**Margaret Fuller** Charles Capper,1992 Filled with dramatic ironic and sometimes tragic turns this superb biography captures the story of one of America s most extraordinary figures producing at once the best life of Fuller ever written and

one of the great biographies in American history In Volume II Charles Capper illuminates Fuller's public years focusing on her struggles to establish her identity as an influential intellectual woman in the Romantic Age He brings to life Fuller's dramatic mixture of inward struggles intimate social life and deep engagements with the movements of her time He describes how Fuller struggled to reconcile high avant garde cultural ideals and Romantic critical methods with democratic social and political commitments and how she strove to articulate a cosmopolitan vision for her nation's culture and politics Capper also offers fresh and often startlingly new treatments of Fuller's friendships with Ralph Waldo Emerson Thomas Carlyle and Giuseppe Mazzini in addition to many others

Niagara Falls is a place where lands are contested industry debated freedom harbored the spirit uplifted and fame won It overflows with stories Since before digital technologies made visual reproduction easier and more abundant than ever writers composed Niagara Falls as symbolically meaningful But in the face of four centuries of writing on this natural wonder how does one make these stories new Niagaras of Ink collects anecdotes of famous writers experiences previously untold tales unique takes on well known visits and materials just too good to exclude with an anthology of some of the most engaging Anglo American writing on the Falls from the nineteenth to early twentieth centuries This collection invites readers to re see Niagara through these lenses

*Hawthorne* Brenda Wineapple, 2004-06-29 Handsome reserved almost frighteningly aloof until he was approached then playful cordial Nathaniel Hawthorne was as mercurial and double edged as his writing Deep as Dante Herman Melville said Hawthorne himself declared that he was not one of those supremely hospitable people who serve up their own hearts delicately fried with brain sauce as a tidbit for the public Yet those who knew him best often took the opposite position He always puts himself in his books said his sister in law Mary Mann he cannot help it His life like his work was extraordinary a play of light and shadow In this major new biography of Hawthorne the first in more than a decade Brenda Wineapple acclaimed biographer of Janet Flanner and Gertrude and Leo Stein Luminous Richard Howard brings him brilliantly alive an exquisite writer who shoveled dung in an attempt to found a new utopia at Brook Farm and then excoriated the community or his attraction to it in caustic satire the confidant of Franklin Pierce fourteenth president of the United States and arguably one of its worst friend to Emerson and Thoreau and Melville who unlike them made fun of Abraham Lincoln and who also unlike them wrote compellingly of women deeply identifying with them he was the first major American writer to create erotic female characters Those vibrant independent women continue to haunt the imagination although Hawthorne often punishes humiliates or kills them as if exorcising that which enthralls Here is the man rooted in Salem Massachusetts of an old pre Revolutionary family reared partly in the wilds of western Maine then schooled along with Longfellow at Bowdoin College Here are his idyllic marriage to the youngest and prettiest of the Peabody sisters and his longtime friendships including with Margaret Fuller the notorious feminist writer and

intellectual Here too is Hawthorne at the end of his days revered as a genius but considered as well to be an embarrassing puzzle by the Boston intelligentsia isolated by fiercely held political loyalties that placed him against the Civil War and the currents of his time Brenda Wineapple navigates the high tides and chill undercurrents of Hawthorne's fascinating life and work with clarity nuance and insight The novels and tales the incidental writings travel notes and children's books letters and diaries reverberate in this biography which both charts and protects the dark unknowable core that is quintessentially Hawthorne In him the quest of his generation for an authentically American voice bears disquieting fruit *The Westchester Historian*, 2002

**Emerson's Emergence** Mary Kupiec Cayton, 1989 As the culture of commercial capitalism came to dominate nineteenth century New England it changed people's ideas about how the world functioned the nature of their work their relationships to one another and even the way they conceived of themselves Journals and Miscellaneous Notebooks: 1841-1843 Ralph Waldo Emerson, 1960 Vols 8 11 12 accompanied by separate Emendations and departures from the manuscript by the editors

**Correspondence and American Literature, 1770-1865** Elizabeth Hewitt, 2004-11-25 Elizabeth Hewitt uncovers the centrality of letter writing to antebellum American literature She argues that many canonical American authors turned to the epistolary form as an idealised genre through which to consider the challenges of American democracy before the Civil War The letter was the vital technology of social intercourse in the nineteenth century and was adopted as an exemplary genre in which authors from Crèvecoeur and Adams through Jefferson to Emerson Melville Dickinson and Whitman could theorise the social and political themes that were so crucial to their respective literary projects They interrogated the political possibilities of social intercourse through the practice and analysis of correspondence Hewitt argues that although correspondence is generally only conceived as a biographical archive it must instead be understood as a significant genre through which these early authors made sense of social and political relations in the nation Mary Moody Emerson and the Origins of Transcendentalism Phyllis Cole, 2002 Mary Moody Emerson has long been a New England legend the eccentric Calvinist aunt of Ralph Waldo Emerson wearing a death shroud as her daily garment This exciting new study based on the first reading of all her known letters and diaries reveals a complex human voice and powerful forerunner of American Transcendentalism From the years of her famous nephew's infancy in both private and published writings she celebrated independence solitude in nature and inward communion with God Mary Moody Emerson inherited both resources and constraints from her family a lineage of Massachusetts ministers who had earlier practiced spiritual awakening and political resistance against England Cole discovers a previously unexamined Emerson tradition of fervent piety in the ancestors own writing and Mary's preservation of their memory She also examines the position of a woman in this patriarchal family Barred from the pulpit and university by her sex she also refused marriage to become a reader writer and religious seeker Cole's biography explores this reading and writing as both a woman's vocation and a gift to Ralph Waldo Emerson Helping to raise her nephews after their father's death Mary Moody Emerson urged Waldo the college student to seek

solitude in nature and become a divine poet Cole s pioneering study tracing crucial lines of influence from Mary Emerson s heretofore unknown texts to her nephew s major works establishes a fresh and vital source for a central American literary tradition     **The Letters of Ralph Waldo Emerson** Ralph Waldo Emerson,1939 V 1 1813 1835 v 2 1836 1841 v 3 1842 1847 v 4 1848 1855 v 5 1856 1867 v 6 1868 1881 v 7 1807 1844 v 8 1845 1859 v 9 1860 1869 v 10 1870 1881 and an index of proper names for volumes seven to ten

**Margaret Fuller : An American Romantic Life Volume 1: The Private Years** Chapel Hill Charles Capper Associate Professor of History University of North Carolina,1992-09-11 With this first volume of a two part biography of the Transcendentalist critic and feminist leader Margaret Fuller Capper has launched the premier modern biography of early America s best known intellectual woman Based on a thorough examination of all the first hand sources many of them never before used this volume is filled with original portraits of Fuller s numerous friends and colleagues and the influential movements that enveloped them Writing with a strong narrative sweep Capper focuses on the central problem of Fuller s life her identity as a female intellectual and presents the first biography of Fuller to do full justice to its engrossing subject This first volume chronicles Fuller s private years her gradual tangled but fascinating emergence out of the private life of family study Boston Cambridge socializing and anonymous magazine writing to the beginnings of her rebirth as antebellum America s female prophet critic Capper s biography is at once an evocative portrayal of an extraordinary woman and a comprehensive study of an avant garde American intellectual type at the beginning of its first creation
