York Times An illuminating full length portrait Los Angeles Times Ross Terrill probably this country's preeminent writer on China has given us a whole man to replace the two dimensional representation Boston Globe Everyone who came into close contact with Chinese dictator Mao Zedong was surprised at his personal habits He would stay up much of the night sleep during the day and would sometimes remain awake for thirty six hours or more until he finally collapsed Yet many who met Mao were impressed by his intellectual reach originality and kindness It would seem difficult to reconcile these two views of Mao But there was no divide between Mao the man and Mao the leader This insightful biography by China scholar Ross Terrill provides a comprehensive account of this powerful and polarizing figure **Mao** Alexander V. Pantsov, Steven I. Levine, 2012-10-02 This major new biography of Mao uses extensive Russian documents previously unavailable to biographers to reveal surprising details about Mao's rise to power and leadership in China This major new biography of Mao uses extensive Russian documents previously unavailable to biographers to reveal surprising details about Mao's rise to power and his leadership in China Mao Zedong was one of the most important figures of the twentieth century the most important in the history of modern China A complex figure he was champion of the poor and brutal tyrant poet and despot Pantsov and Levine show Mao's relentless drive to succeed vividly describing his growing role in the nascent Communist Party of China They disclose startling facts about his personal life particularly regarding his health and his lifelong serial affairs with young women They portray him as the loyal Stalinist that he was who never broke with the Soviet Union until after Stalin's death Mao brought his country from poverty and economic backwardness into the modern age and onto the world stage But he was also responsible for an unprecedented loss of life The disastrous Great Leap Forward with its accompanying famine and the bloody Cultural Revolution were Mao's creations Internationally Mao began to distance China from the USSR under Khrushchev and shrewdly renewed relations with the U S as a counter to the Soviets He lived and behaved as China's last emperor Mao Philip Short, 2001-02 Short's masterful assessment informed by secret documents recently found in China provides an up close look at Mao Tse tung the colossal figure whose shadow will dominate into the 21st century of photos 4 maps *Mao: A Biography* Ross Terrill, 1999 Everyone who came in close contact with Mao was taken aback at the anarchy of his personal ways He ate idiosyncratically He became increasingly sexually promiscuous as he aged He would stay up much of the night sleep during much of the day and at times he would postpone sleep remaining awake for thirty six hours or more until tension and exhaustion overcame him Yet many people who met Mao came away deeply impressed by his intellectual reach originality style of power within simplicity kindness toward low level staff members and the aura of respect that surrounded him at the top of Chinese politics It would seem difficult to reconcile these two disparate views of Mao But in a fundamental sense there was no brick wall between Mao the person and Mao the leader This biography attempts to provide a comprehensive account of this powerful and polarizing historical figure *A Time of Ghosts* Hok-Pang Tang, David Coomler, 2010 Without warning there was a tremendous explosion that shattered the windows
