The In Vitro Madonna:

The in Vitro Madonna Ray Johnson, 2003-12-08 Josh Donner is the American attorney Cardinal Mondial a Brazilian is the ambitious Prince of the Church Mei Chan is the exquisite and mysterious Chinese assassin Three diametrically dissimilar people from three different continents all focused like powerful lasers on a central locus The object of their intense interest in Strella a beautiful novice who resides in a convent in Sao Paulo Brazil Strella is both a virgin and pregnant and impossible dichotomy Strella was left on the convent steps when only hours old Raised as a child of the Church her sheltered life within the ivy covered walls of the convent is about to be disrupted by tidal forces powerful enough to change the course of history In the wrong hands controlled by unscrupulous people Strella and her virgin born child could easily shift the balance of power in the modern world The In Vitro Madonna was originally published in Europe Ray Johnson likes to refer to his books as verbal movies Like his two previous novels The Jericho Compact and The Great Everlasting The In Vitro Madonna carries the reader along a swift river of mystery and intrigue A good novel like a vintage wine is to be savored and enjoyed at leisure hopefully in front of the fireplace of life A novel should leave a pleasing aftertaste on the palate of ones soul Ray Johnson was a military officer and law enforcement officer and draws upon life experiences to weave credence into his spellbinding novels His stated goal is to keep his readers wondering until the final paragraph on the final page He achieves that goal in The In Vitro Madonna

The jewels of the Madonna Ermanno Wolf-Ferrari, 1912 The original Italian with a correct English translation

The Conjugal Wife Ray Johnson, 2004-09-02 Perhaps the most exhilarating experience in all the world is being in bed with a murderess Every man who has the opportunity should do so at least once in his lifetime These were the curious and dangerous thoughts of a man by lust possessed The man was Dalton Nordstrom a handsome and engaging man who seemingly had everything life has to offer the type of man that it is hard to buy a gift for because he appears to have everything already Lanetta is the intoxicating woman that caused Dalton to think so foolishly to act with blind abandon Like Dalton Lanetta also has many attributes the most striking of which is her beauty But it is impossible for beauty to fully blossom behind prison bars Is Lanetta really a murderess The courts say she is but she claims to be blameless Lanettas sister Quilla believes in her innocence Quilla is just as beautiful as Lanetta but cut from a different bolt of cloth a righteous bolt of fabric rather than cloth woven with menacing threads of narcotics and robbery A dangerous triangle is forming a convicted murderess a rich businessman and a religious sister It is difficult to envision anything good coming from this disparate trinity

The Flower Petal Murders Ray Johnson, 2017-09-11 The first body was atypical in law enforcement terms because it had been left in an open field where it was bound to be discovered To make certain it was found as left someone called the LAPD division and informed them where it could be located The first body was left in Jeff s division and he and his partner were assigned to the case Rather than hide the body of a naked woman the murderer left it in a vacant field The body was covered with red rose petals and red rose blossoms To compound the irregularity the woman s breast and pubic area had been left

uncovered What was the significance A clue in the form of two initials was left on the yoga mat and another initial in the dirt Again what was the relevance The killer had been meticulous leaving the body on an expensive yoga mat with the feet facing east Jeff was tall at six feet three inches He was well built and weighed two hundred and twenty five muscular pounds Working out at his gym three days a week kept him in good physical condition The women in his division thought he was extremely handsome with light brown hair and fascinating gray eyes His partner was shorter and less handsome Jeff was by far the cleverer of the two and suspected this carefully planned murder might be the first of a repeater a serial killer Jeff's suspicions were vindicated with the second body this time left in a different division causing interdivision rivalry This body was also naked covered with red carnations petals and blossoms Again the breasts and pubic area had been left uncovered Jeff was doing his best to keep the media from discovering that a serial killer was on the loose His hopes for keeping the media in the dark were dashed when he was contacted by Cinda a reporter for Los Angeles Magazine Cinda was a strikingly beautiful young Black woman who was as clever as Jeff She put two and two together and came up with serial killer She offers Jeff a deal that he cannot refuse To compound Jeff's problems the clues continue to point to religion rather than serial murder Why would a religious organization be murdering young women and leaving a trail of clues for Jeff to follow Another naked young woman is found covered in red flower petals with clues again pointing toward religion possibly a new religion If Jeff is going to prevent any more young women from being murdered he will have to find the killer and do it quickly Just as important he needs to keep him and Cinda from becoming the killer's next victims The Great Everlasting Ray
