**The People's War Book** James Martin Miller, H. S. Canfield, 1922      **The Peoples' War?** Alexander Wilson, Richard Hammond, Jonathan Fennell, 2022-11-15 Some 60 million people died during the Second World War millions more were displaced in Europe Africa and Asia The war resulted in the creation of new states the acceleration of imperial decline and a shift in the distribution of global power Despite its unprecedented impact a comprehensive account of the complex international experiences of this war remains elusive The Peoples War offers fresh approaches to the challenge of writing a new history of the Second World War Exploring aspects of the war that have been marginalized in military and political studies the volume foregrounds less familiar narratives subjects and places Chapters recover the wartime experiences of individuals including women children members of minority ethnic groups and colonial subjects whose stories do not fit easily into conventional national war narratives The contributors show how terms used to delineate the conflict such as home front and battle front occupier and occupied captor and prisoner and friend and foe became increasingly blurred as the war wore on Above all the volume encourages reflection on whether this conflict really was a Peoples War Challenging the homogenizing narratives of the war as a nationally unifying experience The Peoples War seeks to enrich our understanding of the Second World War as a global event      The People's Wars Mark Hewitson, 2017 The second of three volumes from Mark Hewitson which explore the experiences of conflict in modern Germany and the resounding impact of these across Europe and the world The People's War takes a new look at the wars of unification and charts the rise of nationalism and the breakdown of the existing state system in the 1850s and 1860s      The People's War Book : History, Cyclopaedia and Chronology of the Great World War James Martin Miller, W. *Peoples War* Thomas A Marks, Paul Rich, 2019 Far from being an anachronism much less a kit bag of techniques peoples war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of peoples war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of peoples war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of *Small Wars Insurgencies* Provided by publisher

**The People's War Book** George Wharton James, James Martin Miller, 1919 *The Peoples' War and the Peoples' Peace ...* John Gilbert Winant, 1942\* **Newer Roosevelt messages: speeches, letters and magazine articles dealing with the war, before and after, and other vital topics** Theodore Roosevelt, 1919 **The People's War** Megan Beck, 2023-10-17 In March 2020 the world entered a new phase none of us were expecting The entire world as we knew it began to suddenly change First we shut down then we began wearing masks and soon we were even banned from traveling or being in the same room together Isolation became the norm For some binging TV shows became a lifeline For others life only became more intense than before Everyone reacted differently and every country had their own rules This is not just the story of one woman mother wife business owner s journey through the most life altering year in recent history It is a collection of stories from over twenty people worldwide sharing how their lives were affected by the Coronavirus From an ER doctor living in Brooklyn New York to the General Manager of the Sydney Philharmonia Choirs in Australia everybody had a life changing experience It is a story of sorrow of love of compassion of fear and of hope We know what happened on the outside world but what happened behind closed doors Inside these pages you will learn the power of the human spirit and the will behind these men women and children who made it through the year You will witness how a war for the human race was fought and how the world was changed forever People's War Book
