Ken Miller

The Pennsylvania Line Regimental Organization And Operations 1776-1783:

The Pennsylvania Line John B. B. Trussell, 1977 *Pennsylvania's Revolution* William Pencak, 2010 A collection of essays on the American Revolution in Pennsylvania Topics include the politicization of the English and German language press and the population they served the Revolution in remote areas of the state and new historical perspectives on the American and British armies during the Valley Forge winter Provided by publisher [Don Troiani's Black Soldiers in America's Wars: 1754-1865](#) John U. Rees, 2025-01-21 Using a masterful combination of artistry and accuracy Don Troiani has dedicated his career to transforming our understanding of the military soldier Don now turns his talents to capturing the under recognized African American soldiers as they fought in the French and Indian War the War of Independence the War of 1812 and the American Civil War Don's battle paintings figure studies and artifact collection are teamed with historian John Rees's insightful text This long needed work combines Troiani's magnificent art the dramatic battle paintings and authentically illustrated uniformed soldier studies with Rees's introductory chapters on the four wars Using primary sources Rees gives a true picture of the contributions of the many Black soldiers over the 100 year history Together Troiani and Rees provide the most comprehensive authoritative and well researched study of the Black soldier in early America **The Papers of Robert Morris, 1781-1784, Volume 6** Robert Morris, John Catanzariti, 1984-06-30 Although Robert Morris 1734-1806 the Financier of the American Revolution was a signer of the Declaration of Independence the Articles of Confederation and the Constitution a powerful committee chairman in the Continental Congress an important figure in Pennsylvania politics and perhaps the most prominent businessman of his day he is today least known of the great national leaders of the Revolutionary era This oversight is being rectified by this definitive publication project that transcribes and carefully annotates the Office of Finance diary correspondence and other official papers written by Morris during his administration as superintendent of finance from 1781 to 1784 **The Family Tree Sourcebook** Family Tree Editors, 2010-09-20 The one book every genealogist must have Whether you're just getting started in genealogy or you're a research veteran The Family Tree Sourcebook provides you with the information you need to trace your roots across the United States including Research summaries tips and techniques with maps for every U.S. state Detailed county level data essential for unlocking the wealth of records hidden in the county courthouse Websites and contact information for libraries archives and genealogical and historical societies Bibliographies for each state to help you further your research You'll love having this trove of information to guide you to the family history treasures in state and county repositories It's all at your fingertips in an easy to use format and it's from the trusted experts at Family Tree Magazine [500+ Revolutionary War Obituaries and Death Notices](#) Mary Harrell-Sesniak, 2010-02-17 Read obituaries and death notices for over 500 Revolutionary War patriots Spotlighting the famous such as George Washington John Adams and Benjamin Franklin and many lesser known heroes this publication will draw the interest of historians and family historians on their own genealogical journey **Books on Early American**

History and Culture, 1971-1980 Raymond D. Irwin, 2004-11-30 Books on Early American History and Culture 1971 1980 An Annotated Bibliography continues a series of bibliographies listing book length works on North America and the Caribbean prior to 1815 Essential for scholars librarians and students of early America the book surveys nearly 1 200 monographs essay collections exhibition catalogues and reference works published between 1971 and 1980 In addition to bibliographic information each entry includes brief annotations which describe the scope and approach to each item and the book s main thesis Also included are lists of journals where each work has been reviewed and the number of times the book has been cited in professional literature and the number of OCLC member libraries holding the work In 31 thematic sections the book covers such topics as exploration and colonialization Native Americans the American Revolutionary War the Constitution race and slavery gender religion *Battle of Paoli* Thomas J. McGuire, 2006-08-25 First full length treatment of this Revolutionary War battle The important Battle of Paoli has a vivid chronicler at last David McCullough Pulitzer Prize winning author **Lost in Pennsylvania?: Try the Published "Pennsylvania Archives"** Christine Crawford-Oppenheimer, 1999 Discusses the types of documents included in the various series of the Pennsylvania Archives the best order to work through them to obtain the most results quickly and routes to follow to locate a set of the Archives *The Man Behind the Quill* Arthur Plotnik, 1987 SOME DEGREE OF POWER: Preindustrial American Printing Trades, 1778-1815 (C) Mark A. Lause, 1991 **Dangerous Guests** Ken Miller, 2014-09-19 In *Dangerous Guests* Ken Miller reveals how wartime pressures nurtured a budding patriotism in the ethnically diverse revolutionary community of Lancaster Pennsylvania During the War for Independence American revolutionaries held more than thirteen thousand prisoners both British regulars and their so called Hessian auxiliaries in makeshift detention camps far from the fighting As the Americans principal site for incarcerating enemy prisoners of war Lancaster stood at the nexus of two vastly different revolutionary worlds one national the other intensely local Captives came under the control of local officials loosely supervised by state and national authorities Concentrating the prisoners in the heart of their communities brought the revolutionaries enemies to their doorstep with residents now facing a daily war at home Many prisoners openly defied their hosts fleeing plotting and rebelling often with the clandestine support of local loyalists By early 1779 General George Washington furious over the captives ongoing attempts to subvert the American war effort branded them dangerous guests in the bowels of our Country The challenge of creating an autonomous national identity in the newly emerging United States was nowhere more evident than in Lancaster where the establishment of a detention camp served as a flashpoint for new conflict in a community already unsettled by stark ethnic linguistic and religious differences Many Lancaster residents soon sympathized with the Hessians detained in their town while the loyalist population considered the British detainees to be the true patriots of the war Miller demonstrates that in Lancaster the notably local character of the war reinforced not only preoccupations with internal security but also novel commitments to cause and country Anthony Wayne Paul David Nelson, 1985-10-22 He

proved himself articulate and shrewd in statecraft in a critical time for the young republic the years just after ratification of the Constitution **Professional Journal of the United States Army** ,1978-07 Seeds of Empire Max M.

Mintz,1999-05-01 Seeds of Empire recreates the events surrounding General John Sullivan's scorched earth campaign against the Six Nations of the American Indians of New York and the Eastern territories in 1779 following the surrender of General John Burgoyne's British army at the Battle of Saratoga Mintz's meticulous historical research and renowned storytelling ability give life to this arresting narrative as it probes the mechanisms of the American Revolution and the structure and function of the Iroquois Six Nations **Air University Library Index to Military Periodicals** ,1978

Forging Freedom Gary B. Nash,1988 This book is the first to trace the fortunes of the earliest large free black community in the U S Nash shows how black Philadelphians struggled to shape a family life gain occupational competence organize churches establish social networks advance cultural institutions educate their children and train leaders who would help abolish slavery *Inventing America's Worst Family* Nathaniel Deutsch,2023-09-01 This book tells the stranger than fiction story of how a poor white family from Indiana was scapegoated into prominence as America's worst family by the eugenics movement in the early twentieth century then reinvented in the 1970s as part of a vanguard of social rebellion In what becomes a profoundly unsettling counter history of the United States Nathaniel Deutsch traces how the Ishmaels whose patriarch fought in the Revolutionary War were discovered in the slums of Indianapolis in the 1870s and became a symbol for all that was wrong with the urban poor The Ishmaels actually white Christians were later celebrated in the 1970s as the founders of the country's first African American Muslim community This bizarre and fascinating saga reveals how class race religion and science have shaped the nation's history and myths This book tells the stranger than fiction story of how a poor white family from Indiana was scapegoated into prominence as America's worst family by the eugenics movement in the early twentieth century then reinvented in the 1970s as part of a vanguard **Fatal Sunday** Mark Edward Lender,Garry Wheeler Stone,2016-04-18 Historians have long considered the Battle of Monmouth one of the most complicated engagements of the American Revolution Fought on Sunday June 28 1778 Monmouth was critical to the success of the Revolution It also marked a decisive turning point in the military career of George Washington Without the victory at Monmouth Courthouse Washington's critics might well have marshaled the political strength to replace him as the American commander in chief Authors Mark Edward Lender and Garry Wheeler Stone argue that in political terms the Battle of Monmouth constituted a pivotal moment in the War for Independence Viewing the political and military aspects of the campaign as inextricably entwined this book offers a fresh perspective on Washington's role in it Drawing on a wide range of historical sources many never before used including archaeological evidence Lender and Stone disentangle the true story of Monmouth and provide the most complete and accurate account of the battle including both American and British perspectives In the course of their account it becomes evident that criticism of Washington's performance in command was considerably broader and deeper

than previously acknowledged In light of long standing practical and ideological questions about his vision for the Continental Army and his ability to win the war the outcome at Monmouth a hard fought tactical draw was politically insufficient for Washington Lender and Stone show how the general s partisans determined that the battle for public opinion would be won in his favor engineered a propaganda victory for their chief that involved the spectacular court martial of Major General Charles Lee the second ranking officer of the Continental Army Replete with poignant anecdotes folkloric incidents and stories of heroism and combat brutality filled with behind the scenes action and intrigue and teeming with characters from all walks of life Fatal Sunday gives us the definitive view of the fateful Battle of Monmouth **A Fragile Freedom** Erica Armstrong Dunbar,2008-10-01 Chronicling the lives of African American women in the urban north of America particularly Philadelphia during the early years of the republic A Fragile Freedom investigates how they journeyed from enslavement to the precarious state of free persons in the decades before the Civil War
