a British author whose adventurous life and diverse experiences greatly influenced his writing Known for his roles as a journalist war correspondent and playwright Wallace immersed himself in the tumultuous events of his era This rich tapestry of life experiences lent authenticity to his portrayals of crime and detective work positioning him as a pioneer of the genre and contributing significantly to its development influencing iconic figures like Agatha Christie and Arthur Conan Doyle This ultimate collection is a must read for anyone intrigued by the foundations of crime literature Enthusiasts of detective stories and historical narratives alike will find themselves captivated by Wallace's inventive storytelling and vivid imagination making it a valuable addition to any literary collection **Finding Your Father's War** Jonathan Gawne, 2020-12-28 A guide to learning more about your

relative's experience serving in the U S Army during World War II In this fully revised edition of *Finding Your Father's War* military historian Jonathan Gawne has written an easily accessible handbook for anyone seeking greater knowledge of their relative's experience in World War II or indeed anyone seeking a better understanding of the U S Army during World War II With over 470 photographs charts and an engaging narrative with many rare insights into wartime service this book is an invaluable tool for understanding our citizen soldiers who once rose as a generation to fight the greatest war in American history Jonathan's Gawne's book is a 5 star blueprint well written and beautifully illustrated to deciphering a loved one's WW2 U S Army service *The Commander's Voice* A great read not only for genealogists wishing to research an ancestor but also for those who simply have an interest in the United States Army during World War II written so that anyone even those with no military background can understand yet also includes more advanced information detail is phenomenal a must read reference book for any professional genealogist or military historian APG Quarterly British Infantry Battalion

Commanders in the First World War Peter E. Hodgkinson, 2016-04-15 Recent studies of the British Army during the First World War have fundamentally overturned historical understandings of its strategy and tactics yet the chain of command that linked the upper echelons of GHQ to the soldiers in the trenches remains poorly understood In order to reconnect the lines of communication between the General Staff and the front line this book examines the British army's commanders at battalion level via four key questions i How and where resources were found from the small officer corps of 1914 to cope with the requirement for commanding officers COs in the expanding army ii What was the quality of the men who rose to command iii Beyond simple overall quality exactly what qualities were perceived as making an effective CO and iv To what extent a meritocracy developed in the British army by the Armistice Based upon a prosopographical analysis of a database over 4 000 officers who commanded infantry battalions during the war the book tackles one of the central historiographical issues pertaining to the war the qualities of the senior British officer In so doing it challenges lingering popular conceptions of callous incompetence as well more scholarly criticism that has derided the senior British officer but has done so without a data driven perspective Through his thorough statistical analysis Dr Peter Hodgkinson adds a valuable new perspective to the historical debate underway regarding the nature of British officers during the extraordinary expansion of the Army between 1914 and 1918 and the remarkable yet often forgotten British victories of The Hundred Days **Somme 1916**

Gerald Gliddon, 2009-11-20 Set out topographically it covers everything from the famous battle sites of High Wood and Mametz Wood to obscure villages on the outlying flanks The British first began to take the Somme sector over from the French Army in June 1915 From this time onwards they built up a very close bond with the local population many of whom continued to live in local villages close to the front line The author draws on the latest research and analysis as well as the testimony of those who took part to present all aspects of a battle that was to become a symbol of the horrors of the Great War General Mud; Memoirs of Two World Wars Eedson Louis Millard Burns, 1970 **Campaigning for Socialism:**

Memoirs of Max and Margaret Morris Margaret Morris, 2023-04-28 Equality of educational provision became one of the objectives of the Labour Party exactly a century ago Vigorous campaigning by the teachers trade unions and the Socialist Educational Association led to a period of progress in the 1960s to the early 1980s but this was later undermined Today the economic conditions and educational plight of British working class children are a disgrace and class divisions are greater than ever For many years Max was a key figure in these battles and his memoirs provide a clear picture of events and the political forces involved Readers must judge whether they provide an explanation for the lack of progress or could serve as a guide for the future Both Max and Margaret were active in wider socialist campaigning Max was a party loyalist whereas Margaret only stayed within a party while in agreement with its key policies She was a Labour Party activist and Council candidate in the 1950s but left over the failure to support CND Re joining later she left over the war in Iraq She had come to realise that First Past the Post undermines democracy The main targets of Margaret's campaigning were housing problems

and widening access to Higher Education Max and Margaret shared objectives and actively assisted each other in their campaigns but did not always agree about the route forward So their memoirs provide two perspectives on past events

Reviewing **The Pbi Memoirs Of An Infantryman**: Unlocking the Spellbinding Force of Linguistics
