**Looking Backward** Derek L. Phillips, 2014-07-14 When social reformers blame the current ills of Western culture on the loss of community they often evoke an ideal past in which societies were characterized by shared values respect for tradition commitment to the common good and similar attributes Communitarians assert that community was prominent in the past and argue that reclaiming the role community formerly played is necessary to counter the negative effects of individualism and liberal thinking Considering the relevance of community for our moral and political life today Derek Phillips offers the first thorough critique of the historical often nostalgic claims that underlie dominant versions of communitarian philosophy Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Free Print and Non-commercial Publishing Since 1700 James Raven, 2019-01-15 This title was first published in 2000 The essays in this collection re examine the phenomenon of free print in print culture By focusing on free print the volume offers perspectives in the cultural history of textual transmission from the early 18th century to the mid 20th century Publishing in the sense of making the print public embraces the free and often unsolicited distribution of religious literature political propaganda and civic and personal gifts The free print examined here includes gift books advertisements and commemorations the promotion of knowledge institutions and services commercial and philanthropic lobbying religious and missionary activity and political propaganda both official and underground Broad issues range from the consideration of press finances government intervention and private and institutional patronage to textual familiarity and social ritual The approach is deliberately comparative Ten established scholars of book and printing history who look at very different regions and periods test the nature of the alleged authority of print and the apparent value of the commercial tag through the study of print which arrives unbidden in the hands of its consumers The chapters in this volume are based on papers first given at the Print for Free conference organized by the Cambridge Project for the Book Trust in September 1996

Reminiscences Book One James L. Randolph, 2023-08-25 Reminiscences examines the growth and life of a young African American boy coming of age in the second half of the twentieth century Jamarius Russell is the main protagonist and he informs the reader of events and circumstances that affected him as his family as the years rolled by As he reflects and looks back on his years and those of his family his grandparents and his ancestors from a previous time

and place This is an American novel about America and about its history It is a story about a group of people over generations facing critical moments in their lives and their history Reminiscences has a cinematic quality to it as the years pass by as Jamarius Russell Lee Somersom Russell and Eloise Sudey the elderly senior citizen tell a tale of woe and hope of aspiration and disappointment and of life and death Remiscences is a story readers would enjoy because the reader gets to experience and live what the characters live **Civilisations of Peru Before 1535** Hazel Mary Martell,1999 An examination of several of the more important ancient civilizations of Peru with particular focus on the Incas and with attention drawn also to the effects of the Spanish conquests Suggested level primary intermediate junior secondary

**Islam and Blackness** Jonathan A.C. Brown,2022-11-03 It is commonly claimed that Islam is antiblack even inherently bent on enslaving Black Africans Western and African critics alike have contended that antiblack racism is in the faith s very scriptural foundations and its traditions of law spirituality and theology But what is the basis for this accusation Bestselling scholar Jonathan A C Brown examines Islamic scripture law Sufism and history to comprehensively interrogate this claim and

determine how and why it emerged Locating its origins in conservative politics modern Afrocentrism and the old trope of Barbary enslavement he explains how antiblackness arose in the Islamic world and became entangled with normative tradition From the imagery of blackened faces in the Quran to Shariah assessments of Black women as undesirable and the assertion that Islam and Muslims are foreign to Africa this work provides an in depth study of the controversial knot that is Islam and Blackness and identifies authoritative voices in Islam s past that are crucial for combatting antiblack racism today

Writing North America in the Seventeenth Century Catherine Armstrong,2007 Examining a range of seventeenth century literature including travel narratives promotional literature plays poetry and journals this book examines the ways in which the geography and nature of the new colonies of North America were represented both by the settlers themselves and commentators in Renaissance England This is a valuable addition to literature of colonial history transatlantic history and the cultural world of early modern England      **Western Christians in Global Mission** Paul Borthwick,2012-10-03 Missions specialist Paul Borthwick brings an urgent report on how the Western church can best continue in global mission Providing current analysis of the state of the world and Majority World opinion Borthwick offers concrete advice for Western churches who want to avoid the pitfalls of colonialism      **The University Record** ,1891
