ANTONIA FRASER

The Life And Times Of Richard Iii

Alfred Legge

The Life And Times Of Richard III:

The Life and Times of Richard III Anthony Cheetham, 1998 Richard III is one of the most mysterious and controversial figures in English history His early life is overshadowed by the prominence of his older brothers Edward the sun of York and the feckless Clarence and comparatively little is known about him But the untimely death of Edward IV in 1483 forced Richard into the limelight and the last three years of his life have taken on the character of a detective story Did Richard really believe his brother and nephews were illegitimate Why did he seize the throne What did happen to the Princes in the tower It was only natural that Henry Tudor should vilify his predecessor and hold him responsible for ever heinous deed But some later historians have tried to redress the balance and portray him as the most unfairly maligned and glorious monarch of the period The author cuts through the legend and the propaganda and reaches back to retrace the forgotten period of Richard s life He thus places in context those final years before the last of the Plantagenets died on Bosworth Field

The Unpopular King Alfred Owen Legge, 1885 **The Life and Times of Richard III** Alan Smith, 2013 **The Unpopular King** Alfred Owen Legge, 2001 *The Unpopular King* Alfred Owen Legge, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Richard III Chris Skidmore, 2018-04-24 From acclaimed historian Chris Skidmore comes the authoritative biography of Richard III England s most controversial king a man alternately praised as a saint and cursed as a villain Richard III is one of English history s best known and least understood monarchs Immortalized by Shakespeare as a hunchbacked murderer the discovery in 2012 of his skeleton in a Leicester parking lot re ignited debate over the true character of England s most controversial king Richard was born into an age of brutality when civil war gripped the land and the Yorkist dynasty clung to the crown with their fingertips Was he really a power crazed monster who killed his nephews or the victim of the first political smear campaign conducted by the Tudors In the first full biography of Richard III for fifty years Chris Skidmore draws on new manuscript evidence to reassess Richard s life and times Richard III examines in intense detail Richard s inner nature and his complex relations with those around him to unravel the mystery of the last English monarch to die on the battlefield

Richard III Matthew Lewis, 2018-09-15 A definitive new biography of one of British history s most controversial figures that seeks to bring peace to Richard III s reputation

The unpopular king Alfred Owen Legge, 1885 **The Unpopular King** Alfred Owen Legge, 2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were

either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book Richard the Third Paul Murray Kendall,1956 The best biography of Richard III that has been written A L Rowse Chicago Tribune Paul Murray Kendall s masterful account of the life of England s King Richard III has remained the standard biography of this controversial figure **Unpopular King** Legge Alfred Owen,1901

Richard III CLEMENTS ROBERT MARKHAM,2025-03-28 Delve into the tumultuous reign of one of England s most controversial monarchs with *Richard III His Life Character* Clements R Markham presents a meticulously researched account of Richard III King of England set against the backdrop of 15th century English history and the bloody Wars of the Roses This compelling historical biography examines Richard III in light of contemporary scholarship offering a nuanced portrait of a figure shrouded in mystery and legend Explore the life and times of this pivotal royal whose brief but impactful reign continues to fascinate historians and readers alike Unravel the complexities of his character and understand his place in the grand tapestry of English royalty A timeless exploration of power ambition and legacy *Richard III His Life Character* is a must read for anyone interested in English history and the captivating figures who shaped it This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Richard III* David Horspool,2015-12-15 For many Richard III is an obsession the Richard III Society has a huge membership and Shakespeare s *Henry VI* Histories have contributed to if not his popularity certainly his notoriety Now with the discovery of Richard III s bones under a parking lot in Leicester England interest in this divisive and enigmatic figure in British history is at an all time high It is a compelling story to scholars as well as general readers who continue to seek out the kind of strong narrative history that David Horspool delivers in this groundbreaking biography of the king Richard III dispassionately examines the legend as well as the man to uncover both what we know of the life of Richard and the way that his reputation has been formed and re formed over centuries But beyond simply his reputation there is no dispute that the last Plantagenet is a pivotal figure in English history his death signaled the end of the War of the Roses and arguably the end of the medieval period in England and Horspool s biography chronicles this tumultuous time with flair This narrative driven and insightful biography lays out a view of Richard that is fair to his historical character and to his background in the medieval world Above all it is authoritative in its assessment of a king who came to the throne under extraordinary

circumstances **Richard III and the Princes in the Tower** Gerald Prenderghast, 2017-06-09 The fate of Richard III's two nephews Edward V and Richard of York who disappeared after his coronation in 1483 has remained controversial centuries after Thomas More's history and Shakespeare's play laid the blame on their conniving uncle. Some later writers unconvinced of the king's guilt have tried with little success to portray him as an innocent victim of Tudor propaganda pointing instead to a number of unlikely culprits including Henry Tudor and the Duke of Buckingham. This book sifts through the available evidence about the fate of the two boys. The author examines the facts, discusses who may or may not have had information and offers a reasoned solution to the question: What really happened to the two princes? King Richard III (The Unabridged Play) + The Classic Biography: The Life of William Shakespeare William Shakespeare, Sidney Lee, 2014-02-27 This carefully crafted ebook *King Richard III: The Unabridged Play* *The Classic Biography: The Life of William Shakespeare* is formatted for your eReader with a functional and detailed table of contents. *Richard III* is a historical play by William Shakespeare, believed to have been written in approximately 1592. It depicts the Machiavellian rise to power and subsequent short reign of Richard III of England. The play chronicles Richard's dramatic rise and fall. Shakespeare famously portrays him as a deformed hunchback who ruthlessly lies, murders, and manipulates his way to the throne before being taken down by the guy who becomes King Henry VII, whose reign ends the Wars of the Roses and ushers in the Tudor dynasty. Despite his wickedness, Richard is the kind of villain that audiences just love to hate. *Life of William Shakespeare* is a biography of William Shakespeare by the eminent critic Sidney Lee. This book was one of the first major biographies of the Bard of Avon. It was published in 1898, based on the article contributed to the *Dictionary of National Biography*. William Shakespeare (1564–1616) was an English poet and playwright widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the Bard of Avon. His extant works, including some collaborations, consist of about 38 plays, 154 sonnets, two long narrative poems, and a few other verses, the authorship of some of which is uncertain. Sir Sidney Lee (1859–1926) was an English biographer and critic. He was a lifelong scholar and enthusiast of Shakespeare. His article on Shakespeare in the fifty-first volume of the *Dictionary of National Biography* formed the basis of his *Life of William Shakespeare*. This full-length life is often credited as the first modern biography of the poet. *The Biography Book* Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A.E.'s Biography best-selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures, from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

KING RICHARD III William Shakespeare, 2017-12-06 Richard III is a historical play by William Shakespeare believed to have been written in approximately 1592. It depicts the Machiavellian rise to power and subsequent short reign of Richard III of England. The play chronicles Richard's dramatic rise and fall. Shakespeare famously portrays him as a deformed hunchback who ruthlessly lies, murders, and manipulates his way to the throne before being taken down by the guy who becomes King Henry VII, whose reign ends the Wars of the Roses and ushers in the Tudor dynasty. Despite his wickedness, Richard is the kind of villain that audiences just love to hate.

Life of William Shakespeare is a biography of William Shakespeare by the eminent critic Sidney Lee. This book was one of the first major biographies of the Bard of Avon. It was published in 1898 based on the article contributed to the Dictionary of National Biography. William Shakespeare (1564-1616) was an English poet and playwright widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. Richard III's Bodies from Medieval England to Modernity Jeffrey R. Wilson, 2022-10-02 The story of a medieval king's disability traveling through time from Shakespeare's hands to today.

The Unpopular King: the Life and Times of Richard III (Albion Monarchs) Alfred Legge, 2016-09-05 The character of Richard is unjustly blackened by our great dramatist and it is well-nigh impossible to rid the mind of the impression produced by his art. In this classic history written in 1885, Alfred Owen Legge tries to set the reputation of Richard III right. This first volume takes us through the Yorkist and Plantagenet rulers before him, placing his reign in historical context. He himself writes that this period, in which the printing press brought to light many conflicting opinions to the masses and to posterity, needs to be studied calmly, dispassionately, and patiently. Refuting many other accounts, including the plays of William Shakespeare and histories by Polydore Vergil, Fabian, and Thomas More, Legge begins to put forward his more tender portrait of the King, helped by the passage of four centuries of English life and unclouded by recent criticism of a king who came before the Tudor dynasty. With the gaze of an experienced historian and in subjective prose, which is always centred on truth and balance, Legge writes an unbiased history of fifteenth-century England, chronicling the affairs of the despotic King Edward IV in particular and his relationship with the future king Richard III. Richard himself was punctilious in his regard for morality and the observances of religion and to serve his subjects in opposition to the sort of ruler Edward was. In addition, Legge refutes Richard's alleged physical deformity, which Shakespeare incorporated into his own portrait that clouds today's memory of Richard III. He writes about his childhood and adolescence in the context of the times. Legge describes rebellions in the field of battle, royal affairs, and the public reaction to

proclamations and events the feudal system was still in place in the 1400s and the noble families such as the Woodvilles who made up the gentry are talked about at length Christianity looms large over the country's affairs with Archbishops protesting against the Violation of Sanctuary Civil war had broken out on the accession of a child to the English throne in 1422 and the period was marked by conflict and a struggle for power where there were several claims to sovereignty This led to murders and famously imprisonment for those who dared challenge the authority of the king Alfred Owen Legge wrote biographical works on figures including Pope Pius IX and works focused on religion such as *The Temporal Power of the Papacy* and *A Life of Consecration* Albion Press is an imprint of Endeavour Press the UK's leading independent digital publisher For more information on our titles please sign up to our newsletter at www.endeavourpress.com Each week you will receive updates on free and discounted ebooks Follow us on Twitter EndeavourPress and on Facebook via <http://on.fb.me/1HweQV7> We are always interested in hearing from our readers Endeavour Press believes that the future is now

Richard III Charles Ross, 2011-05-28 Richard III ruled England for a mere twenty six months yet few English monarchs remain as compulsively fascinating and none has been more persistently vilified In his absorbing and universally praised account Charles Ross assesses the king within the context of his violent age and explores the critical questions of the reign why and how Richard Plantagenet usurped the throne the belief that he ordered the murder of the Princes in the Tower the events leading to the battle of Bosworth in 1485 and the death of the Yorkist dynasty with Richard himself In a new foreword Professor Richard A Griffiths identifies the attributes that have made Ross's account the leading biography in the field and assesses the impact of the research published since the book first appeared in 1981 A fascinating study on a perennially fascinating topic the base against which will be measured any future research Times Higher Education Supplement
