The Legitimation Of A Revolution The Yugoslav Case

S. A. Smith, Stephen Anthony Smith

The Legitimation Of A Revolution The Yugoslav Case:

The Disintegration of Yugoslavia, 1992-01-01 **The Economic Struggle for Power in Tito's Yugoslavia** Vladimir Unkovski-Korica, 2016-08-24 Here Vladimir Unkovski Korica re assesses the key episodes of Tito's rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia's non alignment policy For the first time Unkovski Korica also outlines Tito's internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s The Economic Struggle for Power in Tito's Yugoslavia draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans Problems of Communism, 1980 The Croatian Spring Ante Batovic, 2017-06-30 Nationalism is a key topic within Balkan Studies and one of the driving forces behind the bloody and difficult history of the region Using primary sources not previously utilized by western scholars this book documents the Croatian Spring a national and liberal movement that began in the mid sixties after the fall of the vice president and head of the Yugoslav secret police Aleksandar Rankovic The author chronicles these developments of democratisation and de centralisation of communist Yugoslavia placing them in the wider context of the Cold War and Yugoslav relations with the Soviet Union and the United States Tito managed to balance national stability and his relations with East and West until he felt that the national liberal movements challenged his authority and thus threaten the very foundations of the Yugoslav state From late 1971 onwards the liberal political and cultural classes of Croatia and other republics were abruptly purged impoverishing Yugoslav leadership for subsequent decades Batovic also considers the role of the West who felt a centralised and stable Yugoslavia was in their interests and quickly accommodated themselves to the repression of the reformist movement *Europe from the Balkans to the Urals* Renéo Lukic, Allen Lynch, 1996 The disintegration of Yugoslavia and the Soviet Union in 1991 shed entirely new light on the character of their political systems There is now a need to re examine many of the standard interpretations of Soviet and Yugoslav politics This book is a comparative study of the disintegration of Yugoslavia and the Soviet Union as multinational federal communist states and the reaction of European and US foreign policy to the parallel collapses of these nations The authors describe the structural similarities in the destabilization of the two countries providing great insight into the demise of both *Political Violence, Crises and Revolutions (Routledge Revivals)* Ekkart Zimmermann, 2013-04-15 First published in 1983 this extraordinary study provides a comprehensive systematic evaluation of cross national theorizing and quantitative empirical evidence on four interrelated phenomena Political violence Crises Military Coups D tat Revolutions Findings from social psychological research on aggression are integrated in this outstanding study as well as results reported in social historical studies of revolution The focus of the book is always on analytical perspectives and correspondi *Splendour, Misery, and Possibilities* Darko

Suvin,2016-06-27 Suvin's X Ray of Socialist Yugoslavia offers an indispensable overview of a unique and often overlooked twentieth century socialism It shows that the plebeian surge of revolutionary self determination was halted in SFR Yugoslavia by 1965 that between 1965-72 there was a confused and hidden but still open ended clash and that by 1972 the oligarchy in power was closed and static leading to failure The underlying reasons of this failure are analysed in a melding of semiotics and political history which points beyond Yugoslavia including its achievements and degeneration to show how political and economic democracy fail when pursued in isolation The emphasis on socialist Yugoslavia is at various points embedded into a wider historical and theoretical frame including Left debates about the party sociological debates about classes and Marx's great foray against a religious State doctrine in The Jewish Question **Liberated Cinema** Daniel J. Goulding,2002

Originally published in 1985 **Liberated Cinema** The Yugoslav Experience received the first annual Close up award from the Yugoslav Film Institute in 1986 for outstanding scholarship and for promoting the values of Yugoslav film art internationally This new edition has been revised and updated throughout It has been expanded to complete the story of the new Yugoslav cinema of the 1980s and to address major film developments that have taken place in the former Yugoslavia's five successor states As in his analysis of past periods of Yugoslav cinema Goulding situates the most recent developments within the context of film economics state subsidies and changing patterns of political control Most significantly however he provides an insightful discussion of the ways in which critically important domestic feature films produced or co produced from 1991 to 2001 reflect on recent brutal internecine warfare and other contemporary social cultural and political realities after the breakup of Yugoslavia **Western Political Theory in the Face of the Future** John Dunn,1979-05-17 Demonstrates that the major traditions of thought from which the political values of the modern West have emerged are all in crucial respects incoherent or flawed Copyright Libri GmbH All rights reserved **The Statesman's Year-Book 1985-86** J.

Paxton,2016-12-27 The classic reference work that provides annually updated information on the countries of the world

The South Slav Conflict Raju G.C Thomas,2014-06-23 First Published in 1996 What series on Contemporary Issues in European Politics could leave out the conflict in the former Yugoslavia The Balkan tragedy has dominated the reporting of European news more consistently than any other single development since the end of the Cold War In proportion to its implications for peace and stability in Europe the violent disintegration of the Yugoslav has also produced a strong body of scholarly investigations into the origins of its continuing abominations The South Slav Conflict is unique among these by virtue of its thoroughly interdisciplinary approach to the causes and consequences of the war The book's great strength begins with its forthright assertion that no serious attempt to explain the current cycle of genocide and revenge among Serbs Croats and Bosnians can avoid the inherent complexity of the factors that transformed Yugoslavia from one of the most pluralist of European communist states into a theater of human misery The Right to Rule Bruce Gilley,2009-03-03 Popular perceptions of a state's legitimacy are inextricably bound to its ability to rule Vast military and material reserves

cannot counter the power of a citizen's belief and the more widespread the crisis of a state's legitimacy the greater the threat to its stability. Even such established democracies as France and India are losing their moral claims over society while such highly illiberal states as China and Iran enjoy strong showings of public support. Through a remarkable fusion of empirical research and theory, Bruce Gilley makes clear the link between political consent and political rule. Fixing a definition of legitimacy that is both general and particular, he is able to study the role of legitimacy as it has been maintained and lost in a diverse selection of societies. He begins by detailing the origins of state legitimacy and the methods governments have used to wield it best. He then considers the habits of less successful states, exploring how the process works across different styles of government. Gilley's unique approach merges a broad study of legitimacy and performance in seventy-two states with a detailed empirical analysis of the mechanisms of legitimation. The results are tested on a case study of Uganda, a country that after 1986 began to recover from decades of civil war. Considering a range of explanations of other domestic and international phenomena as well, Gilley ultimately argues that because of its evident real-world importance, legitimacy should occupy a central place in political analysis.

The Palgrave Handbook of Workers' Participation at Plant Level Stefan Berger, Ludger Pries, Manfred Wannöffler, 2019-01-21. Comprising the study documentation and comparison of plant-level workers' participation around the world, this volume meets the challenge of offering a global perspective on workers' participation, representation, and models of social partnership. Value chains, economic life, intercultural exchange, and knowledge, as well as the mobility of persons and ideas, increasingly cross the borders of nation-states. In the knowledge age, the active participation of workers in organizations is crucially important for sustainable and long-term growth and innovation. This handbook offers lessons from historical global accounts of workers' participation at plant level, even as it looks forward to predict forthcoming trends in participation.

Eastern Europe in the Postwar World NA, 2016-04-30 **The Yugoslav Drama** Mihailo Crnobrnja, 1996. The updated second edition provides an evaluation of events over the last two years and the prospects for a lasting peace following the Dayton Accord. *A Slow Burning Fire* Marko Ilic, 2021-02-16. Yugoslavia's diverse and interconnected art scenes from the 1960s to the 1980s, linked to the country's experience with socialist self-management. In Yugoslavia from the late 1960s to the late 1980s, state-supported Student Cultural Centers became incubators for new art. This era's conceptual and performance art, known as Yugoslavia's New Art Practice, emerged from a network of diverse and densely interconnected art scenes that nurtured the early work of Marina Abramović, Sanja Iveković, Neue Slowenische Kunst (NSK), and others. In this book, Marko Ilić offers the first comprehensive examination of the New Art Practice, linking it to Yugoslavia's experience with socialist self-management and the political upheavals of the 1980s.

Red Petrograd S. A. Smith, Stephen Anthony Smith, 1983. Deals with the problem of workers' control in Russia. **Workers Control and Socialist Democracy** Carmen Sirianni, 2020-05-05. Recent scholarship has rediscovered the genuinely mass character of the Bolshevik-led revolution that toppled Russian absolutism in 1917. In this major study, Carmen Sirianni

undertakes a comprehensive study of the forms of popular power that emerged in the course of the struggle against Tsarist and their destiny in the formative years of the new Soviet state He successively discusses the factory committee movement the attitudes of the trade unions and the left parties towards workers control the unfolding of dual power the role of the peasantry and the organization of labour and industry in the civil war The developing theme of these chapters the unsettled often antagonistic relationship between working class and peasant initiatives and demands and Bolshevik political and economic conceptions is subjected to theoretical examination in the second part of the book Here Sirianni analyses the particular constitution of Lenin's Marxism and discerns in it a productivist evolutionism which he maintains adversely affected the Bolsheviks' appreciation of working class self organization both in industry and in the exercise of political power and vitiated their perception of the rural masses Finally Sirianni sets Russian policy and experience in its international context considering the different but also limited views of Gramsci and Pannekoek and the councilist movements of Western Europe He concludes with a reflection on the subsequent course of the revolutionary state and the options available to its leaders as the defeat of the Left Opposition and then of Bukharin prepared the triumph of Stalinism Workers Control and Socialist Democracy unites historical political and theoretical judgement to make a fundamental contribution to our understanding both of the Russian Revolution and of central unresolved issues of socialism in the twentieth century

Communism in Eastern Europe Teresa Rakowska-Harmstone, 1984 *Nationalism and Democratisation* Erika Harris, 2018-01-18 This title was first published in 2002 The year 1989 marks a turning point in world history The rigid division of Europe into East and West and the bipolarity of the Cold War system disintegrated with communism as a political system dismantled by 1991 In the wake of the communist multinational federations came successor states with each accompanied by many ethnic and national conflicts This book is concerned with the relationship between nationalism and democracy in a particular setting the larger framework is postcommunist Eastern and Central Europe the focus is on newly dependent democracies explored through the case studies of Slovakia and Slovenia The purpose is to seek an answer to two related questions what is the role of nationalism in the democratic process and under what conditions is nationalism less or more compatible with the democratisation process

Reviewing **The Legitimation Of A Revolution The Yugoslav Case**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. The Legitimation Of A Revolution The Yugoslav Case Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Legitimation Of A Revolution The Yugoslav Case PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Legitimation Of A Revolution The Yugoslav Case PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Legitimation Of A Revolution The Yugoslav Case free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
