

Most other obligations I must perforce leave without explicit acknowledgment. Many of Sir Henry Jones's pupils and friends have sent me helpful notes on various points. Occasional indications of these are given in the text, but these do not exhaust the number which I have used. I may mention especially the recollections of particular periods or incidents written by Mr. Jenkins Jones, headmaster of Heywoodham Council School, Dr. J. Estlin Carpenter, Sir Henry A. Moss, Sir Harry H. Michol, Dr. Thomas Jones, Mr. J. B. Peckin, and Professor J. H. Mathered. Professor Mathered also read the whole of my manuscript with the most friendly and critical care, and made many improvements in it. Mr. E. H. Jones and Dr. I. Lewin, Lecturer in Philosophy in this College, have given me much help in seeing the book through the Press. The index is the work of Dr. Lewin. My greatest debt of all, however, is to Miss M. M. Mahler, who collected, copied, and arranged the great number of letters which were received, and made a first selection from them. She was most patient, accurate, and judicious help, substantially lessened the work of writing the book. I am deeply grateful to her for her unflinching assistance.

I have also to thank Messrs. Macmillan & Co., Messrs. MacKintosh, Jackson & Co., Messrs. Williams & Norgate, and Messrs. Hodder & Stoughton, the publishers of Sir Henry Jones's books and articles, for permission to quote as freely as I wished. The publishers of the *International Journal of Ethics* have allowed me to quote some sentences from an article of my own which appeared in that journal in January 1914.
