The Hour Of God Sri Aurobindo, 2016-06-05 The Hour Of God by Sri Aurobindo A collection of short stories pieces on some of the principal concepts of Sri Aurobindo s philosophy and yoga

The Lives of Sri Aurobindo Peter Heehs, 2008-05-19 Since his death in 1950 Sri Aurobindo Ghose has been known primarily as a yogi and a philosopher of spiritual evolution who was nominated for the Nobel Prize in peace and literature But the years Aurobindo spent in yogic retirement were preceded by nearly four decades of rich public and intellectual work Biographers usually focus solely on Aurobindo s life as a politician or sage but he was also a scholar a revolutionary a poet a philosopher a social and cultural theorist and the inspiration for an experiment in communal living Peter Heehs one of the founders of the Sri Aurobindo Ashram Archives is the first to relate all the aspects of Aurobindo s life in its entirety Consulting rare primary sources Heehs describes the leader s role in the freedom movement and in the framing of modern Indian spirituality He examines the thinker s literary cultural and sociological writings and the Sanskrit Bengali English and French literature that influenced them and he finds the foundations of Aurobindo s yoga practice in his diaries and unpublished letters Heehs s biography is a sensitive honest portrait of a life that also provides surprising insights into twentieth century Indian history *Karmayogin*

Sri Aurobindo,2016-07-31 This volume consists primarily of articles originally published in the nationalist newspaper Karmayogin between June 1909 and February 1910 It also includes speeches delivered by Sri Aurobindo in 1909 The aim of the newspaper was to encourage a spirit of nationalism to help India recover her true heritage and remould it for her future Its view was that the freedom and greatness of India were essential to fulfilling her destiny to lead the spiritual evolution of humanity **The Essential Aurobindo** Sri Aurobindo,2001 Who wrote the Gospel of John The author identifies himself only as the disciple whom Jesus loved and Christian tradition tells us that this disciple was the apostle John However during the past century scholars have increasingly come to doubt that attribution In 1902 Rudolf Steiner wrote that the author of the Gospel of John was in fact Lazarus Steiner's position stemmed from his insight that Lazarus's encounter with death involved far more than people realized an initiation into higher spiritual realities that uniquely qualified him to write this gospel Edward Smith takes up this argument and shows that subsequent research has tended to favor Lazarus for reasons grounded in John's Gospel itself More important Smith shows that subsequent discoveries at Nag Hammadi and Mar Saba corroborate Steiner's reasoning about the nature of the raising of Lazarus pointing to Lazarus as the rich young ruler of Mark's Gospel

The Future Evolution of Man Sri Aurobindo,2016-07-31 The modern world's structures are changing rapidly as new problems arise from advances in science and technology Man's mind is unable to keep pace with the movement he has himself set in motion and the unsolvable problems that confront him yet he aspires to self mastery perfection peace beauty and love What is the meaning of terrestrial life and the present evolutionary crisis This anthology compiled from Sri Aurobindo's The Life Divine The Synthesis of Yoga and The Human Cycle deals with this crucial question tracing the past and pointing to the future of human evolution both individual and social *The Life of Sri Aurobindo* Ambalal Balkrishna Purani,1964 *The Hour of God* Sri Aurobindo,1959-08-15 The pieces collected together in this book were written by Sri Aurobindo between 1910 and 1940 None of them were published during his lifetime none received the final revision he gave to his major works Most of the pieces were first printed in various journals published by the Ashram and subsequently in the different editions of The Hour of God beginning with the first edition 1959 In reading these essays one gets the very distinct feeling that the author really does know whereof he speaks Here we are able to sit in his lap and listen as he fabricates one description after another of the ineffable and explains how we too can share in the realization awaiting us at the end of what seems in the clarity of his vision to be not such an arduous path It is not that he ever says that the way is easy quite the contrary but the certainty with which he speaks seems to put it into reach *The Life Divine* Sri Aurobindo,1990 The Life Divine explores for the Modern mind the great streams of Indian metaphysical thought reconciling the truths behind each and from this synthesis extends in terms of consciousness the concept of evolution The unfolding of Earth's and man's spiritual destiny is illuminated pointing the way to a Divine Life on Earth Index *Mystic Fire* Atulindra Nath Chaturvedi,2022-10-05 Sri Aurobindo was one of the most extraordinary figures to appear on the historical stage in the early

twentieth century He is remembered today primarily as a revolutionary and a yogi but Aurobindo Ghose refused to be circumscribed by such boundaries Aurobindo was taken at an early age to England Completely cut off from all things Indian he received the perfect English education at St Paul s School and Cambridge University Destined for a career in the Indian Civil Service he cracked the entrance examination but declined to join Returning home after a 14 year absence while working for the Maharaja of Baroda Aurobindo embarked on a covert parallel career organizing revolutionary groups and writing anti British propaganda At the same time he delved deep into India s past and scriptures and became a poet dramatist philosopher and Sanskritist Later he became one of India s foremost social political and cultural theorists After a whirlwind political career of three years in Bengal one of them as a guest of the Raj Aurobindo stunned everyone when at the height of his political eminence he withdrew to Pondicherry Here as Sri Aurobindo he crafted Integral Yoga and created a rich legacy from which India can still learn Mystic Fire is the first biography of Sri Aurobindo to have drawn upon the wealth of new information and documentation on his life and works that has become available over the last few years This includes the previously unpublished writings of Sri Aurobindo himself including his remarkable record of yoga **Lights on Yoga** Sri Aurobindo,2016-05-29 This book contains extracts from letters written by Sri Aurobindo to his disciples in answer to their queries In the letters he explains his teaching and method of spiritual practice and addresses some of the difficulties and problems that the disciples were encountering Sri Aurobindo Peter Heehs,1989 Sri Aurobindo 1872 1950 an Indian philosopher and freedom fighter **Sri Aurobindo** Roshen Dalal,2023-08-21 An illuminating exploration of the life and philosophy of an uncommon visionary Widely revered as a preeminent philosopher and spiritual leader Sri Aurobindo s teachings and legacy inspire millions across the globe Yet the true essence of his wisdom remains an enigma intensified further by the mystique surrounding his life In this comprehensive new biography veteran historian Roshen Dalal sets out to demystify Aurobindo s unique journey From his early years and education in England to his consequential return to India during its embryonic freedom movement his arrest in the infamous Alipore Bomb Case and subsequent spiritual awakening and ascetic life at his ashram in Pondicherry she unravels the intricate events and relationships that shaped his thinking particularly his collaborations with his spiritual partner the Mother Through meticulous analysis of his writings she sheds light on Aurobindo s radical path for the future towards a harmonious world order and the awakening of a divine consciousness culminating in the ultimate transformation of humanity Drawing from over three decades of research Dalal presents here the most accessible lucid and insightful portrait of Sri Aurobindo to date She underscores the pioneering ideas of a visionary thinker and the enduring power of his legacy Savitri Sri Aurobindo,2016-10-14 *The Life of Sri Aurobindo* Ambalal Balkrishna Purani,1978 A combination of authentic material from Sri Aurobindo s own letters and other writings research materials correspondence and personal reminiscences this early biography of Sri Aurobindo was originally undertaken as a correction to various unauthorised books on his life and work Revised three times this edition includes

seventy eight pages of appendices and an extensive bibliography in addition to the glossary and index and traces the significant events in Sri Aurobindo's life as well as the evolution of his spiritual thought.
