The Liberators Australias Struggle For Independence 1820 1855:

The Liberators William Leonard Joy,1976 **Unfinished Revolution** Anne-Maree Whitaker,1994 400 United Irishmen and fellow rebels brought the spirit of Irish rebellion down under in the aftermath of the Irish Rebellion of 1798 and changed Australia forever At Castle Hill in 1804 this army of shadows carried on where they left off but during Bligh s overthrow in 1808 they stood back from a fight that was not theirs The political Irish played a central role in the developing colony Their professions trades and skills made them useful as clerks storekeepers and teachers and fitted them to be overseers and constables and helped bring self sufficiency to the still fragile colonial economy They remained revolutionaries only they negotiated change rather than raised warlike rebellion Through their open defiance and quiet manipulation of authority the harp new strung resonates to this day in the Australian ethos that United Irishmen helped to create book cover South Australiana ,1977 **Library of Congress Catalogs** Library of Congress,1979 Australian National Bibliography ,1977
