**The People's Guide to Mexico** Carl Franz, 1998 *Class Acts* Mary Rizzo, 2015-08-01 *Class Acts* explores the development of lifestyle marketing from the 1960s to the 1990s During this time young men began manipulating their identities by taking on the mannerisms culture and fashion of the working class and poor These style choices had contradictory meanings At once they were acts of rebellion by middleclass young men against their social stratum and its rules of masculinity and also examples of the privilege that allowed them to try on different identities for amusement or as a rite of passage Starting in the 1960s advertisers and marketers looking for new ways to appeal to young people seized on the idea of identity as a choice creating the field of lifestyle marketing Mary Rizzo traces the development of the concept of lifestyle marketing showing how marketers disconnected class identity from material reality focusing instead on a person's attitudes opinions and behaviors The book includes discussions of the rebel of the 1950s the hippie of the 1960s the white suburban hip hop fan of the 1980s and the poverty chic of the 1990s *Class Acts* illuminates how the concept of lifestyle particularly as expressed through fashion has disconnected social class from its material reality and diffused social critique into the opportunity to simply buy another identity The book will appeal to scholars and other readers who are interested in American cultural history youth culture fashion and style

**Refried Elvis** Eric Zolov, 1999-07-05 This book traces the history of rock n roll in Mexico and the rise of the native countercultural movement La Onda the wave This story frames the most significant crisis of Mexico's postrevolution period the student led protests in 1968 and the government orchestrated massacre that put an end to the movement
