People of Paris Daniel Roche, 1987-05-25 A rich and fascinating description of the lives of ordinary people in Paris their ways of eating sleeping dressing reading and furnishing their homes Money matters are dealt with as well as people s leisure activities As the Ancien Regime approaches its demise the people become restless they have experienced a century of fundamental change which has deeply affected their daily lives perceptions are becoming sharpened cultural needs more refined Drawing on a wealth of contemporary data Roche paints a most colourful picture of the conditions under which working people organised their lives in 18th century Paris

Furnishing the Eighteenth Century Dena Goodman, Kathryn Norberg, 2007 Publisher description

The French Nobility in the Eighteenth Century Jay M. Smith, 2006-10-03 Historians have long been fascinated by the nobility in pre Revolutionary France What difference did nobles make in French society What role did they play in the coming of the Revolution In this book a group of prominent French historians shows why the nobility remains a vital topic for understanding France s past The French Nobility in the Eighteenth Century appears some thirty years after the publication of the most sweeping and influential revisionist assessment of the French nobility Guy Chaussinand Nogaret s *La noblesse au dix huiti me si cle* The contributors to this volume incorporate the important lessons of Chaussinand Nogaret s revisionism but also reexamine the assumptions on which that revisionism was based At the same time they consider what has been gained or lost through the adoption of new methods of inquiry in the intervening years Where in other words should the nobility fit into the twenty first century s narrative about eighteenth century France The French Nobility in the Eighteenth Century will interest not only specialists of the eighteenth century the French Revolution and modern European history but also those concerned with the differences in and the developing tensions between the methods of social and cultural history In addition to the editor the contributors are Rafe Blaufarb Gail Bossenga Mita Choudhury Jonathan Dewald Doina Pasca Harsanyi Thomas E Kaiser Michael Kwass Robert M Schwartz John Shovlin and Johnson Kent Wright

A Social History of France 1780-1914 Peter McPhee, 2017-03-03 This volume provides a lively and authoritative synthesis of recent work on the social history of France and is now thoroughly updated to cover the long nineteenth century from 1789 1914 Peter McPhee offers both a readable narrative and a distinctive coherent argument about this remarkable century and explores key themes such as Peasant interaction with the

environment The changing experience of work and leisure The nature of crime and protest Changing demographic patterns and family structures The religious practices of workers and peasants The ideology and internal repercussions of colonisation At the core of this social history is the exercise and experience of social relations of power not only because in these years there were four periods of protracted upheaval but also because the history of the workplace of relations between women and men adults and children is all about human interaction Stimulating and enjoyable to read this indispensable introduction to nineteenth century France will help readers to make sense of the often bewildering story of these years while giving them a better understanding of what it meant to be an inhabitant of France during that turbulent time The Oxford Handbook of Food History Jeffrey M. Pilcher, 2012-10-16 Food matters not only as a subject of study in its own right but also as a medium for conveying critical messages about capitalism the environment and social inequality to diverse audiences Recent scholarship on the subject draws from both a pathbreaking body of secondary literature and an inexhaustible wealth of primary sources from ancient Chinese philosophical tracts to McDonald s menus contributing new perspectives to the historical study of food culture and society and challenging the limits of history itself The Oxford Handbook of Food History places existing works in historiographical context crossing disciplinary chronological and geographic boundaries while also suggesting new routes for future research The twenty seven essays in this book are organized into five sections historiography disciplinary approaches production circulation and consumption of food The first two sections examine the foundations of food history not only in relation to key developments in the discipline of history itself such as the French Annales school and the cultural turn but also in anthropology sociology geography pedagogy and the emerging Critical Nutrition Studies The following three sections sketch various trajectories of food as it travels from farm to table factory to eatery nature to society Each section balances material cultural and intellectual concerns whether juxtaposing questions of agriculture and the environment with the notion of cookbooks as historical documents early human migrations with modern culinary tourism or religious customs with social activism In its vast interdisciplinary scope this handbook brings students and scholars an authoritative guide to a field with fresh insights into one of the most fundamental human concerns

Encyclopedia of the Enlightenment Michel Delon, 2013-12-04 This acclaimed translation of Michel Delon s Dictionnaire Europeen des Lumieres contains more than 350 signed entries covering the art economics science history philosophy and religion of the Enlightenment Delon s team of more than 200 experts from around the world offers a unique perspective on the period providing offering not only factual information but also critical opinions that give the reader a deeper level of understanding An international team of translators editors and advisers under the auspices of the French Ministry of Culture has brought this collection of scholarship to the English speaking world for the first time *Pierrot and his world* Marika Takanishi Knowles, 2024-01-09 Pierrot a theatrical stock character known by his distinctive costume of loose white tunic and trousers is a ubiquitous figure in French art and culture This richly illustrated book offers an account of Pierrot s recurrence

in painting printmaking photography and film tracing this distinctive type from the art of Antoine Watteau to the cinema of Occupied France As a visual type Pierrot thrives at the intersection of theatrical and marketplace practices From Watteau s Pierrot c 1720 and douard Manet s The Old Musician 1862 to Nadar and Adrien Tournachon s Pierrot the Photographer 1855 and the landmark film Children of Paradise 1945 Pierrot has given artists a medium through which to explore the marketplace as a form for both social life and creative practice Simultaneously a human figure and a theatrical mask Pierrot elicits artistic reflection on the representation of personality in the marketplace

Household Strategies for Survival 1600-2000 Laurence Fontaine,Jürgen Schlumbohm,2000 This book considers the labouring poor not simply as victims but as actively pursuing a whole range of strategies for survival These strategies included many economic activities Building and maintaining networks of kinship and neighbourhood was equally important as was negotiating support from institutions Sometimes strategies were successfully integrated within a household while in other instances the domestic group was split and members preferred to pursue individual strategies This illuminating book examines the European past using case studies from present day situations in Asia and Africa

An Age to Work Miranda Sachs,2023 An Age to Work reveals how the French welfare state produced class and gender based hierarchies within childhood It weaves together the histories of child labor and juvenile delinquency to trace how the state used age based regulations to ensure the productivity of working class youths

Acknowledging Consumption Daniel Miller,2005-09-20 First published in 1995 Routledge is an imprint of Taylor Francis an informa company

The Fall of Robespierre Colin Jones,2021-08-12 The day of 9 Thermidor 27 July 1794 is universally acknowledged as a major turning point in the history of the French Revolution At 12 00 midnight Maximilien Robespierre the most prominent member of the Committee of Public Safety which had for more than a year directed the Reign of Terror was planning to destroy one of the most dangerous plots that the Revolution had faced By 12 00 midnight at the close of the day following a day of uncertainty surprises upsets and reverses his world had been turned upside down He was an outlaw on the run and himself wanted for conspiracy against the Republic He felt that his whole life and his Revolutionary career were drawing to an end As indeed they were He shot himself shortly afterwards Half dead the guillotine finished him off in grisly fashion the next day The Fall of Robespierre provides an hour by hour analysis of these 24 hours

The Palgrave Encyclopedia of Urban Literary Studies Jeremy Tambling,2022-10-29 This encyclopaedia will be an indispensable resource and recourse for all who are thinking about cities and the urban and the relation of cities to literature and to ways of writing about cities Covering a vast terrain this work will include entries on theorists individual writers individual cities countries cities in relation to the arts film and music urban space pre early and modern cities concepts and movements and definitions amongst others Written by an international team of contributors this will be the first resource of its kind to pull together such a comprehensive overview of the field

Readers and Society in Nineteenth-Century France M. Lyons,2001-07-24 In the nineteenth century the reading public expanded to embrace new categories of consumers

especially of cheap fiction These new lower class and female readers frightened liberals Catholics and republicans alike The study focuses on workers women and peasants and the ways in which their reading was constructed as a social and political problem to analyse the fear of reading in nineteenth century France The author presents a series of case studies of actual readers to examine their choices and their practices and to evaluate how far they responded to or subverted attempts at cultural domination Enlightenment World Martin Fitzpatrick,2004-07-22 Draws together the work of thirty nine leading international experts on the European Enlightenment c1660 1800 to offer informed comprehensive and up to date analysis of this period as both an historical epoch and a cultural formation **BOOKJACKET** **Revolutionary World** David Motadel,2021-03-25 Throughout the modern age revolutions have spread across state borders engulfing entire regions continents and at times the globe *Revolutionary World* examines the spread of upheavals during the major revolutionary moments in modern history the Atlantic Revolutions Europe's 1848 revolts the commune movement of the 1870s the 1905 15 upheavals in Asia the communist revolutions around 1917 the Wilsonian uprisings of 1919 the Third World revolutions the global Islamic revolt of 1978 79 the events of 1989 and the rise and fall of the Arab Spring The chapters explore the nature of these revolutionary waves tracing the exchange of radical ideas and the movements of revolutionaries around the world Bringing together a group of distinguished historians *Revolutionary World* shows that the major revolutions of the modern age which have so often been studied as isolated national or imperial events were almost never contained within state borders and were usually part of broader revolutionary moments *The Handbook of Fashion Studies* Sandy Black,Amy de la Haye,Joanne Entwistle,Regina A. Root,Agnès Rocamora,Helen Thomas,2014-01-02 *The Handbook of Fashion Studies* identifies an innovative spectrum of thematic approaches key strands and interdisciplinary concepts that continue to push forward the boundaries of fashion studies The book is divided into seven sections Fashion Identity and Difference Spaces of Fashion Fashion and Materiality Fashion Agency and Policy Science Technology and New fashion Fashion and Time and Sustainable Fashion in a Globalised world Each section consists of approximately four essays authored by established researchers in the field from the UK USA Netherlands Sweden Canada and Australia The essays are written by international subject specialists who each engage with their section's theme in the light of their own discipline and provide clear case studies to further knowledge on fashion This consistency provides clarity and permits comparative analysis The handbook will be essential reading for students of fashion as well as professionals in the industry *The Consumer Revolution, 1650-1800* Michael Kwass,2022-02-03 The production acquisition and use of consumer goods defines our daily lives and yet consumerism is seen as increasingly controversial Movements for sustainable and ethical consumerism are gaining momentum alongside an awareness of how our choices in the marketplace can affect public issues How did we get here This volume advances a bold new interpretation of the consumer revolution of the eighteenth century when European elites middling classes and even certain labourers purchased unprecedented quantities of clothing household goods and colonial

products Michael Kwass adopts a global perspective that incorporates the expansion of European empires the development of world trade and the rise of plantation slavery in the Americas Kwass analyses the emergence of Enlightenment material cultures contentious philosophical debates on the morality of consumption and new forms of consumer activism to offer a fresh interpretation of the politics of consumption in the age of abolitionism and the Atlantic Revolutions
