The Life And Death Of Mozart:

The life and death of Mozart Michael Levey,1973 **The Life & Death of Mozart** Michael Levey,1973 *The Life of Mozart* John Rosselli,1998-04-28 Mozart was not only an extraordinary musical genius but a man who lived through the great change from the old society to the modern one in which we still live when people began to move from accepting the Christian scheme of things to standing alone from letting themselves be ruled by parents and superiors to rebelling against them He was himself one of the new men of the age his music gives voice to anxieties and consolations that are still ours This book first published in 1998 sets Mozart's life within the history of an age plunging into revolution and European war It probes his crucial relationships with his father and his wife but avoids guesswork It studies in depth though in non technical language characteristic examples of his music and asks what they can tell us about their author and ourselves **Mozart's Requiem** Simon P. Keefe,2012-06-28 Presenting a fresh interpretation of Mozart's Requiem Simon P Keefe redresses a longstanding scholarly imbalance whereby narrow consideration of the text of this famously incomplete work has taken precedence over consideration of context in the widest sense Keefe details the reception of the Requiem legend in general writings fiction theatre and film as well as discussing criticism scholarship and performance Evaluation of Mozart's work on the Requiem turns attention to the autograph score the document in which myths and musical realities collide Franz Xaver S. Ssmayr's completion 1791 2 is also re appraised and the ideological underpinnings of modern completions assessed Overall the book affirms that Mozart's Requiem fascinating for interacting musical biographical circumstantial and psychological reasons cannot be fully appreciated by studying only Mozart's activities Broad ranging hermeneutic approaches to the work moreover supersede traditionally limited discursive confines **Mozart the Dramatist** Brigid Brophy,2013-09-19 Brigid Brophy first published her passionate profoundly original Mozart the Dramatist in 1964 revisiting it subsequently in 1988 Organised by theme the text offers brilliant readings of Mozart's five most famous operas *Die Entführung aus dem Serail* *Le Nozze di Figaro* *Don Giovanni* *Cos fan tutte* and *Die Zauberflöte* while a 1988 preface reconsiders *Idomeneo* and *La Clemenza di Tito* Brophy's analysis is richly informed by her readings and interests in psychoanalysis myth and relations between the sexes but her stress above all is on Mozart's unique excellence his double supremacy both as a classical and psychological artist An illuminating invigorating thought provoking and profoundly human book of immense value to any lover of Mozart Jane Glover *Mozart Studies 2* Simon P. Keefe,2015-09-10 Essays by leading Mozart scholars explore the composer's popular works biography and reception appealing to scholars and Mozart lovers alike **Haydn and Mozart in the Long Nineteenth Century** Simon P. Keefe,2023-03-02 Traces the evolving musical reputations of Haydn and Mozart evaluating a wide range of scholarship biography criticism and fiction The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A.E.'s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000

biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *Mozart's Death* William Stafford,1991-10-23

There is a macabre fascination in the spectacle of one so brilliant dying so young in such tragic circumstances Was Mozart poisoned Was he irresponsible and childish dying from debauchery and dissipation Did his wife contribute to his downfall Was he driven to destruction by being ostracised as a rebel Did his genius render him incapable of normal human contact and worldly prudence Did he die because he had accomplished his mission as an artist and burnt himself out Was he the victim of a run of bad luck From 1791 to the present such stories have flourished this book examines their development and the evidence for them *God in Sound and Silence* Danielle Anne Lynch,2018-06-22

Music by its indeterminate levels of meaning poses a necessary challenge to a theology bound up in words Its distinctive nature as temporal and embodied allows a unique point of access to theological understanding Yet music does not exist in a cultural vacuum conveying universal truths but is a part of the complex nature of human lives This understanding of music as theology stems from a conviction that music is a theological means of knowing knowing something indeterminate yet meaningful This is an exploration of the means by which music might say something otherwise unsayable and in doing so allow for an encounter with the mystery of God **MOZART'S HEALTH, PERSONALITY, AND DEATH** Lucien Karhausen,2025-05-05

The book is about Wolfgang Amade Mozart his personality his humour his health and his death **The Mozart Myths** William Stafford,1993-10-01 This is an ambitious attempt to separate what is actually known and can be known about Mozart from the many myths and legends that have grown up about his life and character notably the circumstances of his death and his alleged immaturity drinking extravagance womanizing unreliability and professional failure *Life of Mozart* Otto Jahn,1882 **Wolfgang Amadeus Mozart , The Lives and Times of the Great Composers** Michael Steen,2011-07-01

A glorious plum pudding of a book to be consulted with pleasure and profit over and over again Sir Jeremy Isaacs Michael Steen s Great Composers was originally published in 2003 A lifetime s work and almost 1000 pages long it has since become the reference point and key read on the biographical backgrounds to classical music s biggest names Authoritative and hugely detailed but nonetheless a joy to read this new edition will expand its readership further and capitalise on a newfound popular interest in classical music Steen s book helps you explore the story of Bach the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig or the ugly argumentative Beethoven in French occupied Vienna obsessed by his laundry or Mozart the over exploited infant prodigy whose untimely death was shrouded in rumour Read about Verdi who composed against the background of the Italian Risorgimento or about the family life of the Wagners and

Brahms who rose from the slums of Hamburg to become a devotee of beer and coffee in fin de siècle Vienna a cultural capital bent on destroying Mahler and much much more On Mozart James M. Morris,1994-11-25 A collection of essays which explore Mozart from various perspectives suggesting the complexity of his character and his achievement Mozart: The Melody of the Soul Fabricio Sales Silva,2025-05-13 In a world full of ephemeral sounds and fleeting melodies the figure of Wolfgang Amadeus Mozart emerges whose work transcends the barriers of time uniting hearts and souls in an eternal symphony of emotions His music a sublime dialogue between heaven and earth invites us on a journey where each note reveals a universe of feelings each composition is a map of human emotional infinity Mozart did not compose only with notes but with heartbeats with sighs of the soul His music is the reflection of life itself with its deep joys and abyssal sorrows He captured the full spectrum of the human experience from the ecstasy of the first lights of love to the somber lament of loss translating into harmonies what words cannot express In Mozart The Melody of the Soul we dive deep into the waters of Mozart's creativity exploring not only his revolutionary compositions but also the humanity behind the genius We unravel the bonds of love friendship and rivalry that intertwined his life providing new perspectives on his masterpieces and on the man himself This book is an invitation to all those who wish to lose themselves in the beauty of Mozart's music understand the man behind the myth and be inspired by his singular journey It is a vibrant tribute to his genius a celebration of his intensely lived life and a testament to the indelible light he left for posterity *Modern music and musicians ...: Encyclopedic* ,1918

Modern Music and Musicians ,1918 Modern Music and Musicians Ignace Jan Paderewski,1918
