Larry A. DiMatteo, 2021-01-28 The fourth edition of *International Business Law and the Legal Environment A Transactional Approach* gives business and law students a clear understanding of the legal principles that govern international business. This book goes beyond compliance by emphasizing how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions from import and export contracts and finance to countertrade, dispute resolution, licensing, and more, giving them both context and providing real world applications. More concise than previous editions, this new edition also features added coverage of new technologies such as smart contracts, digital platforms, and blockchain technology. Discussion of businesses and sustainability, climate change, and creating a circular economy. Greater focus on UNIDROIT Principles and a review of INCOTERMS 2020. Expansion of common carrier coverage to include CMI trucking and CMR railway conventions. International perspective and use of a variety of national and international law materials. Great coverage of EU substantive law. Upper level undergraduate and postgraduate students of business law and international business will appreciate DiMatteo's lucid writing style and professionals will find this book to be a comprehensive resource. Online resources include an instructor's manual, PowerPoint slides, test bank, and other tools to provide additional support for students and instructors. *The Structure of the Legal Environment of Business* Bill Shaw, Arthur D. Wolfe, Steven R. Salbu, 1996 Aimed at rigorous undergraduate programs and MBA Legal Environment of Business courses, this text integrates material from the areas of law, ethics, and real circumstances to provide the comprehensive, thought-provoking look at the legal environment which shapes modern business. Suitable for Law and Public Policy and Law and Society courses. **The Legal, Ethical, and International Environment of Business** Herbert M. Bohlman, Mary Jane Dundas, 1996 Provides a comprehensive introduction to the legal environment of business with more coverage of private law, sales law, negotiable instruments, secured transactions than most legal environment texts, balancing public law and private law.
