

PERVERSION OF THE PENTAGON PAPERS TRIAL

**How Selfish Ambition and Leftist Perfidy
Displaced Duty and Law to Thwart Justice**

For the first time, former federal prosecutor, David Nissen, reveals the true story behind the Pentagon Papers trial. A United States District Court judge, obsessed with obtaining higher public office was assigned to preside over the criminal trial. The judge was convinced that any conviction of the defendants would be overturned on appeal and would leave a mark on his record that could disqualify him for a higher position. To avoid this he decided to prevent the jury from returning a guilty verdict and disclosed his plan to some of his confidants.

PERVERSION OF THE PENTAGON PAPERS TRIAL recounts the political backdrop against which the original crimes were committed then takes readers into the courtroom for a virtual front row seat throughout the trial. It chronicles the judge's capitulation to the defendants' demands, discloses the fictitious defenses he fabricated for the defendants and documents his refusal to follow the laws governing trials and his collaboration with the defense to place the government on trial by groundless "investigations." By bringing the facts to light, Nissen reveals the court's sabotage of the trial and exposes the injustice done in this notable court case.

David R. Nissen received his BA from Wheaton College, MS from the University of Illinois and JD from the University of Illinois College of Law, where he graduated with highest honors. He was elected to membership in the Order of the Coif, and elected associate editor of the Illinois Law Forum, and treasurer of the school's student body, and was a finalist in the law school's moot court competition argued before the Illinois Supreme Court.

Nissen served in the US Army as a counterintelligence agent at the end of the Korean War. He went on to serve as Assistant US Attorney in Los Angeles, where he became Chief of the Organized Crime and Racketeering Section, and subsequently Chief of the Criminal Division. In 1971, Nissen was appointed chief prosecutor in the Pentagon Papers criminal case, and after, returned to private law practice until his retirement. David was married to Celia, his wife, for sixty-six years, and together they had three children, four grandchildren and two great-grandchildren. Until his passing in December 2020, he was a self-described mediocre but avid tennis player.

The Pentagon Papers Trial Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Pentagon Papers Trial has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Pentagon Papers Trial has opened up a world of possibilities. Downloading The Pentagon Papers Trial provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Pentagon Papers Trial has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Pentagon Papers Trial. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Pentagon Papers Trial. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Pentagon Papers Trial, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Pentagon Papers Trial has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
