A to Z of American Indian Women Liz Sonneborn, 2014-05-14 Presents a biographical dictionary profiling important Native American women including birth and death dates major accomplishments and historical influence Mixture Sascha T. Scott, 2015-01-21 Attracted to the rich ceremonial life and unique architecture of the New Mexico pueblos many early twentieth century artists depicted Pueblo peoples places and culture in paintings These artists encounters with Pueblo Indians fostered their awareness of Native political struggles and led them to join with Pueblo communities to champion Indian rights In this book art historian Sascha T Scott examines the ways in which non Pueblo and Pueblo artists advocated for American Indian cultures by confronting some of the cultural legal and political issues of the day Scott closely examines the work of five diverse artists exploring how their art was shaped by and helped to shape Indian politics She places the art within the context of the interwar period 1915 30 a time when federal Indian policy shifted away from forced assimilation and toward preservation of Native cultures Through careful analysis of paintings by Ernest L Blumenschein John Sloan Marsden Hartley and Awa Tsireh Alfonso Roybal Scott shows how their depictions of thriving Pueblo life and rituals promoted cultural preservation and challenged the pervasive romanticizing theme of the vanishing Indian Georgia O Keeffe s images of Pueblo dances which connect abstraction with lived experience testify to the legacy of these political and aesthetic transformations Scott makes use of anthropology history and indigenous studies in her art historical narrative She is one of the first scholars to address varied responses to issues of cultural preservation by aesthetically and culturally diverse artists including Pueblo painters Beautifully designed this book features nearly sixty artworks reproduced in full color **Iosephine** Foard and the Glazed Pottery of Laguna Pueblo Dwight P. Lanmon, Lorraine Welling Lanmon, 2007 This fascinating rediscovery of Josephine Foard highlights her work at Laguna Pueblo beginning in 1899 and her efforts to improve and market pueblo pottery for the Lagunas economic benefit Beautiful Clay John A. Burrison, 2025-04-22 For most of human history all pottery was what we would now consider traditional folk pottery Not all artifacts go beyond the basic requirements of utility in pursuit of beauty but Beautiful Clay considers those that do In Beautiful Clay noted scholar of

traditional ceramics John A Burrison writes about how a potter applies aesthetics to utilitarian objects to transform raw clay into something beautiful Though what is considered beautiful in art changes from culture to culture and person to person there are universal techniques such as manipulating form color texture and more that tap into clay s potential for beauty Burrison uses an approach from a perspective of international artistry rather than an approach bound by history or geography After beginning with more than 40 000 images that the author curated as a study resource Beautiful Clay narrows it down to around 230 images that capture the artistry within traditional ceramics worldwide Beautiful Clay examines the aesthetic dimensions of what is essentially a traditional utilitarian craft the ancient clay based craft of pottery from earliest times to the present Global Clay John A. Burrison, 2017-12-04 For over 25 000 years humans across the globe have shaped decorated and fired clay Despite great differences in location and time universal themes appear in the world s ceramic traditions including religious influences human and animal representations and mortuary pottery In Global Clay Themes in World Ceramic Traditions noted pottery scholar John A Burrison explores the recurring artistic themes that tie humanity together explaining how and why those themes appear again and again in worldwide ceramic traditions The book is richly illustrated with over 200 full color cross cultural illustrations of ceramics from prehistory to the present Providing an introduction to different styles of folk pottery extensive suggestions for further reading and reflections on the future of traditional pottery around the world Global Clay is sure to become a classic for all who love art and pottery and all who are intrigued by the human commonalities revealed through art American Folk Art Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who Recreating First Contact Joshua A. Bell, Alison K. Brown, Robert J. Gordon, 2013-11-06 Recreating First folk artists are Contact explores themes related to the proliferation of adventure travel which emerged during the early twentieth century and that were legitimized by their associations with popular views of anthropology During this period new transport and recording technologies particularly the airplane and automobile and small portable still and motion picture cameras were

utilized by a variety of expeditions to document the last untouched places of the globe and bring them home to eager audiences These expeditions were frequently presented as first contact encounters and enchanted popular imagination The various narratives encoded in the articles books films exhibitions and lecture tours that these expeditions generated fed into pre existing stereotypes about racial and technological difference and helped to create them anew in popular culture Through an unpacking of expeditions and their popular wakes the essays 12 chapters a preface introduction and afterward trace the complex but obscured relationships between anthropology adventure travel and the cinematic imagination that the 1920s and 1930s engendered and how their myths have endured The book further explores the effects both positive and negative of such expeditions on the discipline of anthropology itself However in doing so this volume examines these impacts from a variety of national perspectives and thus through these different vantage points creates a more nuanced perspective on how expeditions were at once a global phenomenon but also culturally ordered Making History Institute of American Indian Arts, 2020-10-01 Making History The IAIA Museum of Contemporary Native Arts is a unique contribution to the fields of visual culture arts education and American Indian studies Written by scholars actively producing Native art resources this book guides readers students educators collectors and the public in how to learn about Indigenous cultures as visualized in our creative endeavors By highlighting the rich resources and history of the Institute of American Indian Arts the only tribal college in the nation devoted to the arts whose collections reflect the full tribal diversity of Turtle Island these essays present a best practices approach to understanding Indigenous art from a Native centric point of view Topics include biography pedagogy philosophy poetry coding arts critique curation and writing about Indigenous art Featuring two original poems ten essays authored by senior scholars in the field of Indigenous art nearly two hundred works of art and twenty four archival photographs from the IAIA's nearly sixty year history Making History offers an opportunity to engage the contemporary **Buried Treasures** Richard Melzer,2007 Melzer offers an impressive new book about famous New Native Arts movement Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history American Studio Ceramics Martha Drexler Lynn, 2015-01-01 A landmark survey of the formative years of American studio ceramics and the constellation of people institutions and events that propelled it from craft to fine art Nomadic Cinema Alison Griffiths, 2025-04-15 From In Borneo the Land of the Head Hunters to The Epic of Everest to Camping Among the Indians the early twentieth century was the heyday of expedition filmmaking As new technologies transformed global transportation and opened new avenues for documentation and as imperialism and capitalism expanded their reach Western filmmakers embarked on journeys to places they saw as exotic seeking to capture both the monumental and the mundane Their films portrayed far flung locales the hardships of travel and the day to day lives of Indigenous people through a deeply colonial lens Nomadic Cinema is a groundbreaking history of these films analyzing them as visual records of colonialism that also offer new possibilities for recognizing Indigenous histories Alison Griffiths examines expedition films

made in Borneo Central Asia Tibet Polynesia and the American Southwest reinterpreting them from decolonial perspectives to provide alternative accounts of exploration She considers the individuals and institutions including the American Museum of Natural History responsible for creating the films the spectators who sought them out and the Indigenous intermediaries whose roles white explorers minimized Ambitious and interdisciplinary Nomadic Cinema ranges widely from the roots of expedition films in medieval cartography and travel writing to still emerging technologies of virtual and augmented reality Highlighting the material conditions of filmmaking and the environmental footprint left by exploration this book recovers Indigenous memory and sovereignty from within long buried sources
