

THE LETTERS OF
GEERHARDUS VOS

EDITED BY JAMES T. DENNISON JR.

The Letters Of Geerhardus Vos

Jessica R. Joustra, Robert J. Joustra

The Letters Of Geerhardus Vos:

The Letters of Geerhardus Vos Geerhardus Vos, 2005 Geerhardus Vos was a professor of theology at Calvin College 1888 1893 and then a professor at Princeton Theological Seminary 1893 1932 He was ordained in the Presbyterian Church in the USA This book includes all of his extant letters including recipients Abraham Kuyper Herman Bavinck B B Warfield J Gresham Machen Henry Beets and Ned Stonehouse Also includes a bibliography of his work and four of his poems The sword A song of the nativity Kerstfeest Gebed and The magnificent The Covenant of Works J. V. Fesko, 2020-09-14 The doctrine of the covenant of works arose to prominence in the late sixteenth century and quickly became a regular feature in Reformed thought Theologians believed that when God first created man he made a covenant with him all Adam had to do was obey God's command to not eat from the tree of knowledge and obey God's command to be fruitful multiply and subdue the earth The reward for Adam's obedience was profound eternal life for him and his offspring The consequences of his disobedience were dire God would visit death upon Adam and his descendants In the covenant of works Adam was not merely an individual but served as a public person the federal head of the human race The Covenant of Works explores the origins of the doctrine of God's covenant with Adam and traces it back to the inter testamental period through the patristic and middle ages and to the Reformation The doctrine has an ancient pedigree and was not solely advocated by Reformed theologians The book traces the doctrine's development in the seventeenth century and its reception in the eighteenth nineteenth and twentieth centuries Fesko explores the reasons why the doctrine came to be rejected by some even in the Reformed tradition arguing that interpretive methods influenced by Enlightenment thought caused theologians to question the doctrine's scriptural legitimacy Dictionary of Major Biblical Interpreters Donald K. McKim, 2007-11-12 Donald K McKim edits this revised and expanded edition of IVP's Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis **The Heart of Dogmatics** Bruce R. Pass, 2020-11-16 The christocentric character of Herman Bavinck's thought has long been acknowledged but an analysis of Bavinck's christocentrism has not been forthcoming The Heart of Dogmatics redresses this situation offering a comprehensive study of Bavinck's concept of a christocentric theological system Building on the more recent secondary literature Pass draws attention to many unexplored avenues in Bavinck's writings In particular Pass sheds light on the intimate connection between Bavinck's christocentrism and his organicism Delving deeply into Bavinck's appropriation of Reformed Orthodoxy and German Idealism Pass presents a compelling account of this thinker's attempt to establish Neo Calvinism as a modern orthodoxy By way of conclusion pertinent ways in which Bavinck's christocentrism may prove a useful resource for contemporary projects of theological retrieval are explored in a comparison of Bavinck and John Webster **Theology as the Science of God** Ximian Xu, 2022-06-13 The revival of Calvinism in the nineteenth century Netherlands entailed the neo Calvinist movement With

Abraham Kuyper Herman Bavinck became a brand name of neo Calvinism Nonetheless not until the first decade of the twenty first century was scholarly interest in Bavinck s work increasing The conventional two Bavincks model used to read his work for much of the twentieth century argues that some contradictory and irreconcilable themes do exist in Bavinck s system which makes Bavinck a self contradictory thinker This dualistic reading characterised most of Bavinck scholars in the second half of the twentieth century Since James Eglinton s new reading of Bavinck s organic motif the conventional model became untenable and scholars are seeking for a reunited Herman Bavinck Bavinck as a holistic theologian has become the industry standard of Bavinck studies Ximian Xu aims on the one hand to maintain one Bavinck on the other hand and more importantly to fill in a notable gap in Bavinck scholarship that is no single work hitherto has focused on Bavinck s idea of theology as the wetenschap science of God This study demonstrates that the idea of scientific wetenschappelijke theology furnishes the meta paradigm and cardinal model that incorporates the fundamental characteristics and themes of Bavinck s dogmatic system Moreover it argues that Bavinck s scientific theology makes an attempt to engage with the other sciences Given this Bavinck s scientific theology is relevant today That is Bavinck s theological insights can be deployed to advance theology s engagement with the other sciences in contemporary secular universities **Inauguration of the Rev.**

Geerhardus Vos as Professor of Biblical Theology Geerhardus Vos,1894 **Restored to Our Destiny** Brian G. Mattson,2011-10-06 A close conceptual analysis of Herman Bavinck s 1854 1921 four volume Reformed Dogmatics this book explores what is broadly understood as the central motif of his work the organic relationship between nature and grace and highlights an overlooked aspect to this motif Bavinck s view of nature and grace is not only rooted in his Trinitarian theology but more importantly in his covenant theology Exploring Bavinck s link between the doctrine of the imago Dei to an eschatology uniquely provided by Reformed covenant theology this book serves to illumine the rationale behind his signature dogma that grace restores and perfects nature Given the link between the nature grace motif and covenant theology this book raises the question whether the one can stand without the other **Calvinism for a Secular Age** Jessica R.

Joustra,Robert J. Joustra,2022-02-08 Pastor politician and Dutch Neo Calvinist theologian Abraham Kuyper s lectures on the role of Christian faith in politics science and art have become a touchstone of contemporary Reformed theology Revisiting these lectures Jessica and Robert Joustra bring together theologians historians scientists and others to consider Kuyper s ongoing importance and complex legacy for today **T&T Clark Handbook of Neo-Calvinism** Nathaniel Gray

Sutanto,Cory Brock,2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition

with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields *The Letter to the Romans* Douglas J. Moo, 2018-11-26 For more than twenty years Douglas Moo s NICNT volume on Romans has been providing pastors students and scholars with profound insight into Paul s most famous letter In this thorough revision of his commentary Moo deals with issues that have come into prominence since the first edition 1996 incorporating the latest research and rewriting the text throughout for better comprehension Exegetically astute and theologically minded Moo interacts critically with the new perspective on Paul highlights the emphasis in Romans on practical divinity and traces the theme of the gospel throughout the letter His *Letter to the Romans* in this second edition will inform and enlighten a new generation of serious Bible readers

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God s redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching *The Drama of Preaching* interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word

The Rise of the Covenant of Redemption in the Theology of Samuel Rutherford Sam Bostock, 2025-05-29 The Church of Scotland divine Samuel Rutherford 1600-61 was among the first theologians to say that Christ s saving work took place to fulfill an agreement between God and Christ that had been made in eternity By placing Rutherford s major statements of this new doctrine in their various social political polemical and pastoral contexts this book provides a fresh explanation for the dramatic rise of the eternal covenant of redemption to become the cornerstone of Reformed federal theology and offers a case study in the development of doctrine

New Perspectives on Old Princeton, 1812-1929 Kevin DeYoung, Paul Kjoss Helseth, David P. Smith, 2024-12-03 This book focuses on Princeton Theological Seminary and the theologians who taught there from the time of its founding in 1812 to the time of its reorganisation in 1929 It confronts the standard assessment of Old Princeton in the historiography of North American evangelicalism and sets out why a new paradigm is needed The volume critically engages with the Ahlstrom thesis and other more recent scholarship concerning Old Princeton s relationship to the Scottish intellectual tradition The contributions seek to move beyond Old Princeton s alleged indebtedness to Enlightenment thought and advance a more constructive reading of the Old Princetonians their theology and their place in the American evangelical experience The book

offers a fresh and more accurate assessment of the theological and philosophical assumptions that held sway at Old Princeton and through the seminary to the American continent and beyond It will appeal to scholars interested in theology religious history and intellectual history **The Cry of the Teacher's Soul** Laurie R. Matthias, 2015-07-14 Teaching is hard External pressures are steadily increasing leading to high rates of attrition and burnout Unlike other resources that attempt to address those external factors *The Cry of the Teacher's Soul* offers hope by focusing on the key factor of good education the teacher It does so by examining the teacher's inner life mental emotional and spiritual For the Christian teacher paradoxes in teaching such as idealism reality and performance authenticity often parallel similar paradoxes in the Christian faith By embracing these paradoxes that probe the depths of issues around identity and purpose the teacher can sustain the difficult vocation of teaching even thriving instead of just surviving Each chapter focuses on a cry of the teacher's soul features a teacher's story that illustrates that cry and then explores the paradoxes embedded in teaching and in Christianity

Bavinck James Eglinton, 2020-09-29 Dutch Calvinist theologian Herman Bavinck a significant voice in the development of Protestant theology remains relevant many years after his death His four volume *Reformed Dogmatics* is one of the most important theological works of the twentieth century James Eglinton is widely considered to be at the forefront of contemporary interest in Bavinck's life and thought After spending considerable time in the Netherlands researching Bavinck Eglinton brings to light a wealth of new insights and previously unpublished documents to offer a definitive biography of this renowned Reformed thinker The book follows the course of Bavinck's life in a period of dramatic social change identifying him as an orthodox Calvinist challenged with finding his feet in late modern culture Based on extensive archival research this critical biography presents numerous significant and previously ignored or unknown aspects of Bavinck's person and life story A black and white photo insert is included This volume complements other Baker Academic offerings on Bavinck's theology and ethics which together have sold 90 000 copies *The Oxford Handbook of Reformed Theology* Michael Allen, Scott R. Swain, 2020-10-30 The *Oxford Handbook of Reformed Theology* looks back to past resources that have informed Reformed theology and surveys present conversations among those engaged in Reformed theology today First the volume offers accounts of the major historical contexts of reformed theology the various relationships ancient and modern which it maintains and from which it derives Recent research has shown the intricate ties between the patristic and medieval heritage of the church and the work of the reformed movement in the sixteenth century The past century has also witnessed an explosion of reformed theology outside the Western world prompting a need for attention not only to these global voices but also to the unique and contingent history of reformed theology in the West hence reflecting on its relationship to intellectual developments like scholastic method or the critical approaches of modern biblical studies Second the volume assesses some of the classic representative texts of the reformed tradition observing also their reception history The reformed movement is not dominated by a single figure but it does contain a host of paradigmatic texts that demonstrate the

range and vitality of reformed thought on politics piety biblical commentary dogmatic reflection and social engagement Third the volume turns to key doctrines and topics that continue to receive attention by reformed theologians today Contributors who are themselves making cutting edge contributions to constructive theology today reflect on the state of the question and offer their own proposals regarding a host of doctrinal topics and themes **Transatlantic Religion** ,2021-09-27

Transatlantic Religion offers a new perspective on nineteenth century American Christianity that takes into account the century s major transformations in politics philosophy education and religious doctrine The book includes previously unexamined material to explain the influences of European ideas on the intellectual diversity and cultural specifics of American Christianity It gives readers access to a new analytical approach to the transatlantic development of religion in America one that acknowledges the role of ecumenical and partisan religious journalism academic religious mentoring profound changes in the field of scientific inquiry and the aims of institution builders Contributors are Annette G Aubert Lee C Barrett Elizabeth A Clark Andrew Z Hansen Charlotte Hansen George Harinck Paul E Kerry Andrew Kloes David Komline Hartmut Lehmann Mark A Noll C Michael Shea Timothy Verhoeven Zachary Purvis **The Covenant of Redemption** John V. Fesko,2015-12-09 The covenant of redemption pactum salutis the eternal intra trinitarian covenant was a common staple within Early Modern Reformed theology yet there are very few historical works that examine this doctrine J V Fesko s study The Covenant of Redemption Origins Development and Reception seeks to address this lacuna In the contemporary period the covenant of redemption has been derided as speculative mythological a declension from trinitarianism or erroneously derived from one or two biblical proof texts Yet seldom have critics carefully engaged the primary sources to examine the different formulations supporting exegesis and ways in which the doctrine was employed Far from speculation sub trinitarian or a cold business transaction proponents of the covenant of redemption constructed this doctrine based upon a web of interconnected biblical texts and were very sensitive to maintaining a robust doctrine of the trinity as they employed this doctrine as a bulwark against the anti trinitarian claims of Socinian theologians Proponents of the doctrine also saw this pre temporal covenant as the embodiment of intra trinitarian love that overflows unto those chosen in Christ for their salvation and ultimate fellowship with the triune God John V Fesko explores the historical origins of the doctrine and then surveys its development in the seventeenth through nineteenth centuries examining key advocates of the doctrine including David Dickson Herman Witsius Johannes Cocceius Francis Turretin Patrick Gillespie John Gill Jonathan Edwards Charles Hodge and A A Hodge He then examines the contemporary reception of the doctrine in the twentieth century with a survey of the doctrine s critics including Karl Barth Herman Hoeksema Klaas Schilder and John Murray After exploring the claims of the critics the study moves to examine the views of twentieth century proponents including Geerhardus Vos Herman Bavinck Abraham Kuyper Louis Berkhof and G C Berkouwer **Process and Providence** Bradley J. Gundlach,2013-11-30 Charles Hodge James McCosh B B Warfield these leading professors at Princeton College and Seminary in the nineteenth and early

twentieth centuries are famous for their orthodox Protestant positions on the doctrine of evolution In this book Bradley Gundlach explores the surprisingly positive embrace of developmental views by the whole community of thinkers at old Princeton showing how they embraced the development not only of the cosmos and life forms but also of Scripture and the history of doctrine even as they defended their historic Christian creed Decrying an intellectual world gone evolution mad the old Princetonians nevertheless welcomed evolution properly limited and explained Rejecting historicism and Darwinism they affirmed developmentalism and certain non Darwinian evolutionary theories finding process over time through the agency of second causes God s providential rule in the world both enlightening and polemically useful They also took care to identify the pernicious causes and effects of antisupernatural evolutionisms By the 1920s their nuanced distinctions together with their advocacy of both biblical inerrancy and modern science were overwhelmed by the brewing fundamentalist controversy From the first American review of the pre Darwinian Vestiges of the Natural History of Creation to the Scopes Trial and the forced reorganization of Princeton Seminary in 1929 Process and Providence reliably portrays the preeminent conservative Protestants in America as they defined contested and answered precisely and incisively the many facets of the evolution question

Paul and the Resurrected Body Matt O'Reilly, 2020-03-20 A new reading of Pauline theology ethics and eschatology grounded in social identity theory and sociorhetorical criticism Readers often think of Paul s attitude toward the resurrection of the body in individual terms a single body raised as the climax of an individual s salvation In Paul and the Resurrected Body Social Identity and Ethical Practice Matt O Reilly makes the case that for Paul the social dimension of future bodily resurrection is just as important if not more so Through a close reading of key texts in the letters to the Corinthians Romans and Philippians O Reilly argues that resurrection is integral to Paul s understanding of Christian social identity In Paul s theological reasoning a believer s hope for the future depends on being identified as part of the people of God who will be resurrected Features A clarification of the eschatological basis for Paul s ethical expectations Exploration of the social significance of Paul s theological reasoning An integration of ancient rhetorical theory with contemporary social identity theory

Decoding **The Letters Of Geerhardus Vos**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Letters Of Geerhardus Vos**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
