The Informer Confessions Of An Ex Terrorist:

The Informer Carole de Vault, William Johnson, 1982 **Snitch!** Steve Hewitt, 2010-02-01 *Penalty in the Underground* Ron Dudai, 2022-06-27 Secret informers are often the biggest threat faced by underground rebel groups which must respond to this challenge in order to survive Using the IRA as a case study *Penalty in the Underground* offers a systematic in depth analysis of this phenomenon providing an empirical and theoretical account of the causes forms functions and effects of the underground response to informers While superficial media images tend to depict only ruthless killings the book argues using the lens of Punishment and Society and drawing on rich interviews with IRA members and on archival sources that groups such as the IRA develop complex systems of punishment and social control in their pursuit of informers The book demonstrates how such systems are not only a mechanical response to a security problem but are also shaped by other goals risks and imperatives such as maintaining legitimacy projecting a state like image and supporting governance efforts This work thus identifies and explains some remarkable features of the IRA s pursuit of informers such as the establishment of courts martial the granting of amnesties the expansion of social control the productive function of labelling treason in asserting sovereignty and the long term consequences of the issue during transition out of conflict By exploring the penal logics practices and discourses of armed rebel groups engaged in direct struggle with the state agencies that normally carry out criminal justice the book aims to expand the study of punishment and society and demonstrate its utility to the understanding of non state actors *Rise to Greatness, Volume 3: Realm (1949-2017)* Conrad Black, 2017-05-05 Colourful comprehensive and masterfully written this is the third and final volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a vivid revelatory account of the people and events that shaped a nation The final of three volumes spanning from the year 1949 2014 this compelling history challenges our perception of our Canada s role in the world taking on sweeping themes and recounting the story of Canada s development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today *The Making of the October Crisis* D'Arcy Jenish, 2020-10-06 A definitive mind changing history of the October Crisis and the events leading up to it The first bombs exploded in Montreal in the spring of 1963 and over the next seven years there were hundreds more bombings many bank robberies six murders and in October 1970 the kidnappings of a British diplomat and a Quebec cabinet minister The perpetrators were members of the Front de lib ration du Qu bec dedicated to establishing a sovereign and socialist Quebec Half a century on we should have reached some clear understanding of what led to the October Crisis Instead too much attention has been paid to the Crisis and not enough to the

years preceding it Most of those who have written about the FLQ have been ardent nationalists committed sovereigntists or former terrorists They tell us that the authorities should have negotiated with the kidnappers and contend that Jean Drapeau's administration and the governments of Robert Bourassa and Pierre Trudeau created the October Crisis by invoking the War Measures Act Using new research and interviews D Arcy Jenish tells for the first time the complete story starting from the spring of 1963 This gripping narrative by a veteran journalist and master storyteller will change forever the way we view this dark chapter in Canadian history *Canada's 1960s* Bryan D. Palmer, 2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada's 1960s examines the legacy of this rebellious decade's impact on contemporary notions of Canadian identity **Managing Terrorism and Insurgency** Cameron I. Crouch, 2009-09-10 This book examines how governments can weaken the regenerative capabilities of terrorist and insurgent groups The exploration of this question takes the form of a two tier examination of three insurgent actors whose capacity to regenerate weakened in the past the Front de lib ration du Qu bec FLQ of Canada the Movimiento de Liberaci n Nacional Tupamaros MLN T of Uruguay and the Provisional Irish Republican Army PIRA of Northern Ireland during the mid 1970s At the first level of its examination the book investigates the extent to which the regenerative capacities of the FLQ MLN T and PIRA weakened because of an increase in attrition and a decrease in recruitment The primary objectives of this analysis are to uncover whether a declining intake of recruits played a lesser equal or greater role than a burgeoning loss of personnel in weakening the capacities to regenerate of the three insurgent actors and in turn to shed greater light on the broader validity of the prevailing view in conflict studies that a decrease in recruitment is more important than an increase in attrition in effecting the corrosion of an insurgent actor's capacity to regenerate At the second level of its exploration the book assesses the effectiveness of five of the most prominent policy prescriptions in the literature and insurgent recruitment and attrition ameliorating grievances selective repression discrediting insurgent ideology improving intelligence collection and restricting civil liberties This book will be of much interest to students of terrorism and counter terrorism conflict studies strategic studies and security studies in general Cameron Crouch is currently an Analyst at Allen Consulting Group an Australian economics and public policy consulting firm He has a PhD from the Strategic and Defence Studies Centre at The Australian National University **Elusive Destiny** Paul Litt, 2011-10-21 Going my way asked John Turner's campaign brochure in 1962 my way is the Liberal way It was that is until Pierre Trudeau came to power Turner was his party's star apprentice in the Liberal art of managing a heterogeneous nation through brokerage politics but in the 1968 election Canadians opted instead for a newly minted celebrity leader for a re imagined nation A political biography extraordinaire *Elusive Destiny* reveals the inner workings of the Liberal Party in its heyday as charted through the meteoric rise and fall of John Napier Turner It highlights Turner's vision for the country and tallies the political price he paid when he deviated from the Trudeau legacy on matters such as language rights social spending and Quebec It also provides a new perspective on federal politics from the

1960s through the 1980s while giving John Turner his rightful place in Canadian history The Informer Carole de Vault, William Johnson, 1982 *The Terrorist's Dilemma* Jacob N. Shapiro, 2015-07-21 How do terrorist groups control their members Do the tools groups use to monitor their operatives and enforce discipline create security vulnerabilities that governments can exploit This title examines the great variation in how terrorist groups are structured

The Informer Confessions Of An Ex Terrorist Introduction

In today's digital age, the availability of The Informer Confessions Of An Ex Terrorist books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Informer Confessions Of An Ex Terrorist books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Informer Confessions Of An Ex Terrorist books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Informer Confessions Of An Ex Terrorist versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Informer Confessions Of An Ex Terrorist books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Informer Confessions Of An Ex Terrorist books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide

range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Informer Confessions Of An Ex Terrorist books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Informer Confessions Of An Ex Terrorist books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Informer Confessions Of An Ex Terrorist books and manuals for download and embark on your journey of knowledge?
