Balls Ron Johnson, Deb Brock, 2025-01-14 *Balls* is a call to arms for men to be the best that they can be. Being at their best starts with men being honest with themselves and then with the people in their lives. *Balls* is about courage, namely for men to courageously and honestly face the four challenges in their lives: words, women, work, and wine addictions. The authors describe how men can develop emotional maturity, which then leads to maturity in all other aspects of life. The authors further suggest that the problems with anger, avoidance, and addiction that visibly trouble most men are based on a deep-seated anxiety, which itself is due to the fact that most men have not had direction and encouragement to face the multitude of challenges and responsibilities that they face in life. This book is a blend of psychological theory and research, and the authors combined one hundred years of psychotherapy practice leading to practical suggestions for men to find courage in their lives.

The Ideal Woman Amanda Feyerabend, 2017-08-07 My name is Ashley Williams and my husband is dead. When the brutalized corpse of an unidentified man is found off the shoulder of a Georgia highway, Detective Ryan Quinn and FBI Agent Donovan Navito team up to catch the madman working his way across the southeast, choosing victims at random. I thought we had the perfect life: quiet and serene, but that was a charade. Each man or woman is brutally tortured before being granted mercy in death. The only thing linking the victims: The murderer's calling card, a bite labeling the kills as his own. A chance discovery draws me down an ever-spiraling path of destruction. Something about their newest victim sets him apart from the rest. Is this man the key to unraveling the mystery and ending this horrifying spree? In a race for answers, their stories will intertwine and test the limits of the human spirit. Could you turn your back once the truth is staring you in the face? I don't know if I can.
