The Pentateuch An Exposition:

The Pentateuch Charles Rosenbury Erdman, 1987-06-01 God Spake by Moses Oswald Thompson Allis, 1951 Starting with the Mosaic authorship of the Pentateuch Allis gives us a brief exposition of the first five books of the Bible showing their themes and doctrines *A Family Exposition of the Pentateuch: Exodus-Leviticus* Henry Blunt, 1846 *A Family Exposition of the Pentateuch* Henry Blunt, 1841 **A Family Exposition of the Pentateuch: Numbers-Deuteronomy** Henry Blunt, 1844 **A Family Exposition of the Pentateuch** Henry Blunt, 1843 A family exposition of the Pentateuch Henry Blunt (M.A.), 1842 **Family Exposition of the Pentateuch** Henry Blunt (M.A.), 1841 Family Exposition of the Pentateuch Henry Blunt (M.A.), 1842 **The Pentateuch as Narrative** John H. Sailhamer, 2017-03-21 Most scholars studying the first five books of the Bible either attempt to dissect it into various pre pentateuchal documents or at the very least analyze Genesis Exodus Leviticus Numbers and Deuteronomy as separate self contained documents The Pentateuch As Narrative focuses on the narrative and literary continuity of the Pentateuch as a whole It seeks to disclose how the original Jewish readers may have viewed this multivolume work of Moses Its central thesis is that the Pentateuch was written from the perspective of one who had lived under the Law of the Covenant established at Mount Sinai and had seen its failure to produce genuine trust in the Lord God of Israel In this context the Pentateuch pointed the reader forward to the hope of the New Covenant based on divine faithfulness Throughout the commentary Dr Sailhamer pays close attention to and interacts with a wide range of classical and contemporary literature on the Pentateuch written by Jews Catholics and Protestants **A Family Exposition of the Pentateuch** Anonymous, 2024-05-28 Reprint of the original first published in 1841 *A Family Exposition of the Pentateuch* Henry Blunt, 2019-08-06 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy *A Family Exposition of the Pentateuch; 1* Henry 1794-1843 Blunt, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Practical Commentary Or Exposition Upon the Pentateuch ,1662 A Practical Commentary Or Exposition Upon the Pentateuch: Viz.: These Five Books of Moses Genesis, Exodus, Leviticus,

Numbers, Deuteronomy. ... By Ab. Wright ... Wright, 1662 **The Pentateuch** John Van Seters, 2004-08-23 This overview of the Pentateuch reviews the various historical critical attempts to read it that arise from notions about the social evolution of Israel's religion and culture Is the Pentateuch an accumulation of folk traditions a work of ancient historiography a document legitimizing religious reform The present book in dialogue with competing views advocates a compositional model that recognizes the social and historical diversity of the literary strata It argues that a proto Pentateuchal author created a comprehensive history from Genesis to Numbers that was written as a prologue to the Deuteronomistic History Deuteronomy to 2 Kings in the exilic period and later expanded by a Priestly writer to make it the foundational document of the Jerusalem temple community **An Exposition of the Bible** Marcus Dods, Robert Alexander Watson, Frederic William Farrar, 1903
