The Hunting Safari East African Adventures:

White Hunters Brian Herne, 2001-06 This story of the great African safaris evokes the harmony that once existed between hunters and the elephant lion leopard buffalo and rhino that roamed East Africa in large numbers before poaching and politics intervened The author argues that there is an intricate connection between hunting and conservation and evidence that elephant and rhino populations are beginning to rebound after years of devastation *African Adventures and Misadventures* William York, 2003-01-01 **African Adventures and Misadventures** William York, 2003-01-01 Bill York who recently passed away once said Most guiding for big game is pretty unadventuresome work However when there is excitement it comes in spades and Bill York had his share of unusual encounters From his early days in Kenya when he and a companion trekked alone through the desert of the NFD and had to fend off marauding lions that ate his caravan ponies to encountering a Mau Mau terrorist who took potshots at his victims with a stolen elephant gun York gives an entertaining account of his life York was there when the RAF bombed the rain forest to rid Kenya of the dreaded Mau Mau and he explains how the bombing went awry very few Mau Mau were killed but plenty of wounded and dangerously short tempered buffalo were left to wreck havoc in the countryside He gives an insider's view to the funny and outrageous behavior of some of his famous acquaintances Eric Rundgren Ken Dawson Frank Broadbent and Iodine Ionides PH Eric Rundgren for example was so interested in getting himself good elephant tusks that he would scout out the best tuskers for himself and guide his clients to less desirable trophies There are stories about how York found a cache of rhino and elephant ivory that J A Hunter had stashed before his death and how John Boyes managed to exasperate British authorities with his dastardly deeds There is an entire chapter on hunting giant forest hogs because Bill York spent a lot of time in their habitat and there are encounters and adventures with crop raiding elephant and ghost buffalo that could be seen but not killed Then there is the story of a client who was so huge that York was not sure he could get the man a single trophy As with York's previous book the pages are loaded with interesting anecdotes fascinating tales and well written prose that give insight into East Africa and its more famous characters Warrior Peter Hathaway Capstick, 1998-01-15 Colonel Richard Meinertzhagen served in India and Africa with such adventures as commando raids against German forces in Africa and the Mideast during World War I covert missions to the USSR and Nazi Germany between the wars work as an OSS agent during World War II and Meinertzhagen's ceaseless support of Israeli nationhood Jacket *The Man-eaters of Tsavo and Other East African Adventures* John Henry Patterson, 1924 **African Adventure** Donald I. Ker, 1957 *The African Adventurers* Peter Hathaway Capstick, 1992-06-15 Vintage heroics an unforgettable return to the silent places **African Safaris** G. H. Anderson, 1997 This book is a priceless treasure in the rare book market where one of the original 400 copies rarely resurfaces Includes fantastic adventures in Uganda Kenya Tanzania Zaire and Congo *Green Hills of Africa* Ernest Hemingway, 2016-07-19 Includes the safari journal of Hemingway's wife Pauline Pfeiffer *Luxury in Global Perspective* Karin

Hofmeester, Bernd-Stefan Grewe, 2016-11-28 Global history is predicated on connections and exchange how connections between far flung people places and objects are forged through a variety of exchanges As world history has matured as a field its practitioners have found the movement of commodities between peoples places and time a fruitful vehicle for research and teaching Studies of bulk items like salt spices coffee and other globally traded commodities abound but few scholars have examined the role of luxury goods from a global perspective This anthology charts the many different contexts in which luxury objects have been used across the globe ranging from the social practices linked to these objects to their production exchange and consumption as well as how these practices varied over time and space and how different societies attributed diverse meanings to the same objects Using luxury goods as a conduit *Luxury in Global Perspective* enriches our understanding of global history
