The Emperor Returns Jeffrey Sanders, 2006-06-11 In the evening Long Xingyun left the Xi County bus station The sky was dotted with stars and the moon was high in the sky Countless flying insects swarmed against the streetlights The exit was filled with taxis soliciting passengers Seeing the crowds pouring out the drivers flocked to them like flies After shaking their heads and turning away several drivers Long Xingyun arrived at the nearby bus stop As far as he could remember the buses there operated until after ten at night

The Kingdom of God Is among You Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i.e. we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1

I Saw the Lord Abner Chou, 2013-11-11 The visions of Isaiah Ezekiel Daniel Paul and John have captivated the people of God Could it be that we are drawn to these spectacular passages because they are all different angles of the same eschatological event This study explores the visions of these writers as they relate to their individual theology in light of the possibility that these writers saw different facets of the climax of history when the Son receives all glory
