authentic Amish fiction She Lives to Read Like most Amish young women Phoebe Yoder has dreams but not of a courtship at least not yet She dreams of caring for the tender hearted alpacas at her Englischer neighbor s farm and learning the business herself But that longing falls away the moment her baby sister goes missing In that horrifying instant desperate for her sister s safe return she whispers a promise to Gott she will give up her dreams and marry Micah Graber a man she doesn t love but who is determined to make her his wife Benjamin Miller hasn t been back in Southern Maryland for long before he meets Phoebe and begins to imagine what a fine life they could build together beginning with an alpaca farm of their own But he can see that Phoebe s brash vow is all she will consider no matter what her heart wants As Ben falls for her gentle manner and sweet sad eyes he comes to understand his daunting task to convince Phoebe that together they can make a new promise that will never be broken Praise for Susan Lantz Simpson and her novels Not many authors capture the humility of the Amish as well as Susan Suspense Sisters Enjoy The Mending as a break from busy modern life and a reminder that we should treat others with understanding This unusual romance has a stubborn heroine a bashful hero and a deepening love What more could we ask Fresh Fiction **Southern Planter** ,1912 **Welcome Me to the Kingdom** Mai Nardone,2023-02-14 NEW YORK TIMES EDITORS CHOICE An immersive debut set across the temples slums and gated estates of late twentieth century Bangkok telling the story of three families striving to control their destinies in a merciless sometimes brutally violent metropolis Mai Nardone is a writer with an atlas straight to the heart I did not want to put this book down and neither will you C Pam Zhang bestselling author of How Much of These Hills Is Gold **ONGLISTED FOR THE PEN ROBERT W BINGHAM PRIZE** We came with the drought From the window of the train the rich brown of the Chao Phraya River marked the turn from the northeast into the central plains We came for Bangkok on the delta The thin tributaries that laced the provinces found full current at the capital And in the city we d heard the wealth was wide and deep In 1980 young lovers Pea and Nam arrive in Bangkok in search of a life and a world beyond Thailand s rural outskirts Thirty days they promise each other Thirty days for Pea to find work for him to put aside his violent and unstable past and take root in this strange new land But Bangkok does not want for male laborers especially teenage boys with thick provincial accents and when time finally runs out on their promise it s Nam who ultimately adapts to the capital s ruthless logic and survives Spanning decades and perspectives seamlessly shifting between the absurd and the tenderhearted the interwoven stories of Welcome Me to the Kingdom introduce three families Nam her American husband Rick and their daughter Lara Vitat a Thai Elvis impersonator and his only daughter Pinky and Tintin and Benz orphans who have adopted each other as brothers who employ various schemes to lie betray and seduce their way to the good life These disparate citizens of Bangkok orbit each other over the next three decades sometimes violently passionately colliding Through skin whitening routines cult conversion gambling and sex work the collection s characters look for reinvention in a city buckling under the weight of its own modernity Wildly imaginative and ambitious Mai Nardone s stories reveal the growing discrepancy between Bangkok s smiling self image and

its ugly underbelly and in the process offer a striking portrait of a city unmade by the whims of global capitalism in a kingdom caught between this world and the next
