Charles Dickens in Context Sally Ledger, Holly Furneaux, 2011-06-02 Charles Dickens a man so representative of his age as to have become considered synonymous with it demands to be read in context This book illuminates the worlds social political economic and artistic in which Dickens worked Dickens s professional life encompassed work as a novelist journalist editor public reader and passionate advocate of social reform This volume offers a detailed treatment of Dickens in each of these roles exploring the central features of Dickens s age work and legacy and uncovering sometimes surprising faces of the man and of the range of Dickens industries Through 45 digestible short chapters written by a leading expert on each topic a rounded picture emerges of Dickens s engagement with his time the influence of his works and the ways he has been read adapted and re imagined from the nineteenth century to the present

The suppression of the Atlantic slave trade Robert Burroughs, Richard Huzzey, 2017-03-01 The suppression of the Atlantic slave trade has puzzled nineteenth century contemporaries and historians since as the British Empire turned naval power and moral outrage against a branch of commerce it had done so much to promote The assembled authors bridge the gap between ship and shore to reveal the motives effects and legacies of this campaign As the first academic history of Britain s campaign to suppress the Atlantic slave trade in more than thirty years the book gathers experts in history literature historical geography museum studies and the history of medicine to analyse naval suppression in light of recent work on slavery and empire Three sections reveal the policies experiences and representations of slave trade suppression from the perspectives of metropolitan Britons liberated Africans black sailors colonialists and naval officers

The Victorian Reinvention of Race Edward Beasley, 2010-07-02 Not until the early nineteenth century would polygenetic and racialist theories win many adherents But by the middle of the nineteenth century in England racial categories were imposed upon humanity How the idea of race gained popularity in England at that time is the central focus of *The Victorian Reinvention of Race* New Racisms and the Problem of Grouping in the Human Sciences

Racism Robert Miles, 2004-06-02 First published in 1989 Routledge is an imprint of Taylor Francis an informa company

Black Poor and White Philanthropists Stephen J. Braidwood, 1994-01-01 This book examines the events surrounding the establishment of a settlement in West Africa in 1787 which was later to become Freetown the present day capital of Sierra Leone It outlines the range of ideas and attitudes to Africa which underlay the foundation of the settlement and the part played by the black settlers themselves London s Black Poor Was the settlement based on a racist deportation designed to keep Britain white as some accounts claim or a voluntary emigration in which the blacks themselves played a part

Literature, Education, and Romanticism Alan

Richardson,1994-11-10 In this wide ranging and richly detailed book Alan Richardson addresses many issues in literary and educational history never before examined together The result is an unprecedented study of how transformations in schooling and literacy in Britain between 1780 and 1832 helped shape the provision of literature as we know it In chapters focused on such topics as definitions of childhood educational methods and institutions children s literature female education and publishing ventures aimed at working class adults Richardson demonstrates how literary genres from fairy tales to epic poems were enlisted in an ambitious program for transforming social relations through reading and education Themes include literary developments such as the domestic novel a sanitized and age stratified literature for children the invention of popular literature and the constitution of Literature itself in the modern sense Romantic texts by Wordsworth Shelley Blake and Yearsley among others are reinterpreted in the light of the complex historical and social issues which inform them and which they in turn critically address **Political Ecology** Karl S. Zimmerer,Thomas J. Bassett,2012-06-15 This volume offers a unique integrative perspective on the political and ecological processes shaping landscapes and resource use across the global North and South Twelve carefully selected case studies demonstrate how contemporary geographical theories and methods can contribute to understanding key environment and development issues and working toward effective policies Topics addressed include water and biodiversity resources urban and national resource planning scientific concepts of resource management and ideas of nature and conservation in the context of globalization Giving particular attention to evolving conceptions of nature society interaction and geographical scale an introduction and conclusion by the editors provide a clear analytical focus for the volume and summarize important developments and debates in the field
