

# *The People's President*

THE HISTORY OF THE PRESIDENTS OF THE UNITED STATES

FROM 1789 TO THE PRESENT

BY NEAL R. PEIRCE

# The Peoples President The Electoral College In American History And The Direct Vote Alternative

**United States. Congress. Senate.  
Committee on the Judiciary.  
Subcommittee on the Constitution**

## **The Peoples President The Electoral College In American History And The Direct Vote Alternative:**

**The People's President** Neal R. Peirce, 1968 Detailed statement of the case for reform of the allegedly outmoded system of electing the President of the United States      **The People's President** Neal R. Peirce, Lawrence D. Longley, Professor Lawrence D Longley, 1981 Neal Peirce's *The People's President* first published in 1968 has been the standard guide to the history and performance of the electoral college The book describes in fascinating detail and highly readable prose how we elect our president      **The Electoral College and Direct Election** United States. Congress. Senate. Committee on the Judiciary, 1977      *The Electoral College and Direct Election of the President* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1993      **The Electoral College and Direct Election** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1977      Direct Popular Election of the President and Vice President of the United States United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1979      **The Longest Night** Arthur Jacobson, Michel Rosenfeld, 2002-10-28 The American presidential election of 2000 was perhaps the most remarkable and in many ways the most unsettling that the country has yet experienced The millennial election raised fundamental questions not only about American democracy but also about the nation's constitution and about the legitimate role of American courts state and federal and in particular about the United States Supreme Court *The Longest Night* presents a lively and informed reaction to the legal aftermath of the election by the most prominent experts on the subject With a balance of opposing views including those of some of the most distinguished foreign commentators writing on the subject today the contributors present an unusual breadth of perspectives in addressing the judicial institutional and political questions involved in the disputed election Their commentaries bring the confusion and frenzy of the event into clear focus and lay the groundwork for an essential public debate that is sure to continue well into the future *The Longest Night* contains a thorough chronology of the events in Florida a detailed account of the institutional structure of American presidential elections a series of analyses both criticizing and defending the decisions in *Bush v Gore* American perspectives on the Florida struggle and America's electoral system and a debate on maintaining or reforming the electoral college The authors include participants in the legal and political battles surrounding the Florida election foreigners charged with monitoring and supervising elections and scholars from many disciplines specializing in constitutionalism democracy and American election law Contributors      **Hearings, Reports and Prints of the Senate Committee on the Judiciary** United States. Congress. Senate. Committee on the Judiciary, 1968      *The Cycles of American History* Arthur M. Schlesinger, 1999-06-16 A Pulitzer Prize winning historian discusses the Cold War political parties the presidency and many broader philosophical issues with incisive wit Library Journal A celebrated historian speechwriter and adviser to President Kennedy Arthur M Schlesinger Jr draws on decades of astute observation to construct a dialectic of American politics or as Time magazine called it a recurring struggle between pragmatism and idealism in the American soul

The Cycles of American History traces two conflicting visions of America Experiment vs Destiny through two centuries of political evolution conflict and progress In this updated edition Schlesinger reflects on the dawn of a new millennium and how new social and technological revolutions could lead to a revolution in American political cycles Whatever the nation's political future it can benefit from the intelligence and regard for our country's best traditions evident in these informed and humane essays The New York Times Displays the author at his best trenchant erudite crisp Foreign Affairs An excellent and provocative primer on the challenges surrounding the contemporary American political setting First rate history mixed with a strong sense of public service The Christian Science Monitor

Encyclopedia of Constitutional Amendments, Proposed Amendments, and Amending Issues, 1789-2023 John R. Vile, 2023-10-19 Written by a leading scholar of the constitutional amending process this two volume encyclopedia now in its fifth edition is an indispensable resource for students legal historians and high school and college librarians This authoritative reference resource provides a history and analysis of all 27 ratified amendments to the Constitution as well as insights and information on thousands of other amendments that have been proposed but never ratified from America's birth until the present day The set also includes a rich bibliography of informative books articles and other media related to constitutional amendments and the amending process

*The Political Economy of Governance* Norman Schofield, Gonzalo Caballero, 2015-05-27 Understanding the governance of nations is a key challenge in contemporaneous political economy This book provides new advances and the latest research in the field of political economy dealing with the study of institutions governance democracy and elections The volume focuses on issues such as the role of institutions and political governance in society the working of democracy and the electoral performance in several case studies The chapters involve cutting edge research on many different countries including the USA Great Britain Germany Spain and the Third World The authors of the chapters are leading scholars in political economy from America Europe and Asia

**A Companion to the United States Constitution and Its Amendments** John R. Vile, 2015-03-03 Now in its sixth edition with coverage of major Supreme Court decisions through the end of the 2013 2014 term this book remains a key source for students professors and citizens seeking balanced up to date information on the Constitution its amendments and how they have been interpreted A document that is well past two centuries old the U S Constitution remains as relevant and important today as during the time of our country's founding Now in its sixth edition this single volume work offers a fair non partisan treatment of one of the most important documents in American history The book begins with introductory background information on the U S Constitution and the Declaration of Independence and then presents a clause by clause explanation of the Constitution from the preamble through all of its amendments addressing how each has been interpreted by the U S Supreme Court and other institutions throughout U S history This fully updated edition of A Companion to the United States Constitution and Its Amendments incorporates numerous new developments in the four years since the previous edition including the appointments of new Supreme Court justices impactful cases involving First Amendment rights

for students the Affordable Care Act National Security Agency NSA data gathering voting rights campaign finance law DNA sampling and the ongoing battle over gay rights As with the previous editions John R Vile provides a balanced and thorough treatment that identifies key Supreme Court decisions and other interpretations of the document while abstaining from unnecessarily complex and confusing explanations *American Studies* Jack Salzman, American Studies

Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 **Resilient America** Michael Nelson, 2017-06-26 To look at the partisan polarization that paralyzes Washington today is to see what first took shape with the presidential election of 1968 This book explains why Urban riots and the Tet Offensive the assassinations of Martin Luther King Jr and Robert F Kennedy the politics of outrage and race all pointed to a reordering of party coalitions of groups and regions a hardening and widening of an ideological divide and to the historical importance of the 1968 election as a watershed event Resilient America captures this extraordinary time in all its drama the personalities the politics the parties the events and the circumstances from the shadow of 1964 through the primaries to the general election that pitted Richard Nixon against Hubert Humphrey with George Wallace and Eugene McCarthy as the interlopers Where most accounts of this pivotal year and the decade that followed emphasize the coming apart of the nation this book focuses on the fact that because of measures taken after the election the country actually held together An esteemed scholar of the American presidency Michael Nelson turns our attention to how in spite of increasing and increasingly vehement differences the parties of the time managed to make divided government work Conventional political processes peaceful demonstrations congressional legislation executive initiatives Supreme Court decisions party reforms and presidential politics were flexible enough to absorb most of the dissent that tore America deeply in 1968 and might otherwise have torn it apart This fraught time as Nelson's work clearly demonstrates produced unity as well as results well worth noting in our current predicament **The Voice of the People** James S. Fishkin, 1997-01-01 Philosopher and political scientist James Fishkin evaluates modern democratic practices explains how the voice of the people has struggled to make itself heard in the past and combines a review of ideas and experiments including his own idea for a National Issues Convention that was adapted by PBS in January 1996 to legitimately rediscover the people's voice **Explicit and Authentic Acts** David E. Kyvig, 2016-03-14 In time for the 225th anniversary of the Bill of Rights David Kyvig completed an Afterword to his landmark study of the process of amending the US Constitution The Afterword discusses the many amendments such those requiring a balanced federal budget or limiting the terms of members of Congress that have been proposed since the book was originally published and why they failed of passage At a time when prominent scholars and other public figures have called for a constitutional convention to write a new constitution arguing that our current system of governance is unsustainable Kyvig reminds us of the high hurdles the founders created to amending the constitution and how they have served the country well preventing

the amendment process from being used by one faction to serve the passions of the moment In his farewell address President Washington reminded his audience that the Constitution till changed by an explicit and authentic act of the whole people is sacredly obligatory upon all He regarded the Constitution as a binding document worthy of devout allegiance but also believed that it contains a clear and appropriate procedure for its own reform David Kyvig s illuminating study provides the most complete and insightful history of that amendment process and its fundamental importance for American political life Over the course of the past two centuries more than 10 000 amendments have been proposed by the method stipulated in Article V of the Constitution Amazingly only 33 have garnered the required two thirds approval from both houses of Congress and only 27 were ultimately ratified into law by the states Despite their small number those amendments have revolutionized American government while simultaneously legitimizing and preserving its continued existence Indeed they have dramatically altered the relationship between state and federal authority as well as between government and private citizens Kyvig reexamines the creation and operation of Article V illuminating the process and substance of each major successful and failed effort to change the formal structure duties and limits of the federal government He analyzes in detail the Founders intentions the periods of great amendment activity during the 1790s 1860s 1910s and 1960s and the considerable consequences of amendment failure involving slavery alcohol prohibition child labor New Deal programs school prayer equal rights for women abortion balanced budgets term limits and flag desecration

**Breaking the Deadlock** Richard A. Posner, 2001-07-05 The 2000 Presidential election ended in a collision of history law and the courts It produced a deadlock that dragged out the result for over a month and consequences real and imagined that promise to drag on for years In the first in depth study of the election and its litigious aftermath Judge Posner surveys the history and theory of American electoral law and practice analyzes which Presidential candidate really won the popular vote in Florida surveys the litigation that ensued evaluates the courts the lawyers and the commentators and ends with a blueprint for reforming our Presidential electoral practices The book starts with an overview of the electoral process including its history and guiding theories It looks next at the Florida election itself exploring which candidate really won and whether this is even a meaningful question The focus then shifts to the complex litigation both state and federal provoked by the photo finish On the basis of the pragmatic jurisprudence that Judge Posner has articulated and defended in his previous writings this book offers an alternative justification for the Supreme Court s decision in Bush v Gore while praising the Court for averting the chaotic consequences of an unresolved deadlock Posner also evaluates the performance of the lawyers who conducted the post election litigation and of the academics who commented on the unfolding drama He argues that neither Gore s nor Bush s lawyers blundered seriously but that the reaction of the legal professoriat to the litigation exposed serious flaws in the academic practice of constitutional law While rejecting such radical moves as abolishing the Electoral College or creating a national ballot Posner concludes with a detailed plan of feasible reforms designed to avoid a repetition of the 2000 election

fiasco Lawyers political scientists pundits and politicians are waiting to hear what Judge Posner has to say But this book is written for and will be welcomed by all who were riveted by the recent crisis of presidential succession Journal of Election Administration ,1988 **FEC Journal of Election Administration** ,1988 **Choosing Presidents** Michael Novak,2017-07-28 In Choosing Presidents Novak uses the election of an American president as a means to dissect the symbols of our national life and politics exposing many as distorted perceptions of American realities This work is a guide to the complexities of electoral politics and a lasting contribution to our understanding of the presidency The author is Michael Novak

### **The Peoples President The Electoral College In American History And The Direct Vote Alternative Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Peoples President The Electoral College In American History And The Direct Vote Alternative PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free

The Peoples President The Electoral College In American History And The Direct Vote Alternative PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Peoples President The Electoral College In American History And The Direct Vote Alternative free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
