The People Who Hugged The Trees An Environmental Folk Tale:

The People who Hugged the Trees Deborah Lee Rose,1990 Beautifully retold the story of how Amrita saves the village trees from the woodcutters **People Who Hugged the Trees** Deborah Lee Rose,Roberts Rinehart,2001-09 Based on a classic folk tale from India this haunting story gives children insight into India s history and culture while teaching them that environmental protection is everyone s concern It is carefully researched and illustrated with detailed watercolors of rural India Full color **Independent Reading Activities That Keep Kids Learning ... While You Teach Small Groups**

Susan Finney,2003-04 50 engaging reproducible activity sheets management strategies and tips for differentiating instruction that help kids build key strategies independently Cover Primary English for Trainee Teachers David Waugh,Wendy Jolliffe,Kate Allott,2020-03-28 What do I need know about English to teach it effectively in primary schools How do children learn English How do I teach it What does a good primary English lesson look like This is the ultimate guide for primary trainee teachers grappling with these questions A comprehensive guide to teaching the National Curriculum for primary English it covers both subject knowledge and teaching theory and practice This new edition now includes new chapters on the teaching of phonics and the barriers to learning English in primary schools making it the complete course textbook **Nature, Culture and Gender** P. Mary Vidya Porselvi,2016-04-20 Folktales in India have been told heard read and celebrated for many centuries In breaking new ground Indian folktales have been reread and examined in the light of the Mother Earth discourse as it manifests in the lifeworlds of women nature and language The book introduces ecofeminist criticism and situates it within an innovative folktale typology to connect women and environment through folklore The book proposes an innovative paradigm inspired by the beehive to analyze motifs relationships concerns worldviews and consciousness of indigenous women and men who live close to nature as well as other socially marginalized groups In the current global context fraught with challenges for ecology and hopes for sustainable development this book with its interdisciplinary approach will interest scholars and researchers of literature environmental studies gender studies and cultural anthropology Just Enough to Make a Story Nancy Schimmel,1992 An introduction to storytelling with tips on choosing learning and telling stories and annotated lists of preferred stories *Mindfulness and Educating Citizens for Everyday Life* Malgorzata Powietrzynska,Kenneth Tobin,2016-07-23 Mindfulness and Educating Citizens for Everyday Life invites readers to explore the role mindfulness can play in mediating how we enact social life in today s increasingly challenging and challenged world The educators and researchers who have contributed to this book use mindfulness as a lens to address and untangle what is becoming a profoundly complicated way of being within the reality of global capitalism Education is framed broadly the research transcends the walls of classrooms and includes museums nursing homes hospitals AA meetings and homes Hence the chapters feature participants occupying varied social positions and spaces that may be situated in different parts of the globe The authors address two overarching and dialectically related themes of mindfulness

and wellness and collectively the chapters expand possibilities for readers to act mindfully in a world in which wellness and wellbeing are pervasive concerns as a fragile Earth adapts to a dynamic flux of human led changes that threaten the future of lifeworlds that support humanity and myriad species that face extinction The authors do not offer oversimplified solutions to dramatically switch direction and preserve life as we have known it Instead the ideas that emerge from the research presented in this volume expand possibilities for informed conduct self help and educating citizens with a goal of individuals and collectives transforming lifeworlds by embracing mindfulness saturated ontologies

Dharma and Ecology of Hindu Communities Pankaj Jain, 2016-04-22 In Indic religious traditions a number of rituals and myths exist in which the environment is revered Despite this nature worship in India its natural resources are under heavy pressure with its growing economy and exploding population This has led several scholars to raise questions about the role religious communities can play in environmentalism Does nature worship inspire Hindus to act in an environmentally conscious way This book explores the above questions with three communities the Swadhyaya movement the Bishnoi and the Bhil communities Presenting the texts of Bishnois their environmental history and their contemporary activism investigating the Swadhyaya movement from an ecological perspective and exploring the Bhil communities and their Sacred Groves this book applies a non Western hermeneutical model to interpret the religious traditions of Indic communities With a foreword by Roger S Gottlieb

Children's Books from Other Countries Carl M. Tomlinson, United States Board on Books for Young People, 1998 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and
