Smith, 2014-01-10 Despite the stodgy stereotypes libraries and librarians themselves can be quite funny The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the *New Yorker* to the satire of *Mad* This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark from parodies to portrayals of libraries and their staffs as objects of fear It illuminates different types of librarians the collector the organization person the keeper the change agent and explores stereotypes like the shushing little old lady with a bun the male scholar librarian the library superhero and the anti stereotype of the sexy librarian Profiles of the most prominent library humorists round out this lively study **The Librarian's Book of Lists** George M. Eberhart, 2010-05-10 After years spent editing *American Libraries* and the many editions of *The Whole Library Handbook* George Eberhart has collected a raft of arcane librarians and amusing trivia for this endlessly browsable volume the mixture of serious topics tongue in cheek items and outright silliness provides something to please everyone familiar with libraries making a fun read and a wonderful gift Page 4 of cover
