Christ the King Shirley Lucass, 2019-03-12 How foolish you are and how slow to believe all that the prophets have spoken. Did not the Messiah have to suffer these things and then enter his glory? And beginning with Moses and all the Prophets, he explained to them what was said in all the Scriptures concerning himself.

Luke 24:25-27 There is a selfish part of me that wanted to write everything that I know at this point and the amateur in me wanted to write it all in one book on the definitive way of understanding Jesus through the Jewish Festivals and through the themes that emerge, but I felt the Lord had commissioned me to sing a new song, not a whole opera, just one song that told the story, a royal ballad. If we understand kingship as the background and framework into which all the other stories fit, then we will be a good way along the path of understanding what it was that Jesus was trying to explain to the disciples. This road to Emmaus won't tell us everything, but it will have started us off on a journey with signposts we can continue to follow all our lives.

Proceedings of the Musical Association Musical Association (Great Britain), 1878 [Isaiah's Servant Poems](#)

[According to the Septuagint](#) Eugene Robert Ekblad, 1999 This study analyzes the Septuagint version of Isaiah's Servant Poems, Isaiah 42:1-8, 49:1-9, 50:4-11, 52:13-53:12, as a translation and unique interpretation of the Hebrew text. The Septuagint version of the Servant Poems is of interest not only because it represents one of the earliest, if not the first, interpretations of the Hebrew text and thus an important stage in the history of exegesis of these poems, but also because this translation operates a transition from Hebrew modes of thinking and expression into a Greek language and context. The Septuagint version of the Servant Poems was cited by New Testament writers, read and commented on as Sacred Scripture by the early Church Fathers, and continues to be used by the Eastern Church. This study is a helpful resource to Old Testament, New Testament, and Patristic scholars and theologians alike. The introduction offers a methodology for classifying Septuagint differences to determine the specific exegesis and underlying theology of a given Septuagint text. Differences with the Hebrew text are categorized according to linguistic explanations, style, the translator's difficulty determining Greek semantic equivalents for obscure Hebrew vocabulary, errors or omissions, etc. Hebrew Vorlagen, non-linguistic explanations like contextual and intertextual exegesis, and combinations of linguistic and non-linguistic factors. The author identifies over 270 differences with the Masoretic Text in a presentation of the Septuagint text of each poem side by side with the Masoretic Text. Qumran variants are compared with the Masoretic Text and Septuagint to help classify Septuagint differences to determine which may be signs of the Septuagint's unique exegesis and theology. The Septuagint's numerous differences are

bold faced in the English translation of each poem before the author presents a detailed verse by verse literary analysis of the Septuagint in the wider context of Isaiah 1 66 and the Greek Pentateuch The author argues that the vast majority of Septuagint differences with the Masoretic Text in Isaiah s Servant Poems reflect contextual and intertextual exegesis The Septuagint version expresses theological perspectives that are at times similar and often distinct from the Masoretic Text In a final chapter the author draws on the exegesis of each poem in preceding chapters to present the theology visible in the Septuagint version of Isaiah s Servant Poems concluding with an appendix that catalogues textual differences between the Septuagint and the Masoretic Text and a biblical index
