

Equal Employment Opportunity is the

LAW

Private Employment, State and Local Governments, Educational Institutions

Race, Color, Religion, Sex, National Origin:

Title VII of the Civil Rights Act of 1964, as amended, prohibits discrimination in hiring, promotion, discharge, pay, fringe benefits, and other aspects of employment, on the basis of race, color, religion, sex or national origin.

Applicants to and employees of most private employers, state and local governments and public or private educational institutions are protected. Employment agencies, labor unions and apprenticeship programs also are covered.

Age:

The Age Discrimination in Employment Act of 1967, as amended, prohibits age discrimination and protects applicants and employees 40 years of age or older from discrimination on account of age in hiring, promotion, discharge, compensation, terms, conditions, or privileges of employment. The law covers most private employers, state and local governments, educational institutions, employment agencies and labor organizations.

Sex (wages):

In addition to sex discrimination prohibited by Title VII of the Civil Rights Act (see above), the Equal Pay Act of 1963, as amended, prohibits sex discrimination in payment of wages to women and men performing substantially equal work in the same establishment. The law covers most private employers, state and local governments and educational institutions. Labor organizations cannot cause employers to violate the law. Many employers not covered by Title VII, because of size, are covered by the Equal Pay Act.

If you believe that you have been discriminated against under any of the above laws, you immediately should contact:

The U.S. Equal Employment Opportunity Commission

Washington, D.C. 20507

or an EEOC field office by calling toll free 800-USA-EEOC.

(For the hearing impaired, EEOC's TDD number is 202-663-4399.)

Employers holding Federal contracts or subcontracts

Race, Color, Religion, Sex, National Origin:

Executive Order 11246, as amended, prohibits job discrimination on the basis of race, color, religion, sex or national origin, and requires affirmative action to ensure equality of opportunity in all aspects of employment.

Handicap:

Section 503 of the Rehabilitation Act of 1973, as amended, prohibits job discrimination because of handicap and requires affirmative action to employ and advance in employment qualified handicapped individuals who, with reasonable accommodation, can perform the functions of a job.

Vietnam Era and Special Disabled Veterans:

38 U.S.C. 2012 of the Vietnam Era Veterans Readjustment Assistance Act of 1974 prohibits job discrimination and requires

affirmative action to employ and advance in employment qualified Vietnam era veterans and qualified special disabled veterans.

Applicants to and employees of companies with a Federal government contract or subcontract are protected under the authorities above. Any person who believes a contractor has violated its non-discrimination or affirmative action obligations under Executive Order 11246, as amended, Section 503 of the Rehabilitation Act or 38 U.S.C. 2012 of the Vietnam Era Veterans Readjustment Assistance Act should contact immediately:

The Office of Federal Contract Compliance Programs (OFCCP)

Employment Standards Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210 (202) 523-9368, or an OFCCP regional or district office, listed in most telephone directories under U.S. Government, Department of Labor.

Programs or activities receiving Federal financial assistance

Handicap:

Section 504 of the Rehabilitation Act of 1973, as amended, prohibits employment discrimination on the basis of handicap in any program or activity which receives Federal financial assistance. Discrimination is prohibited in all aspects of employment against handicapped persons who, with reasonable accommodation, can perform the essential functions of a job.

Race, Color, National Origin, Sex:

In addition to the protection of Title VII of the Civil Rights Act of 1964, Title VI of the Civil Rights Act prohibits discrimination on the basis of race, color or national origin in programs or activities

receiving Federal financial assistance. Employment discrimination is covered by Title VI if the primary objective of the financial assistance is provision of employment, or where employment discrimination causes or may cause discrimination in providing services under such programs. Title IX of the Education Amendments of 1972 prohibits employment discrimination on the basis of sex in educational programs or activities which receive Federal assistance.

If you believe you have been discriminated against in a program of any institution which receives Federal assistance, you should contact immediately the Federal agency providing such assistance.
